(57) **CLAIM**

The ornamental design for a ergonomic litter scoop, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the ergonomic litter scoop

FIG. 2 is a side view of the ergonomic litter scoop

FIG. 3 is a rear view of the ergonomic litter scoop

FIG. 4 is a top view of the ergonomic litter scoop; and,

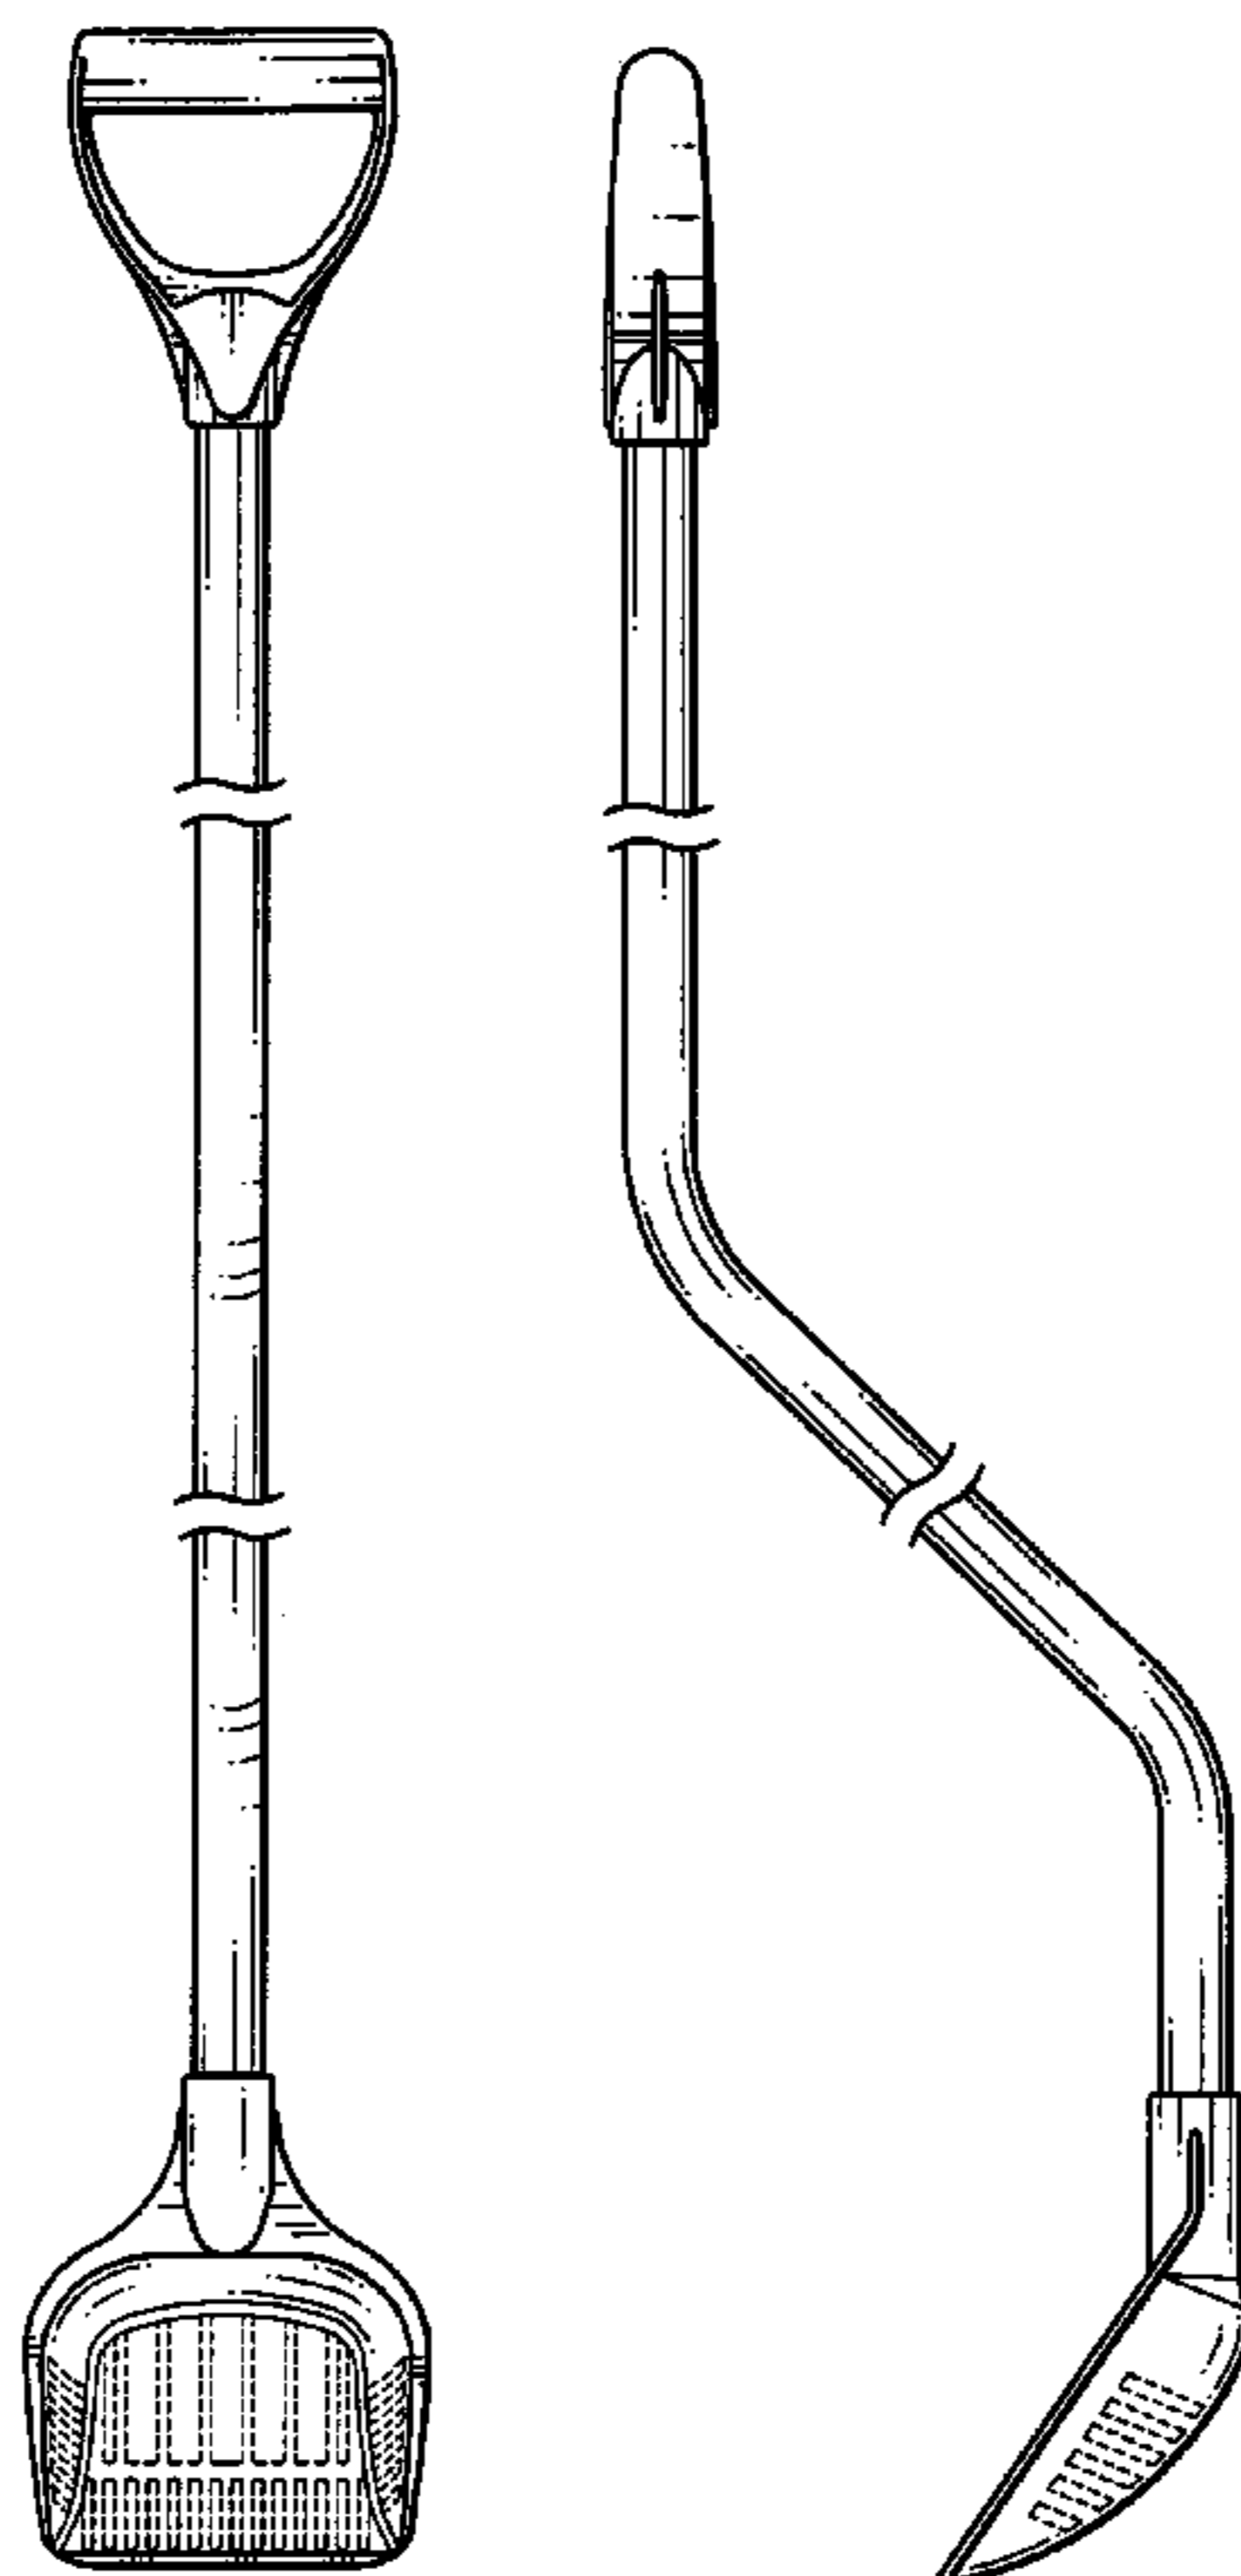

FIG. 5 is a bottom view of the ergonomic litter scoop.

The broken lines elsewhere on the article area for illustration only and form no part of the claimed design.

The design is shown broken away on the handle on the handle in order to indicate that a specific length of handle forms no part of the claimed design.

My ergonomic litter scoop is characterized by a long bent handle joining a litter scoop on one end and a grip on the other.
