(57) **CLAIM**

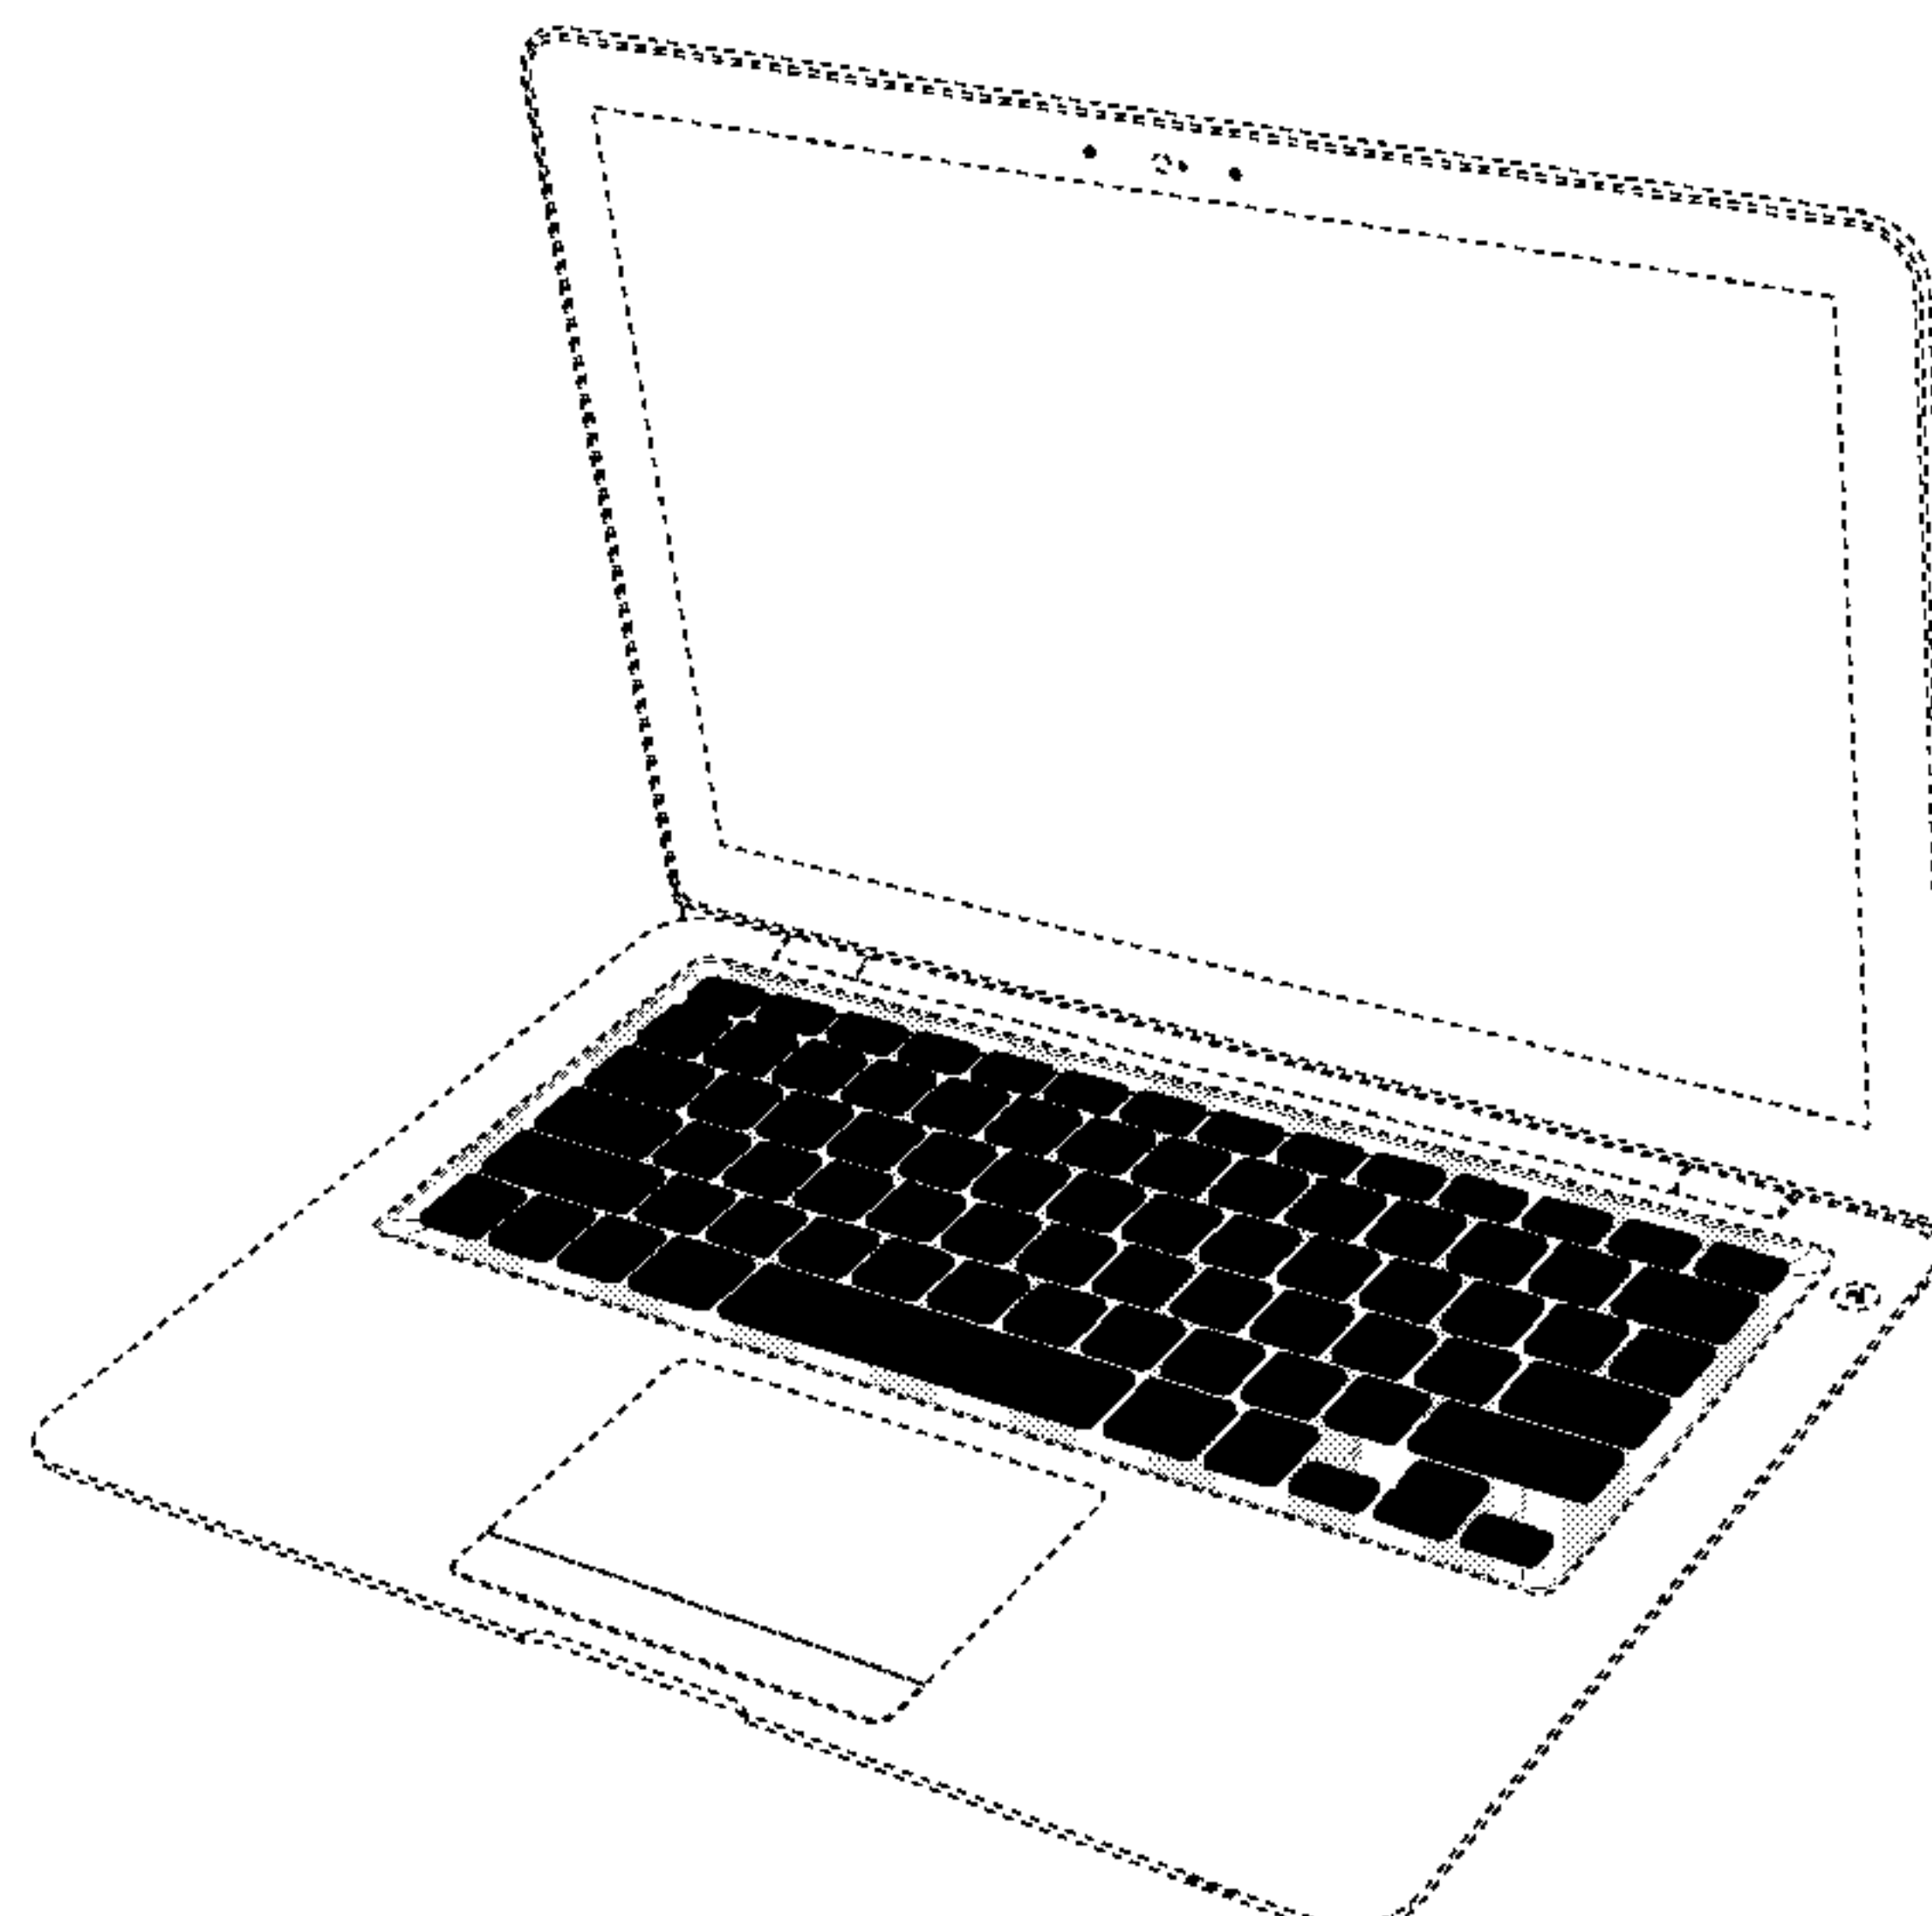

The ornamental design for an electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a top view of an electronic device showing our new design, with the electronic device shown in an open position; FIG. 2 is a top, front perspective view thereof; and, FIG. 3 is a left side view thereof.

The keys of the electronic device may be black. The portion of the electronic device shown in gray shading represents a metallic-looking surface that preferably contrasts with the black portions. All broken lines represent environmental subject matter that forms no part of the claimed design.
