(57) **CLAIM**

We claim the ornamental design for a medical dressing, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a medical dressing comprising an absorbent and a transparent top layer overlying the top of the absorbent.

FIG. 2 is a top plan view of the absorbent portion of the medical dressing without the transparent protective covering;

FIG. 3 is a bottom plan view of the medical dressing showing the absorbent and a transparent protective cover overlying the bottom of the absorbent; and,

FIG. 4 is a bottom plan view of the absorbent portion of the medical dressing without the transparent protective covering.
