212/327

**DESCRIPTION**

See application file for complete search history.

FIG. 1 is a top front perspective view of the cover for control panel for a construction machine.

FIG. 2 is a top plan view of the cover for control panel for a construction machine of FIG. 1.

FIG. 3 is a bottom view of the cover for control panel for a construction machine of FIG. 1. The broken lines in the center of the Figure are shown to define a boundary around a portion of the article which is not part of the claimed design. The area within the broken line boundary is not part of the claimed design.
