(57) **CLAIM**

The ornamental design for a sunglasses lanyard, as shown.

**DESCRIPTION**

FIG. 1 is an environmental perspective view of a sunglasses lanyard showing my new design and showing a pair of sunglasses in phantom; the sunglasses forming no part of the claimed design;

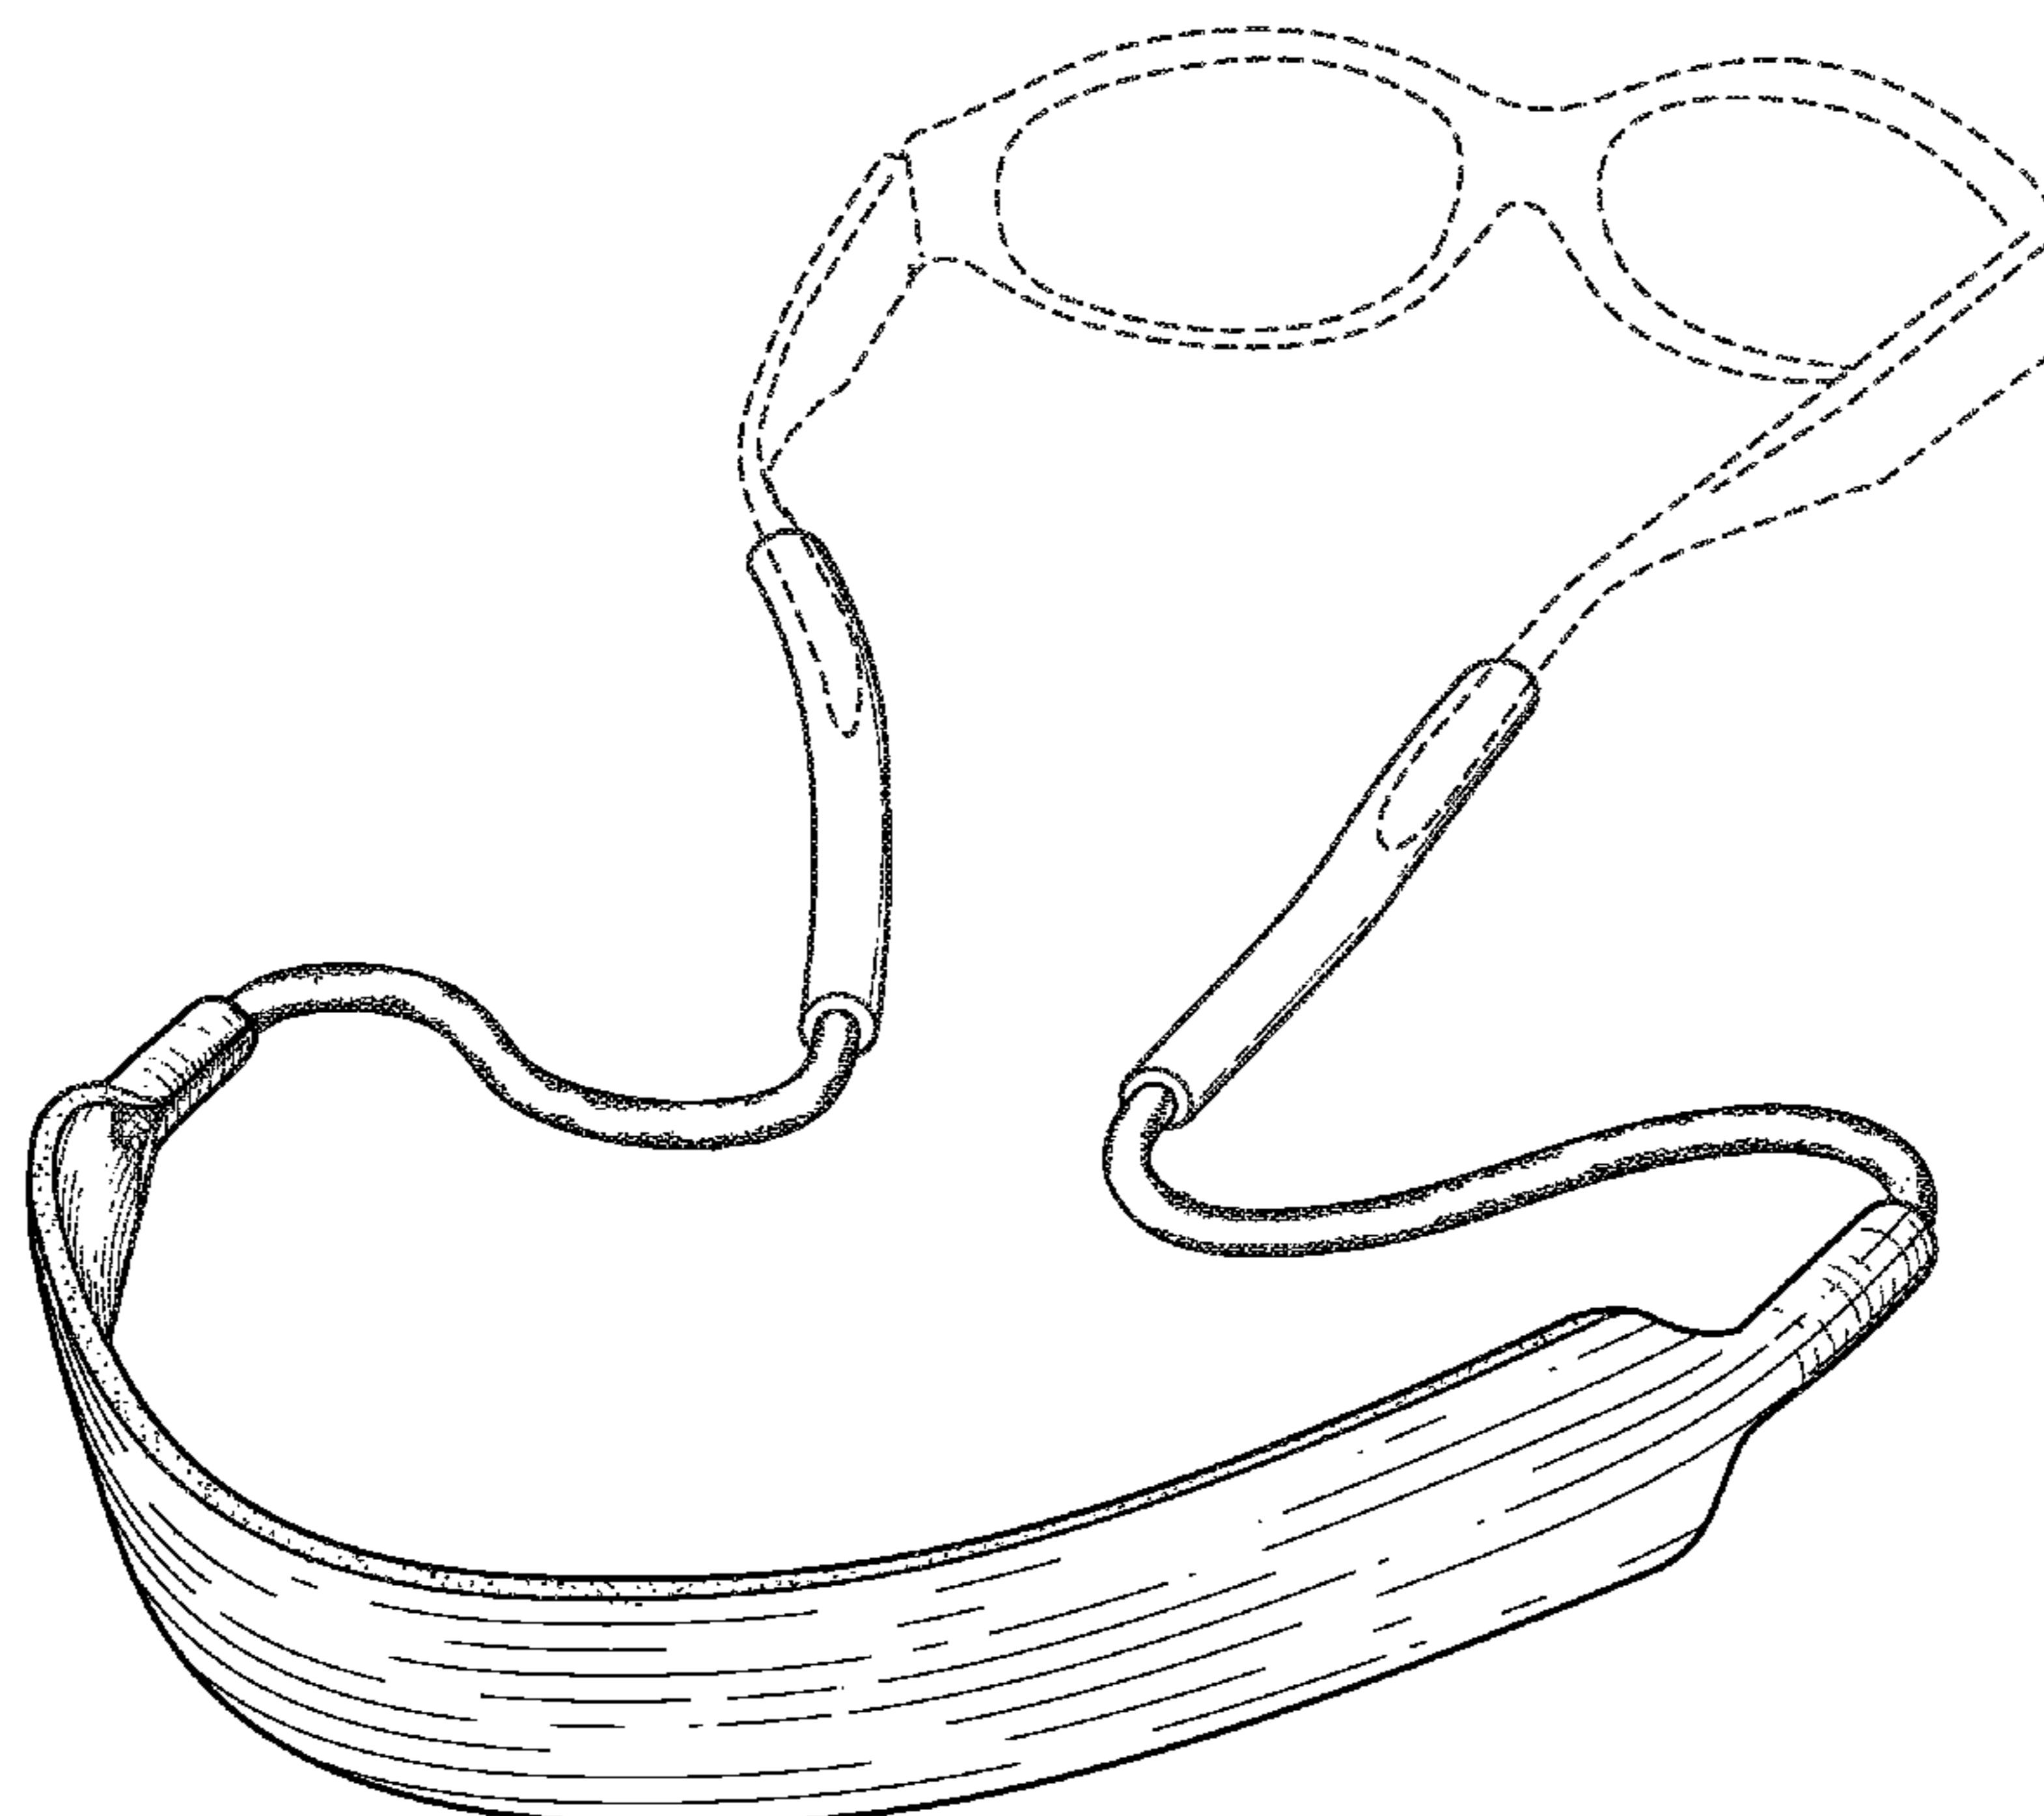

FIG. 2 is a first view