(57) **CLAIM**

The ornamental design for a portable jumpstart device, as shown and described herein.

**DESCRIPTION**

FIG. 1 is an isometric view of a portable jumpstart device in accordance with an embodiment of the invention.

FIG. 2 is a top view of a portable jumpstart device in accordance with an embodiment of the invention.

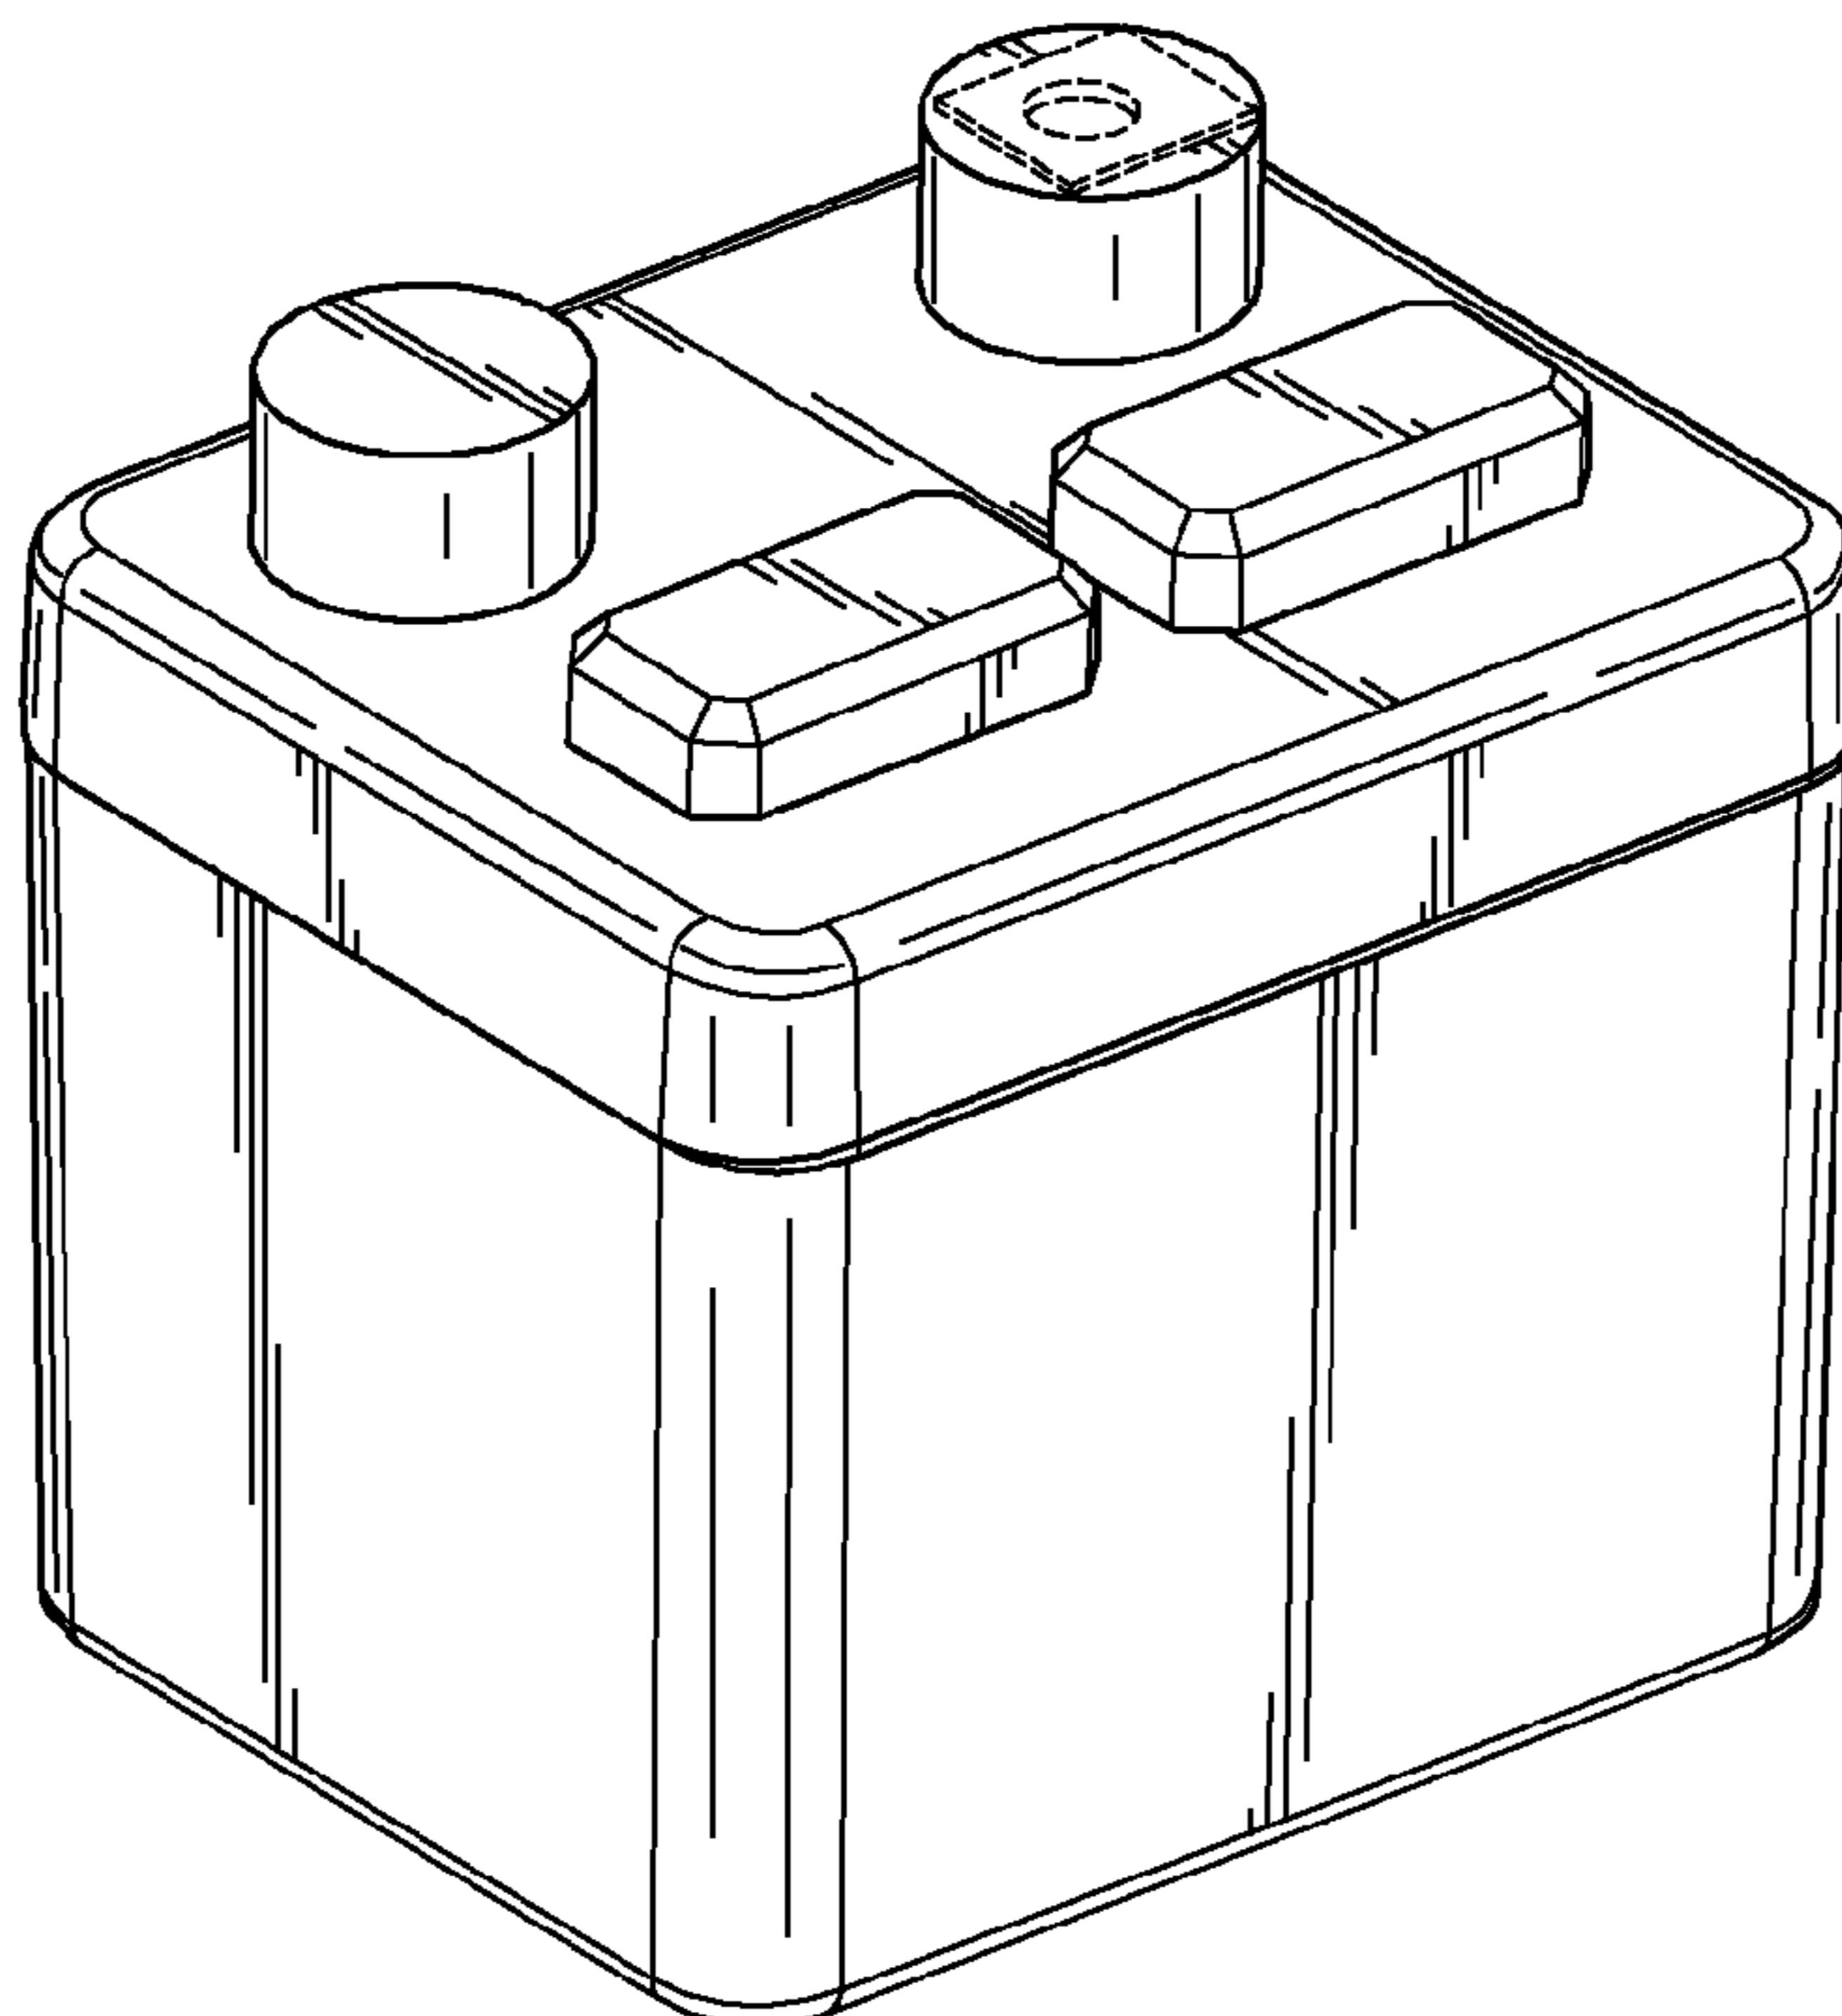

FIG. 3 is a frontal view of a portable jumpstart device in accordance with an embodiment of the invention.

FIG. 4 is a side view of a portable jumpstart device in accordance with an embodiment of the invention.

FIG. 5 is a rear view of a portable jumpstart device in accordance with an embodiment of the invention; and,

FIG. 6 is a bottom view of a portable jumpstart device in accordance with an embodiment of the invention.
