(57) **CLAIM**

The ornamental design for a luminaire, as shown and described.

**DESCRIPTION**

FIG. 1 is a lower perspective view of the luminaire of the present invention; and,

FIG. 2 is a bottom view of the design of the present invention.

The top and sides of the luminaire are unornamented. Therefore, the top and sides of the luminaire form no part of the claimed design and these views have been omitted.

The broken lines illustrate portions of the luminaire which form no part of the claimed design.