of the sunglasses lanyard laid flat and enlarged by showing the lateral portions using match lines;

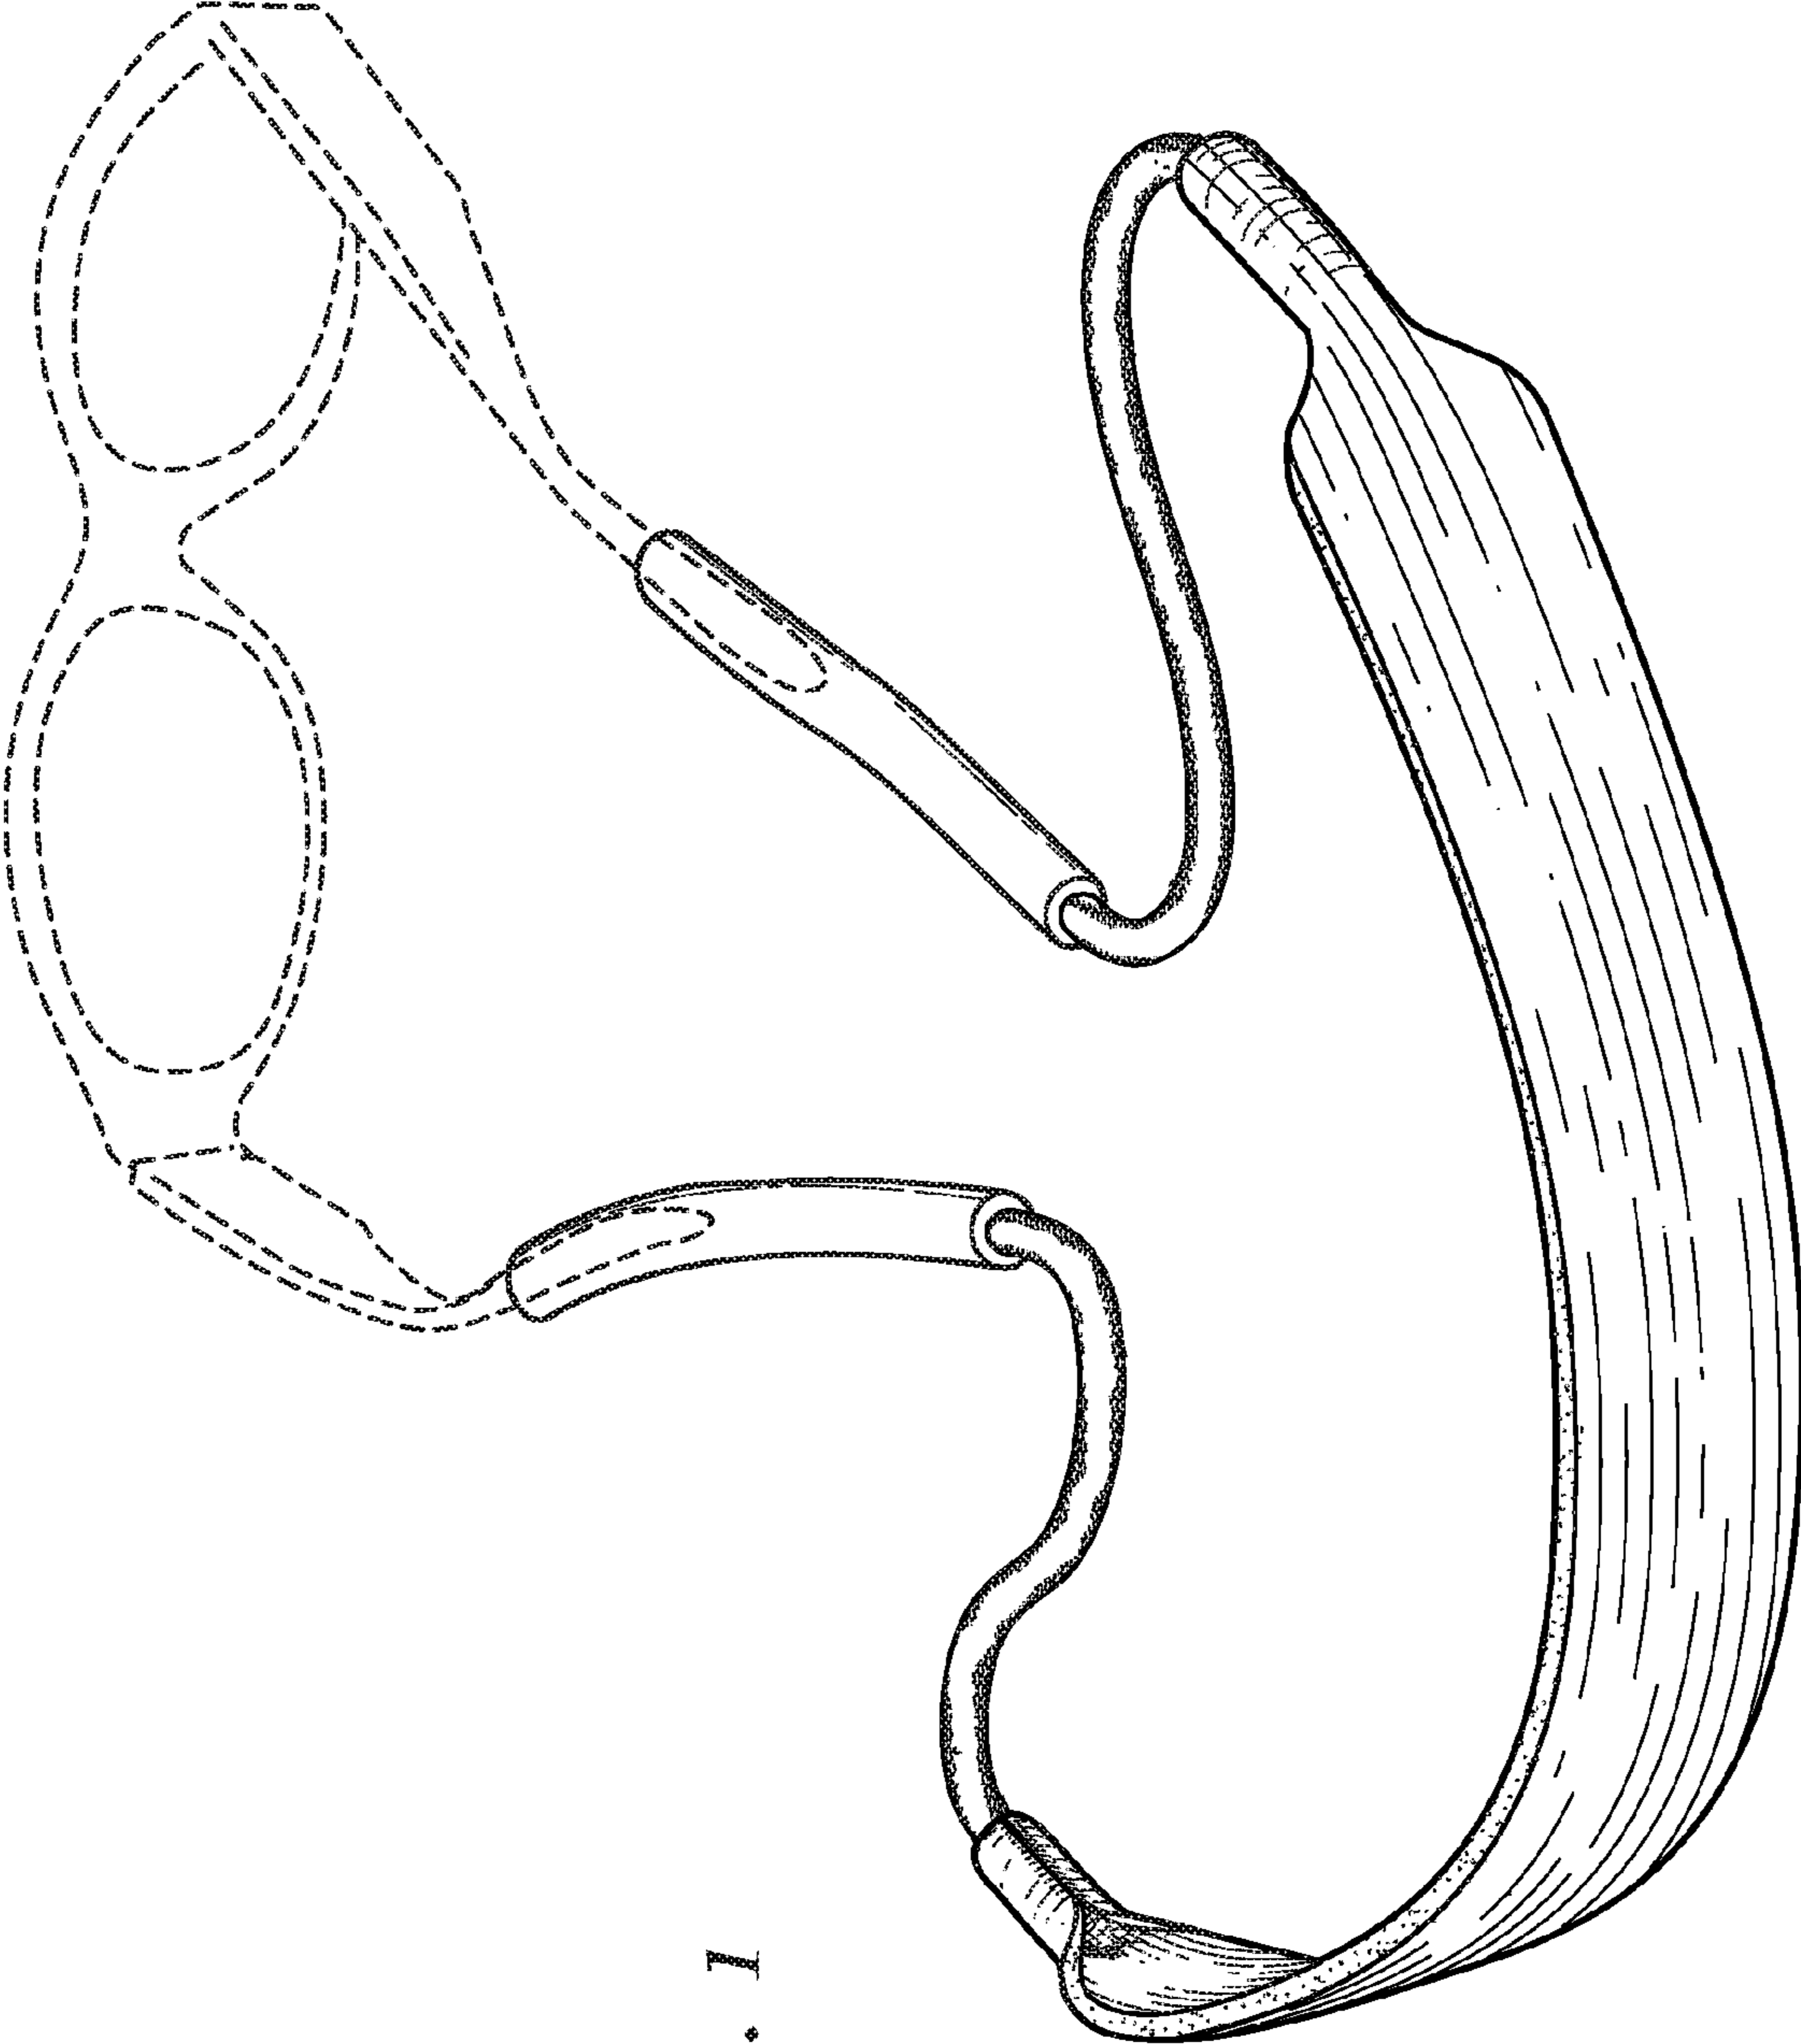

FIG. 3 is a second view of the sunglasses lanyard laid flat and enlarged by showing