(57) **CLAIM**

The ornamental design for a ankle therapy device, as shown
and described.

DESCRIPTION

FIG. 1 is a top view of the ankle therapy device with the load
bearing member extended, showing my new design;

FIG. 2 is a left side view thereof with the load member
extended and oriented to the rear of the device, the right side
being a mirror image thereof;

FIG. 3 is a perspective view thereof with the with the load
bearing member extended and oriented to the front of the
device;

FIG. 4 is another top view thereof with the load bearing
member oriented to the side of the device;

FIG. 5 is a bottom view thereof with the load bearing member
retracted;

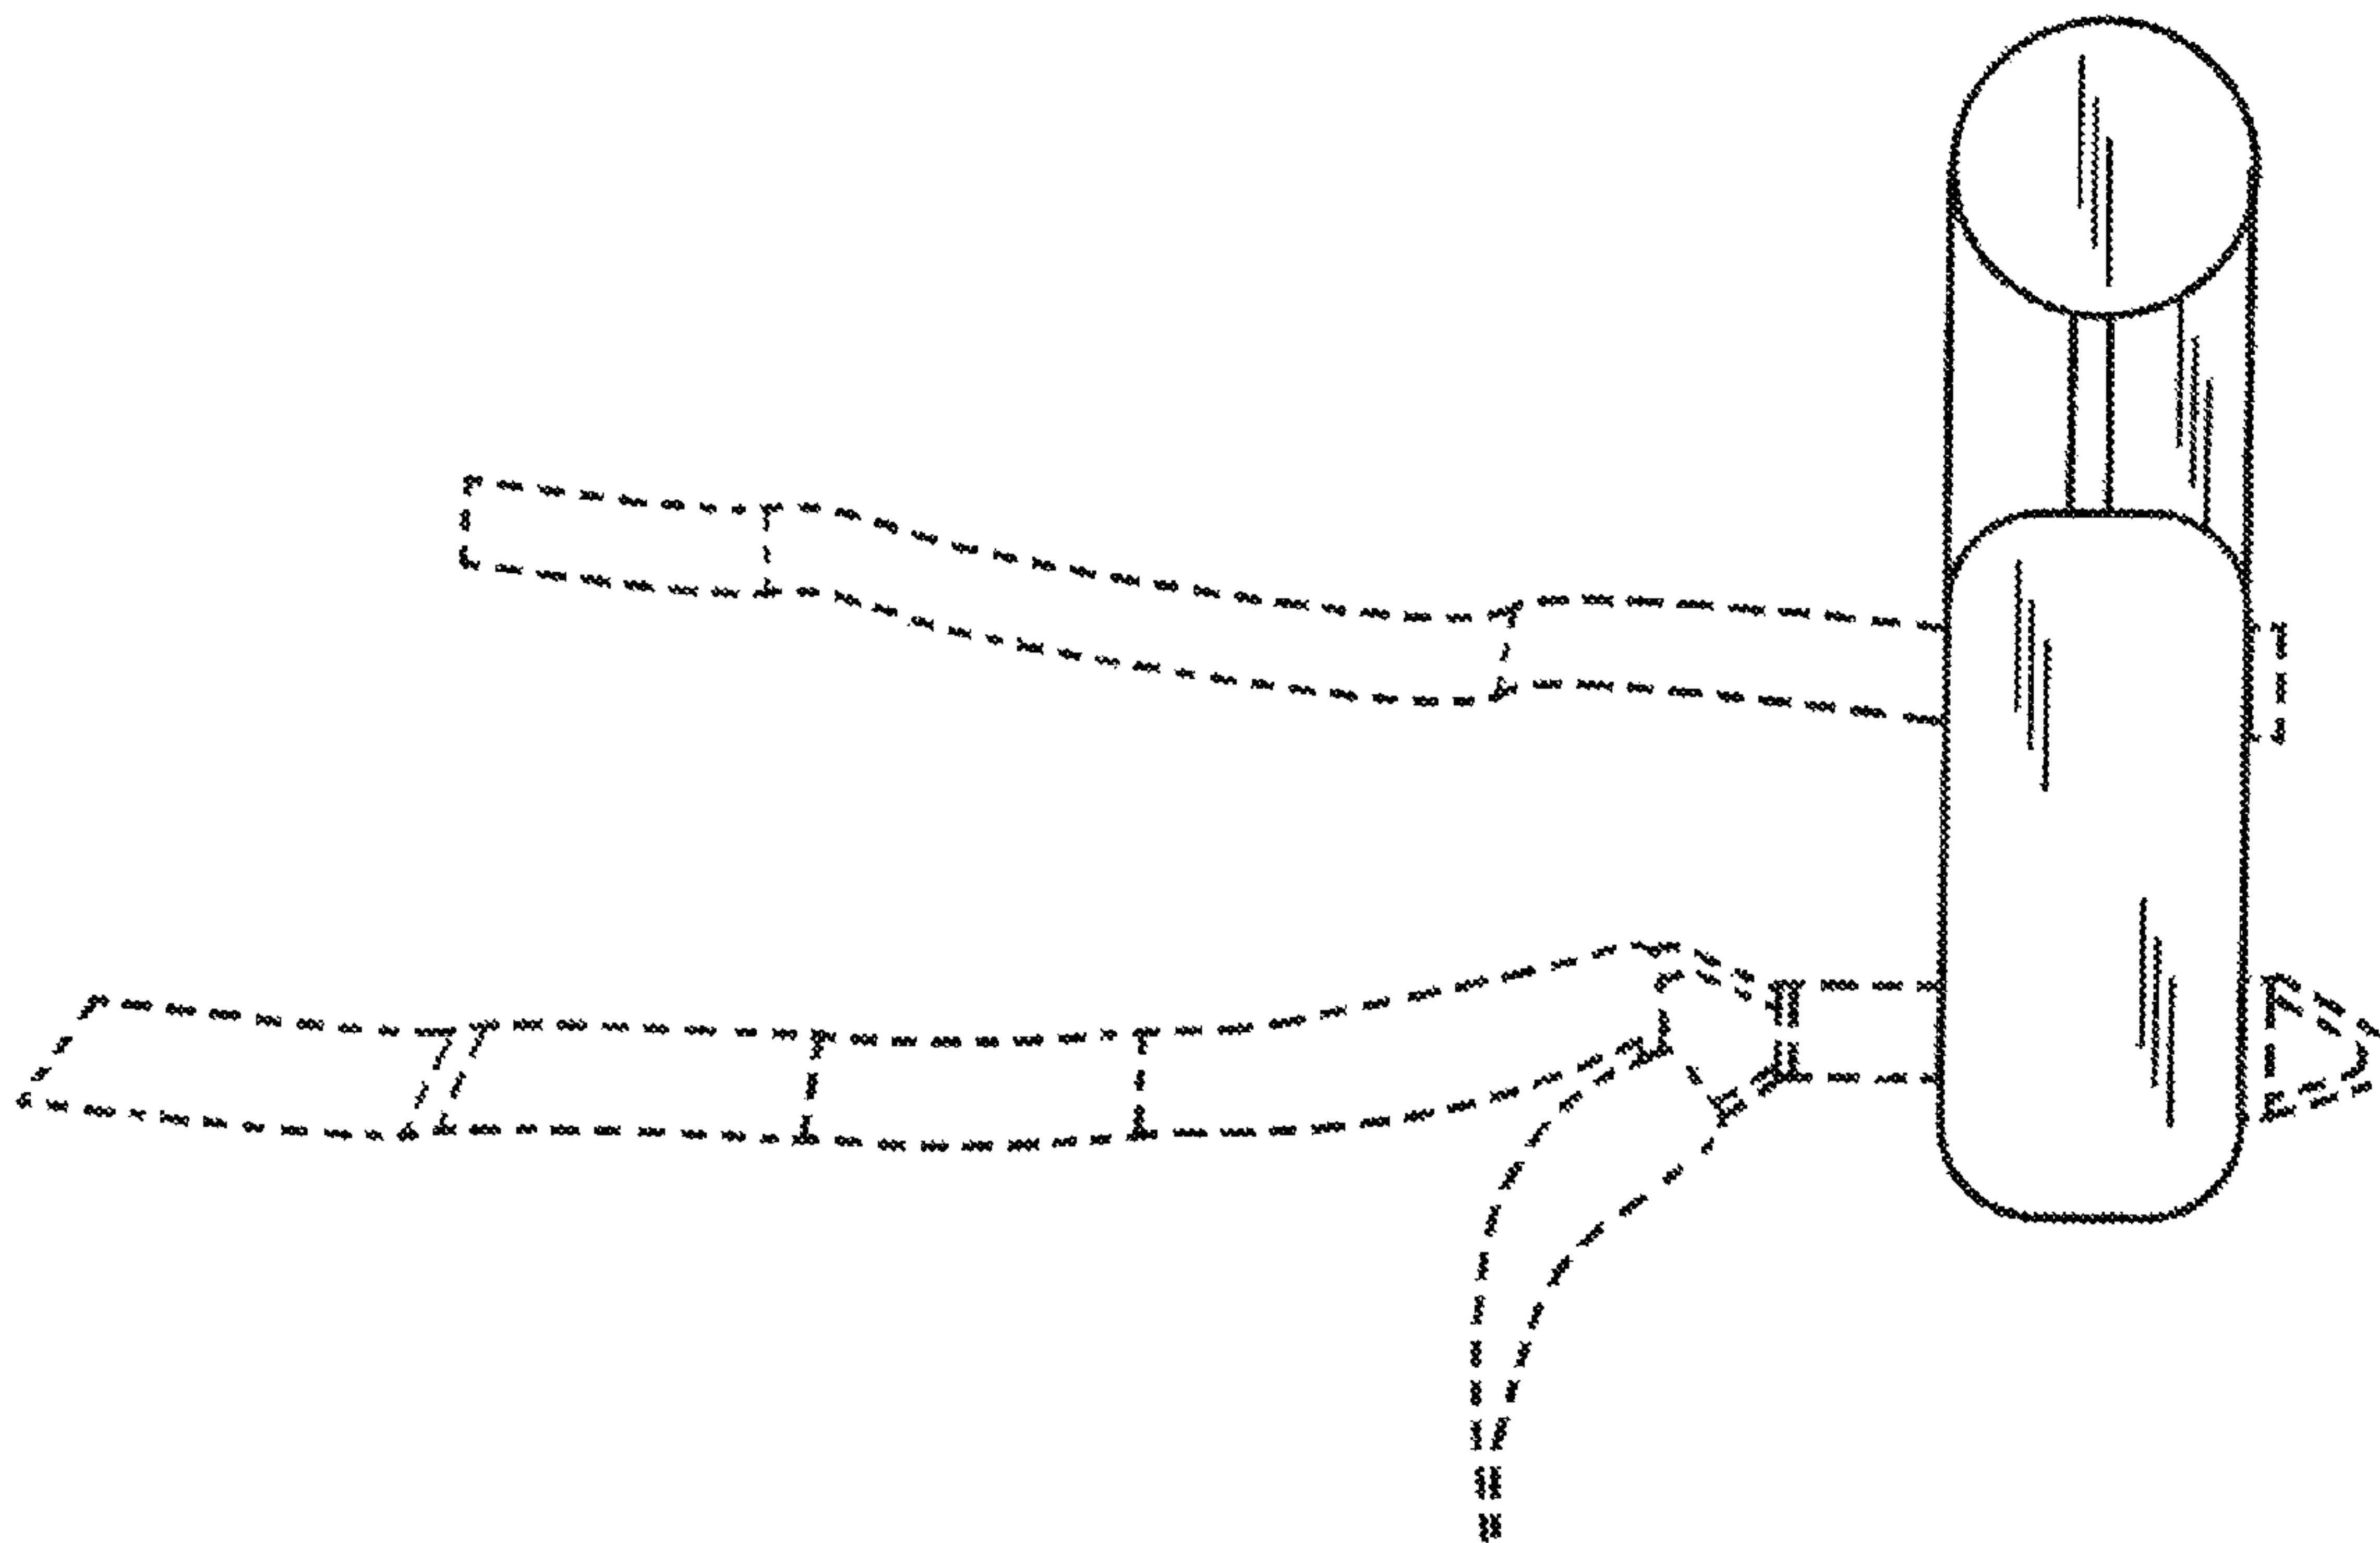

FIG. 6 is a top view thereof with the load bearing member
retracted;

FIG. 7 is a front view thereof; and,

FIG. 8 is a rear view thereof.

The portions of the device shown in broken lines form no part
of the claimed design.
