(57) **CLAIM**

The ornamental design for a color icon for a display screen, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a color icon for a display screen showing our new design.

The broken line showing of the display screen is for environmental purposes only and forms no part of the claimed design.