the lateral portions using match lines;

FIG. 4 is a third view of the sunglasses lanyard laid flat and enlarged by showing the lateral portions using match lines; and,

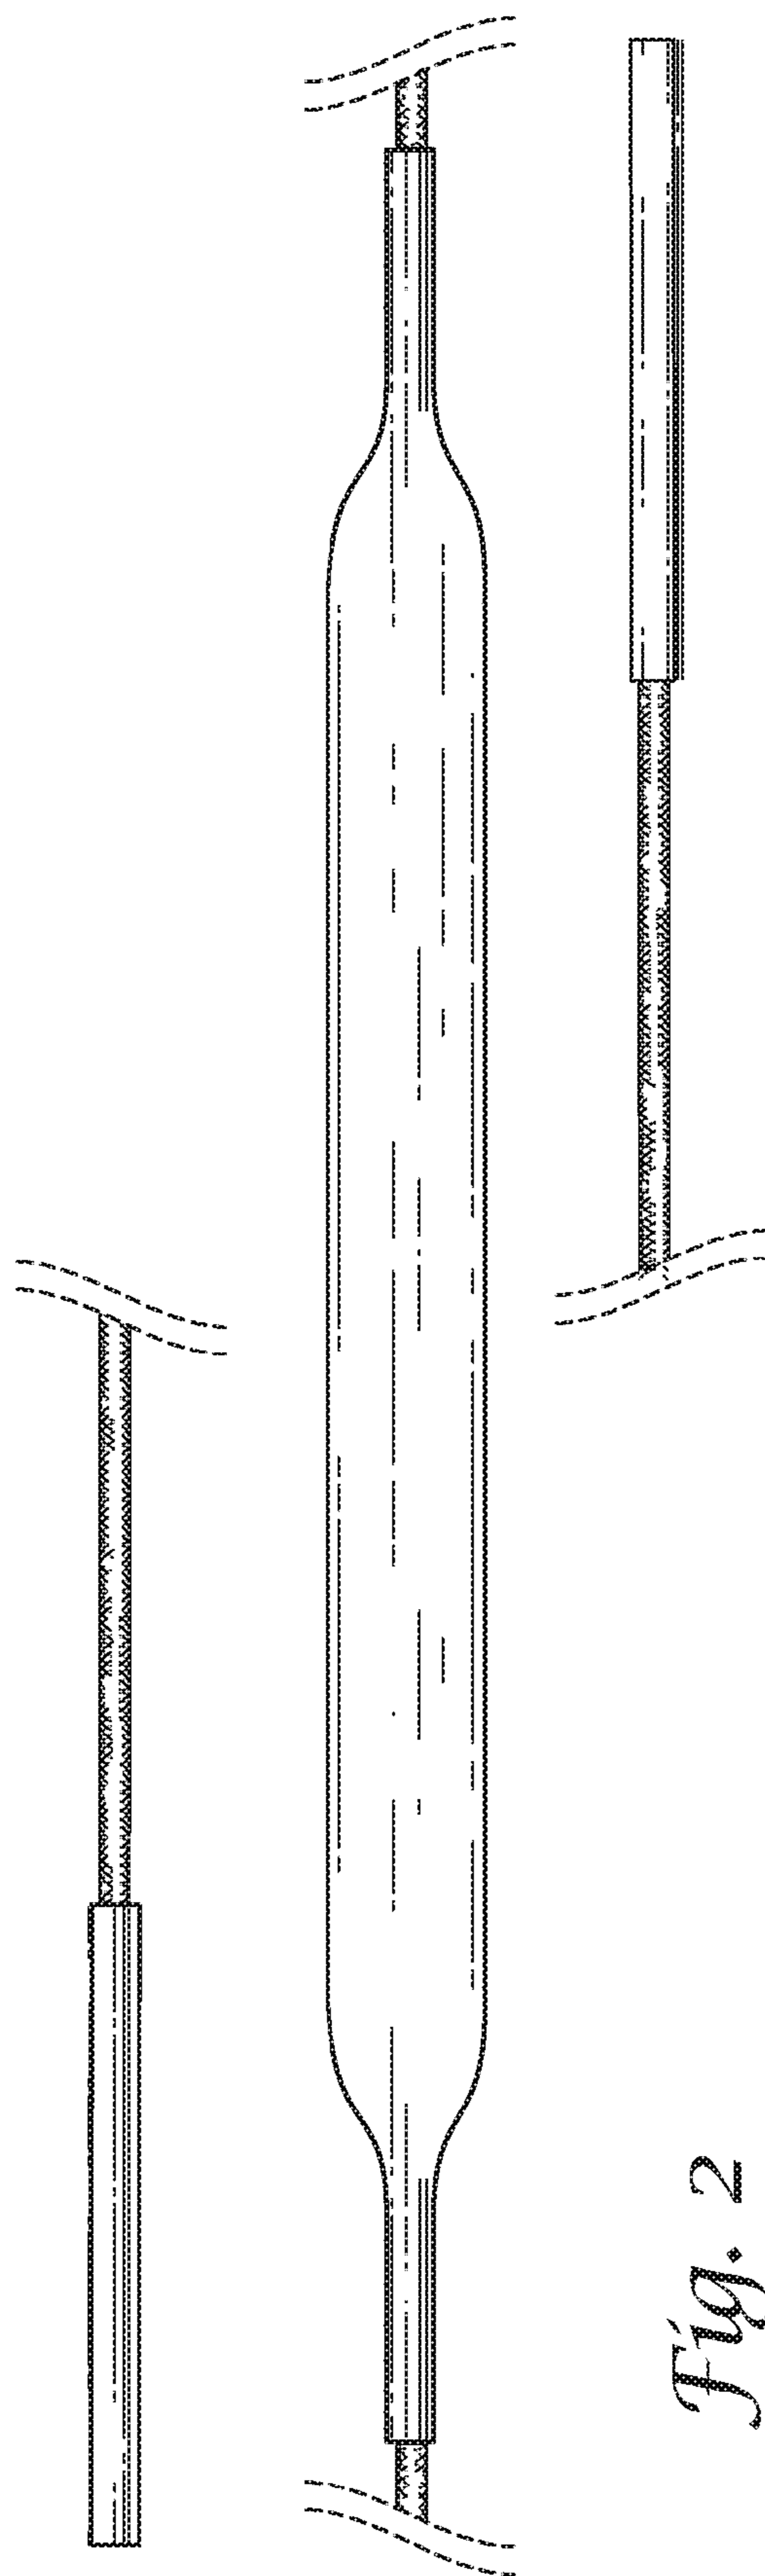

FIG. 5 is a first end view of the sunglasses lanyard laid flat, the opposing second end being the same in appearance as the first end.
