(57) **CLAIM**

I claim the ornamental design of a stud, as shown and described.

DESCRIPTION

FIG. 1 is a top/right/front perspective view of a first embodiment of the new design, shown broken in the center with a double line to indicate that no particular length is claimed.

FIG. 2 is a top view of the first embodiment. The bottom view is identical.

FIG. 3 is a left side view of the first embodiment. The right side view is identical.

FIG. 4 is a front view of the first embodiment. The rear view is identical.

FIG. 5 is a top/right/front perspective view of a second embodiment of the new design, shown broken in the center with a double line to indicate that no particular length is claimed.

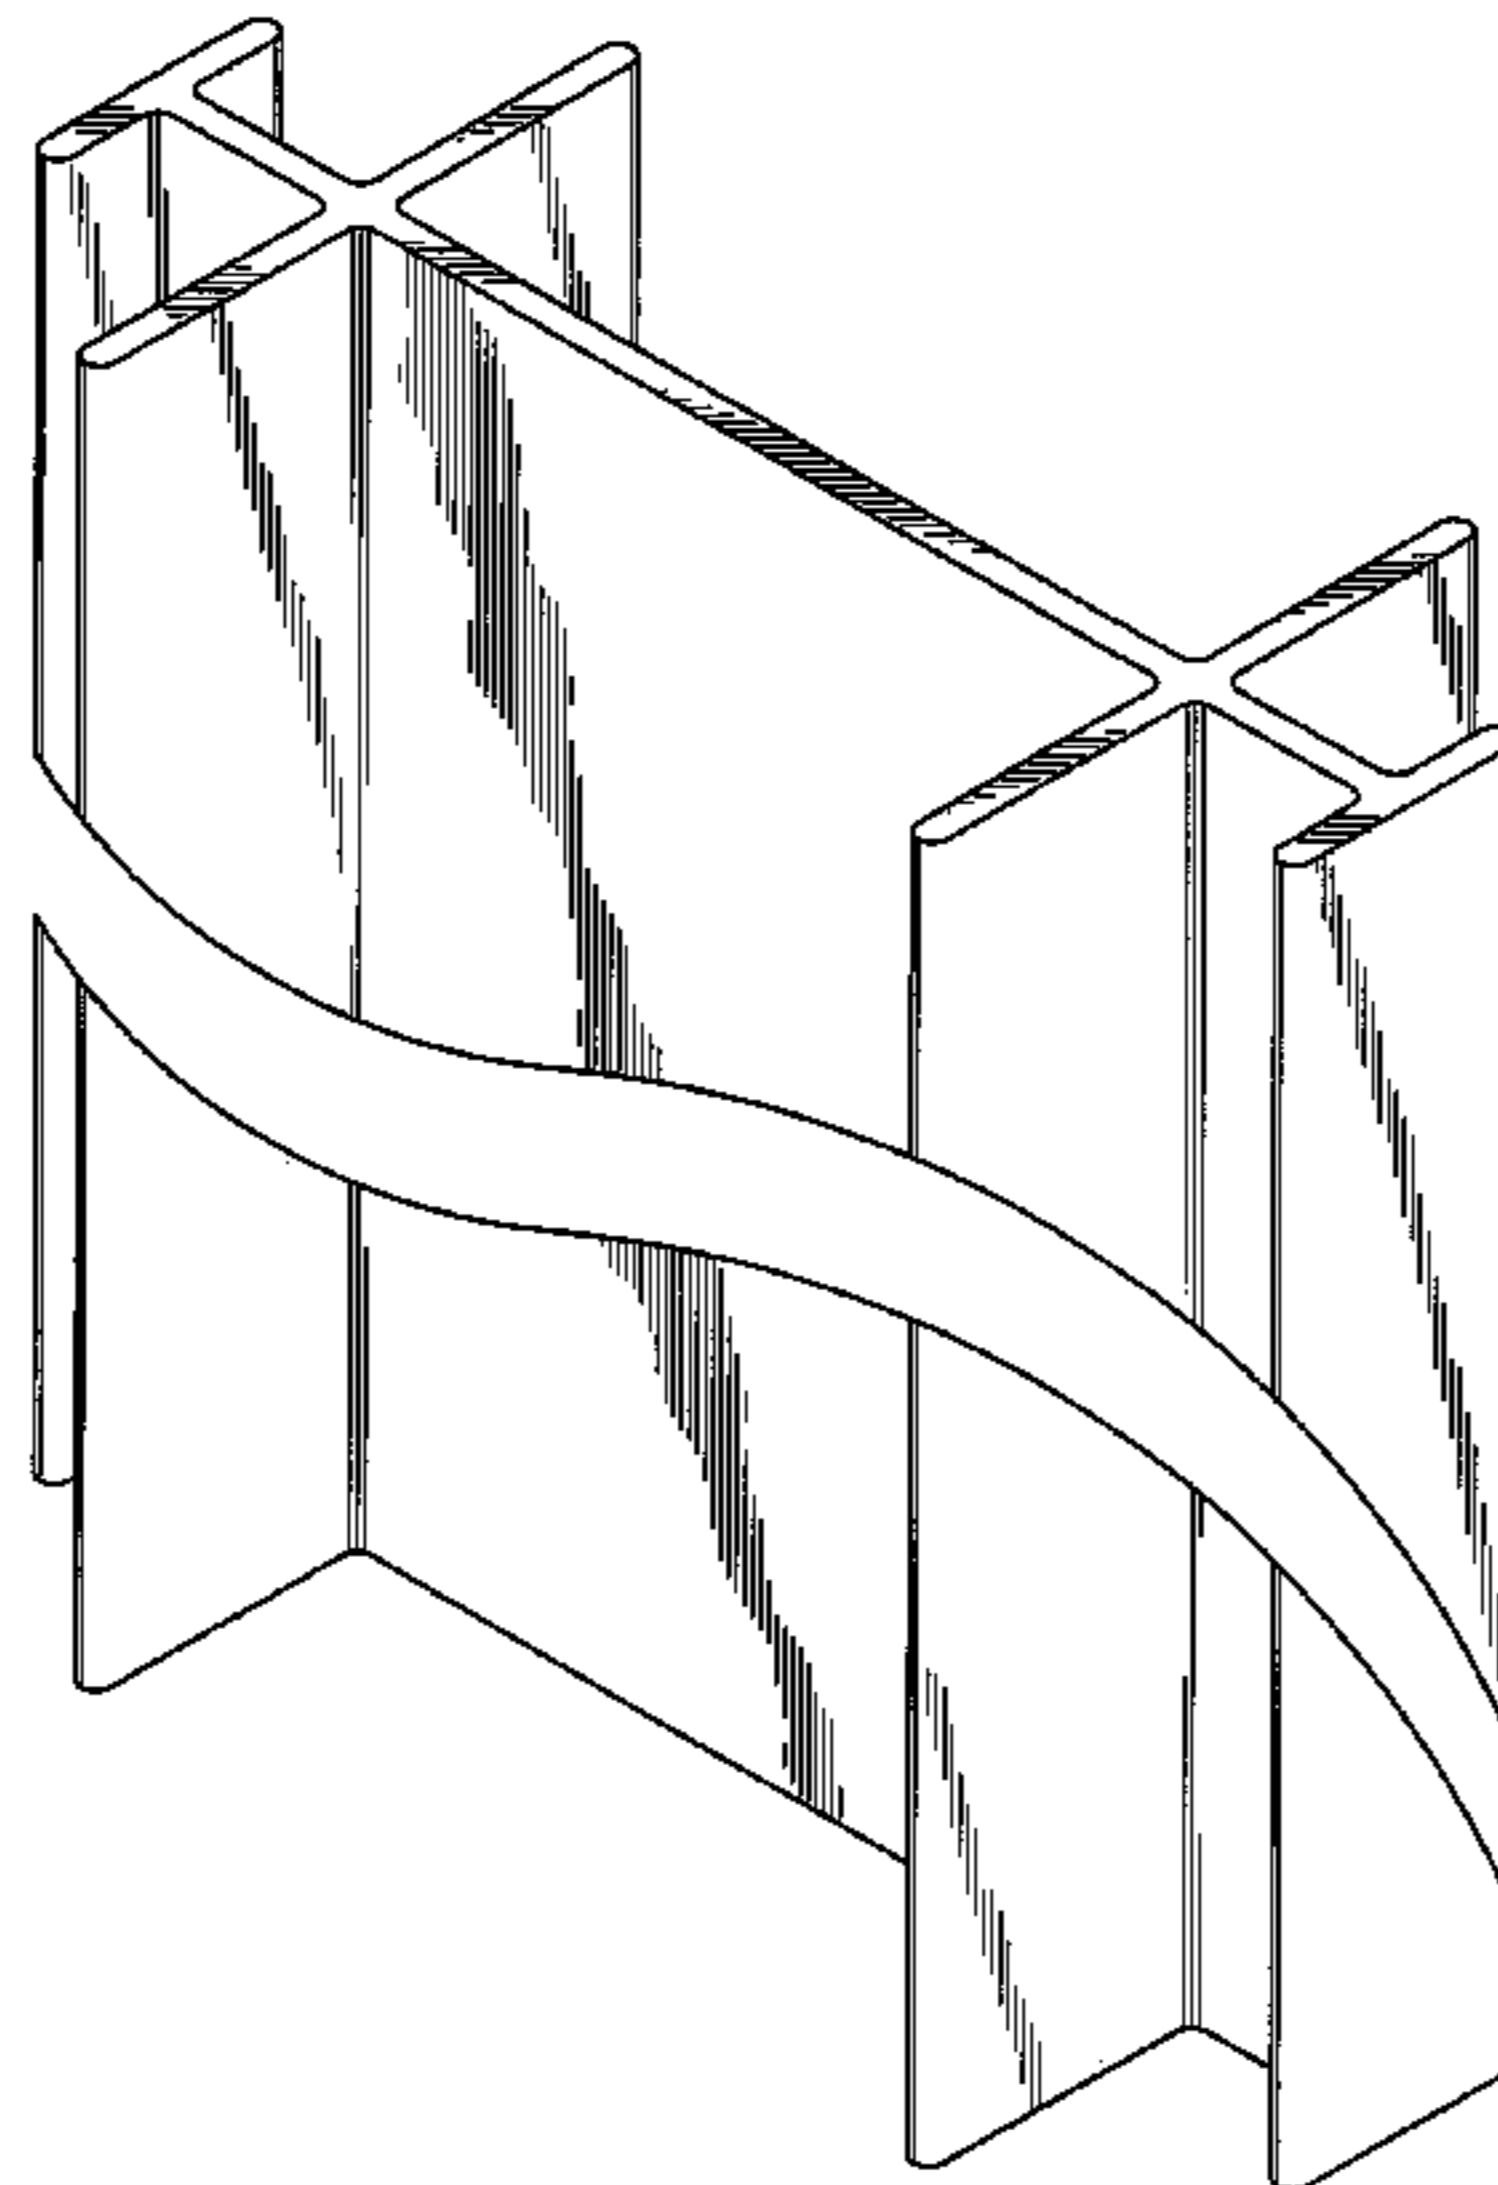

FIG. 6 is a top view of the second embodiment. The bottom view is identical.

FIG. 7 is a left side view of the second embodiment. The right side view is identical; and,

FIG. 8 is a front view of the second embodiment. The rear view is identical.

In addition, the shading lines shown in all of the drawings represent the approximate three-dimensional contour of the design, and thus are not intended to indicate surface decoration.

1 Claim, 4 Drawing Sheets
