See application file for complete search history.

FIG. 1 is a front elevation view of a ceiling lining panel for an aircraft cabin showing our new design; and,

FIG. 2 is a front perspective view thereof.

In each of these Figures, the unshown portion of the ceiling lining panel for an aircraft cabin forms no part of the claimed design.

The evenly dashed broken lines in the drawings illustrate the portions of the design that form no part of the claim. The dot-dash broken lines in the drawings define the bounds of the claim and form no part thereof.
