(57) **CLAIM**

I claim the ornamental design for the combined timepiece dial and hand, as shown and described.

DESCRIPTION

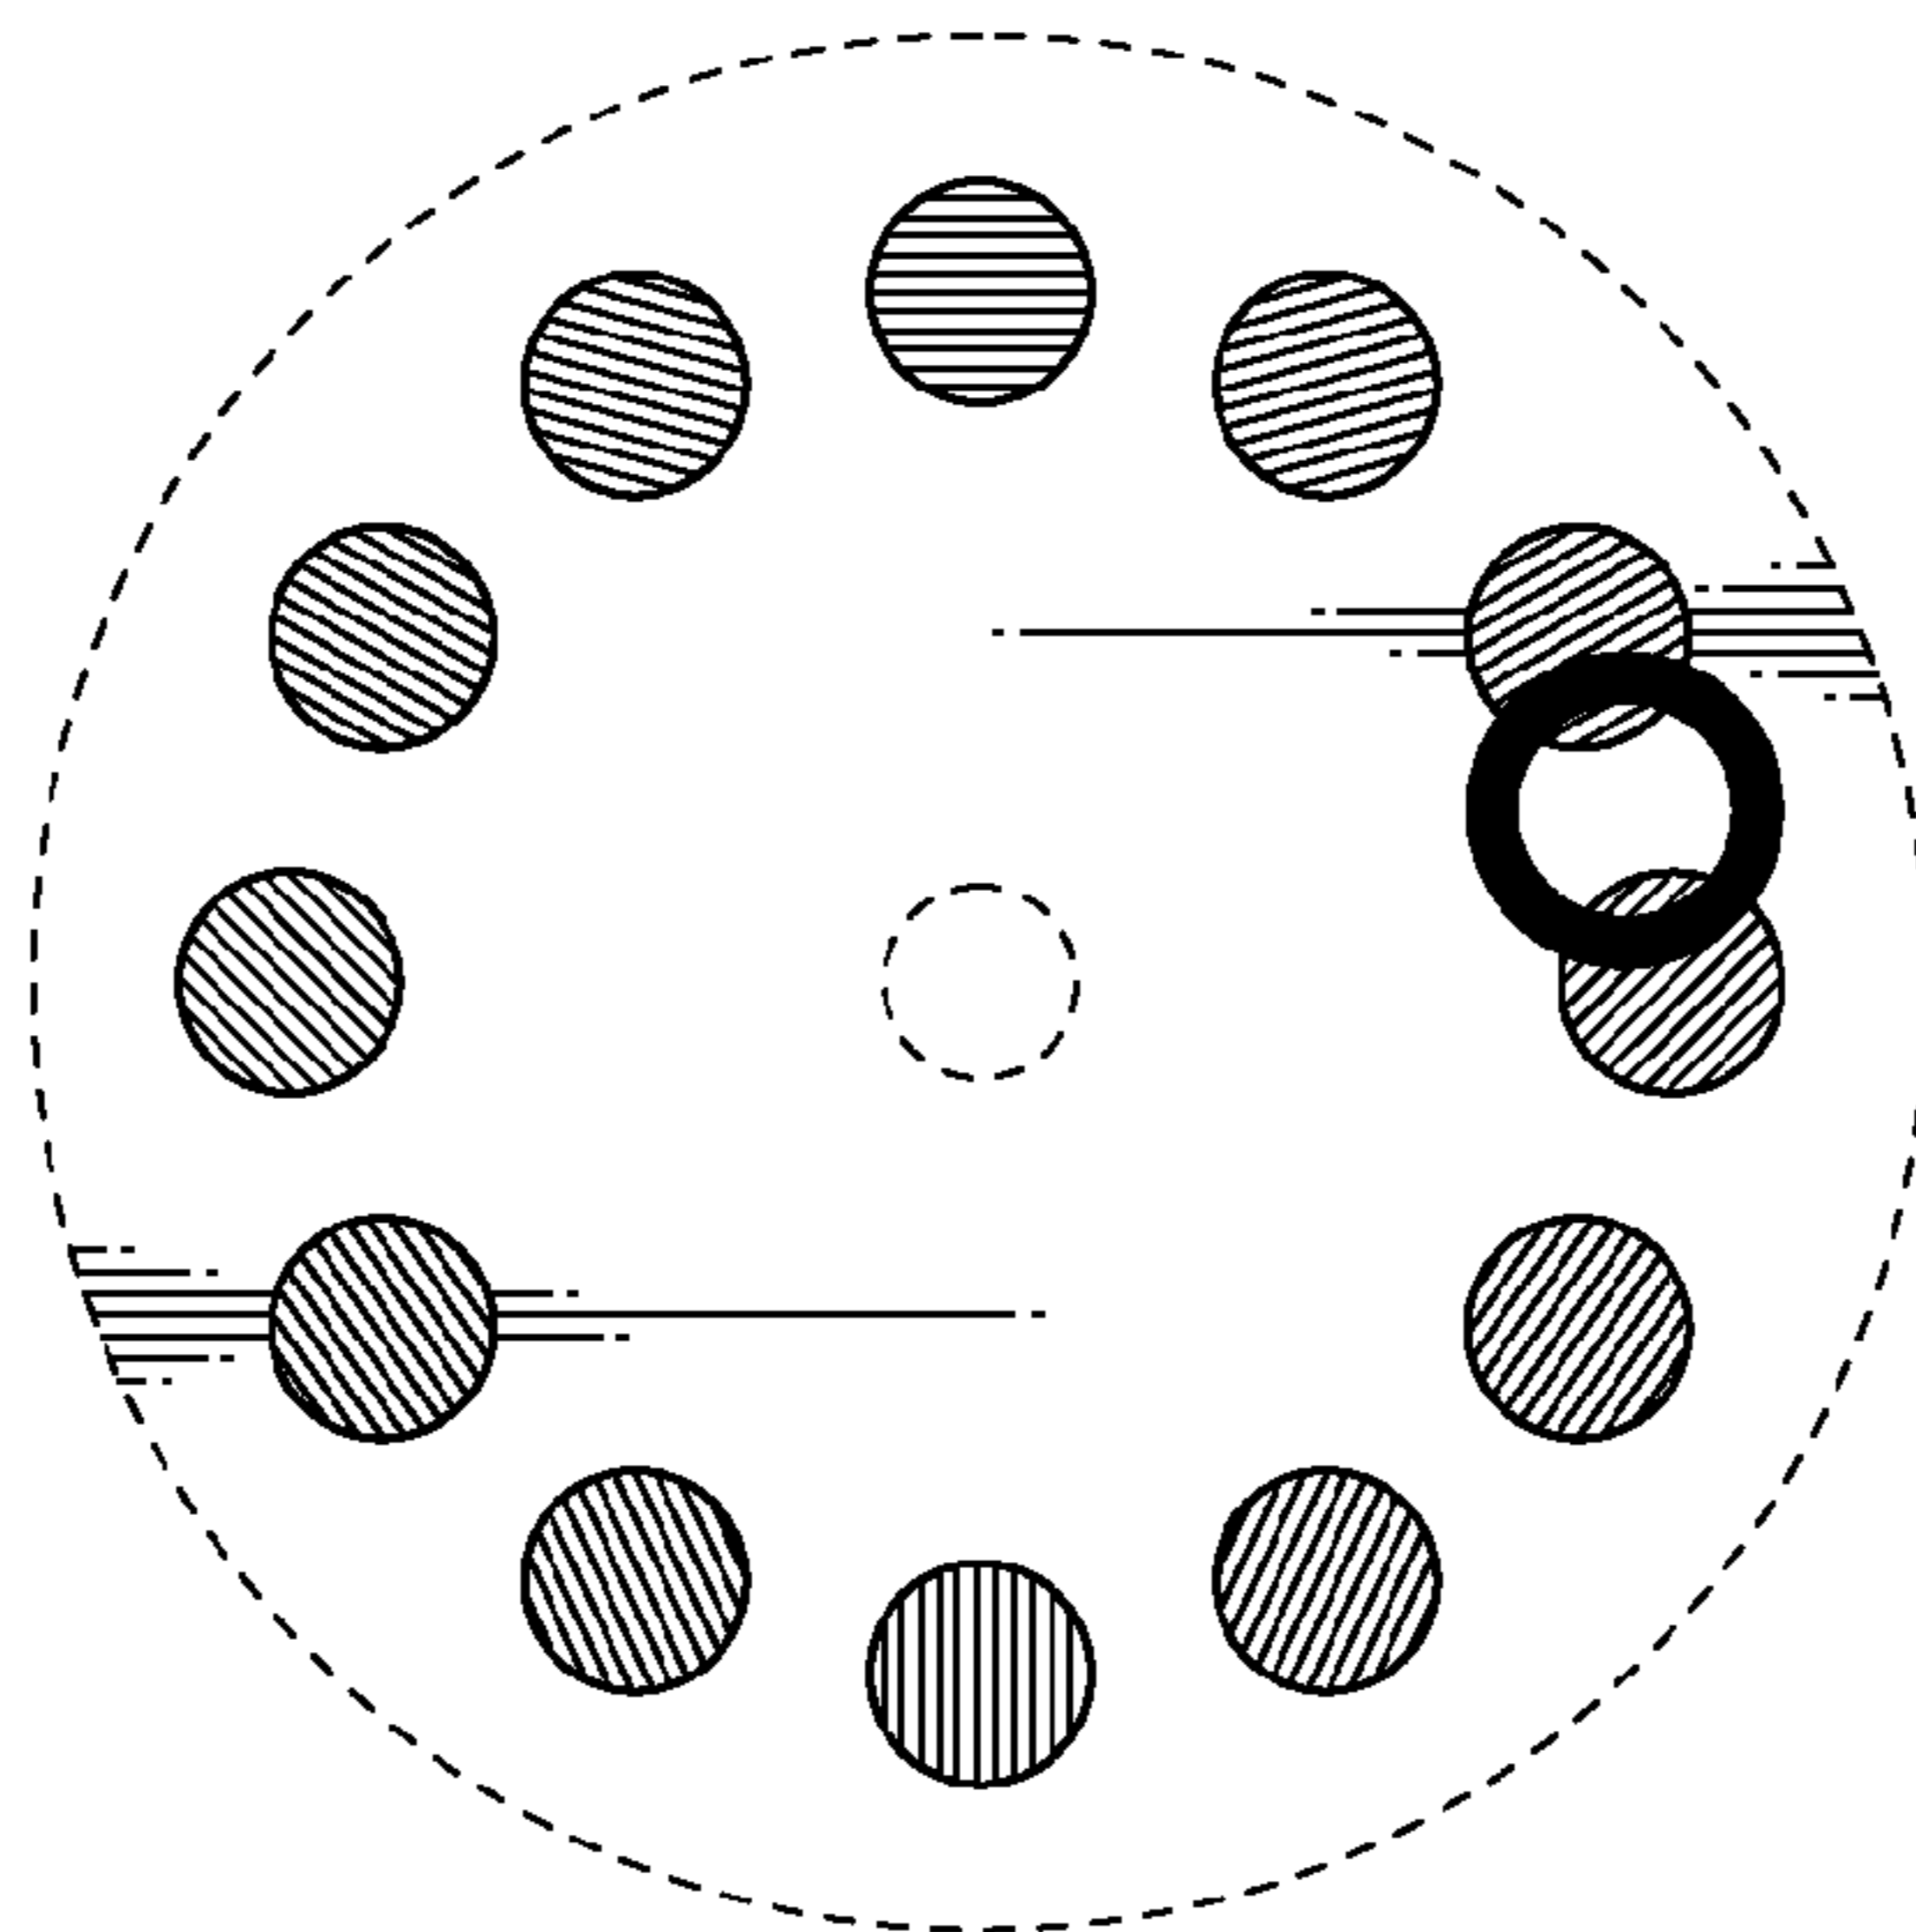

FIG. 1 is a front view of the combined timepiece dial and hand of my design shown in one position, indicative of the time of 12:00, and in one possible environment forming part of a wristwatch;

FIG. 2 is a front view of the combined timepiece dial and hand of my design shown in a first alternate position, indicative of the time of 2:30;

FIG. 3 is a front view of the combined timepiece dial and hand of my design shown in a second alternate position, indicative of the time of 6:45; and,

FIG. 4. is a cross-sectional view taken on line 4—4 in FIG. 1. The broken lines in the drawings are for illustrative purposes only and do not form part of the claimed design. The twelve different hour markers on the face of the timepiece dial are lined to indicate contrasting colors.
