(57) **CLAIM**

I claim the ornamental design for a angled rolled plan rack, as shown and described.

DESCRIPTION

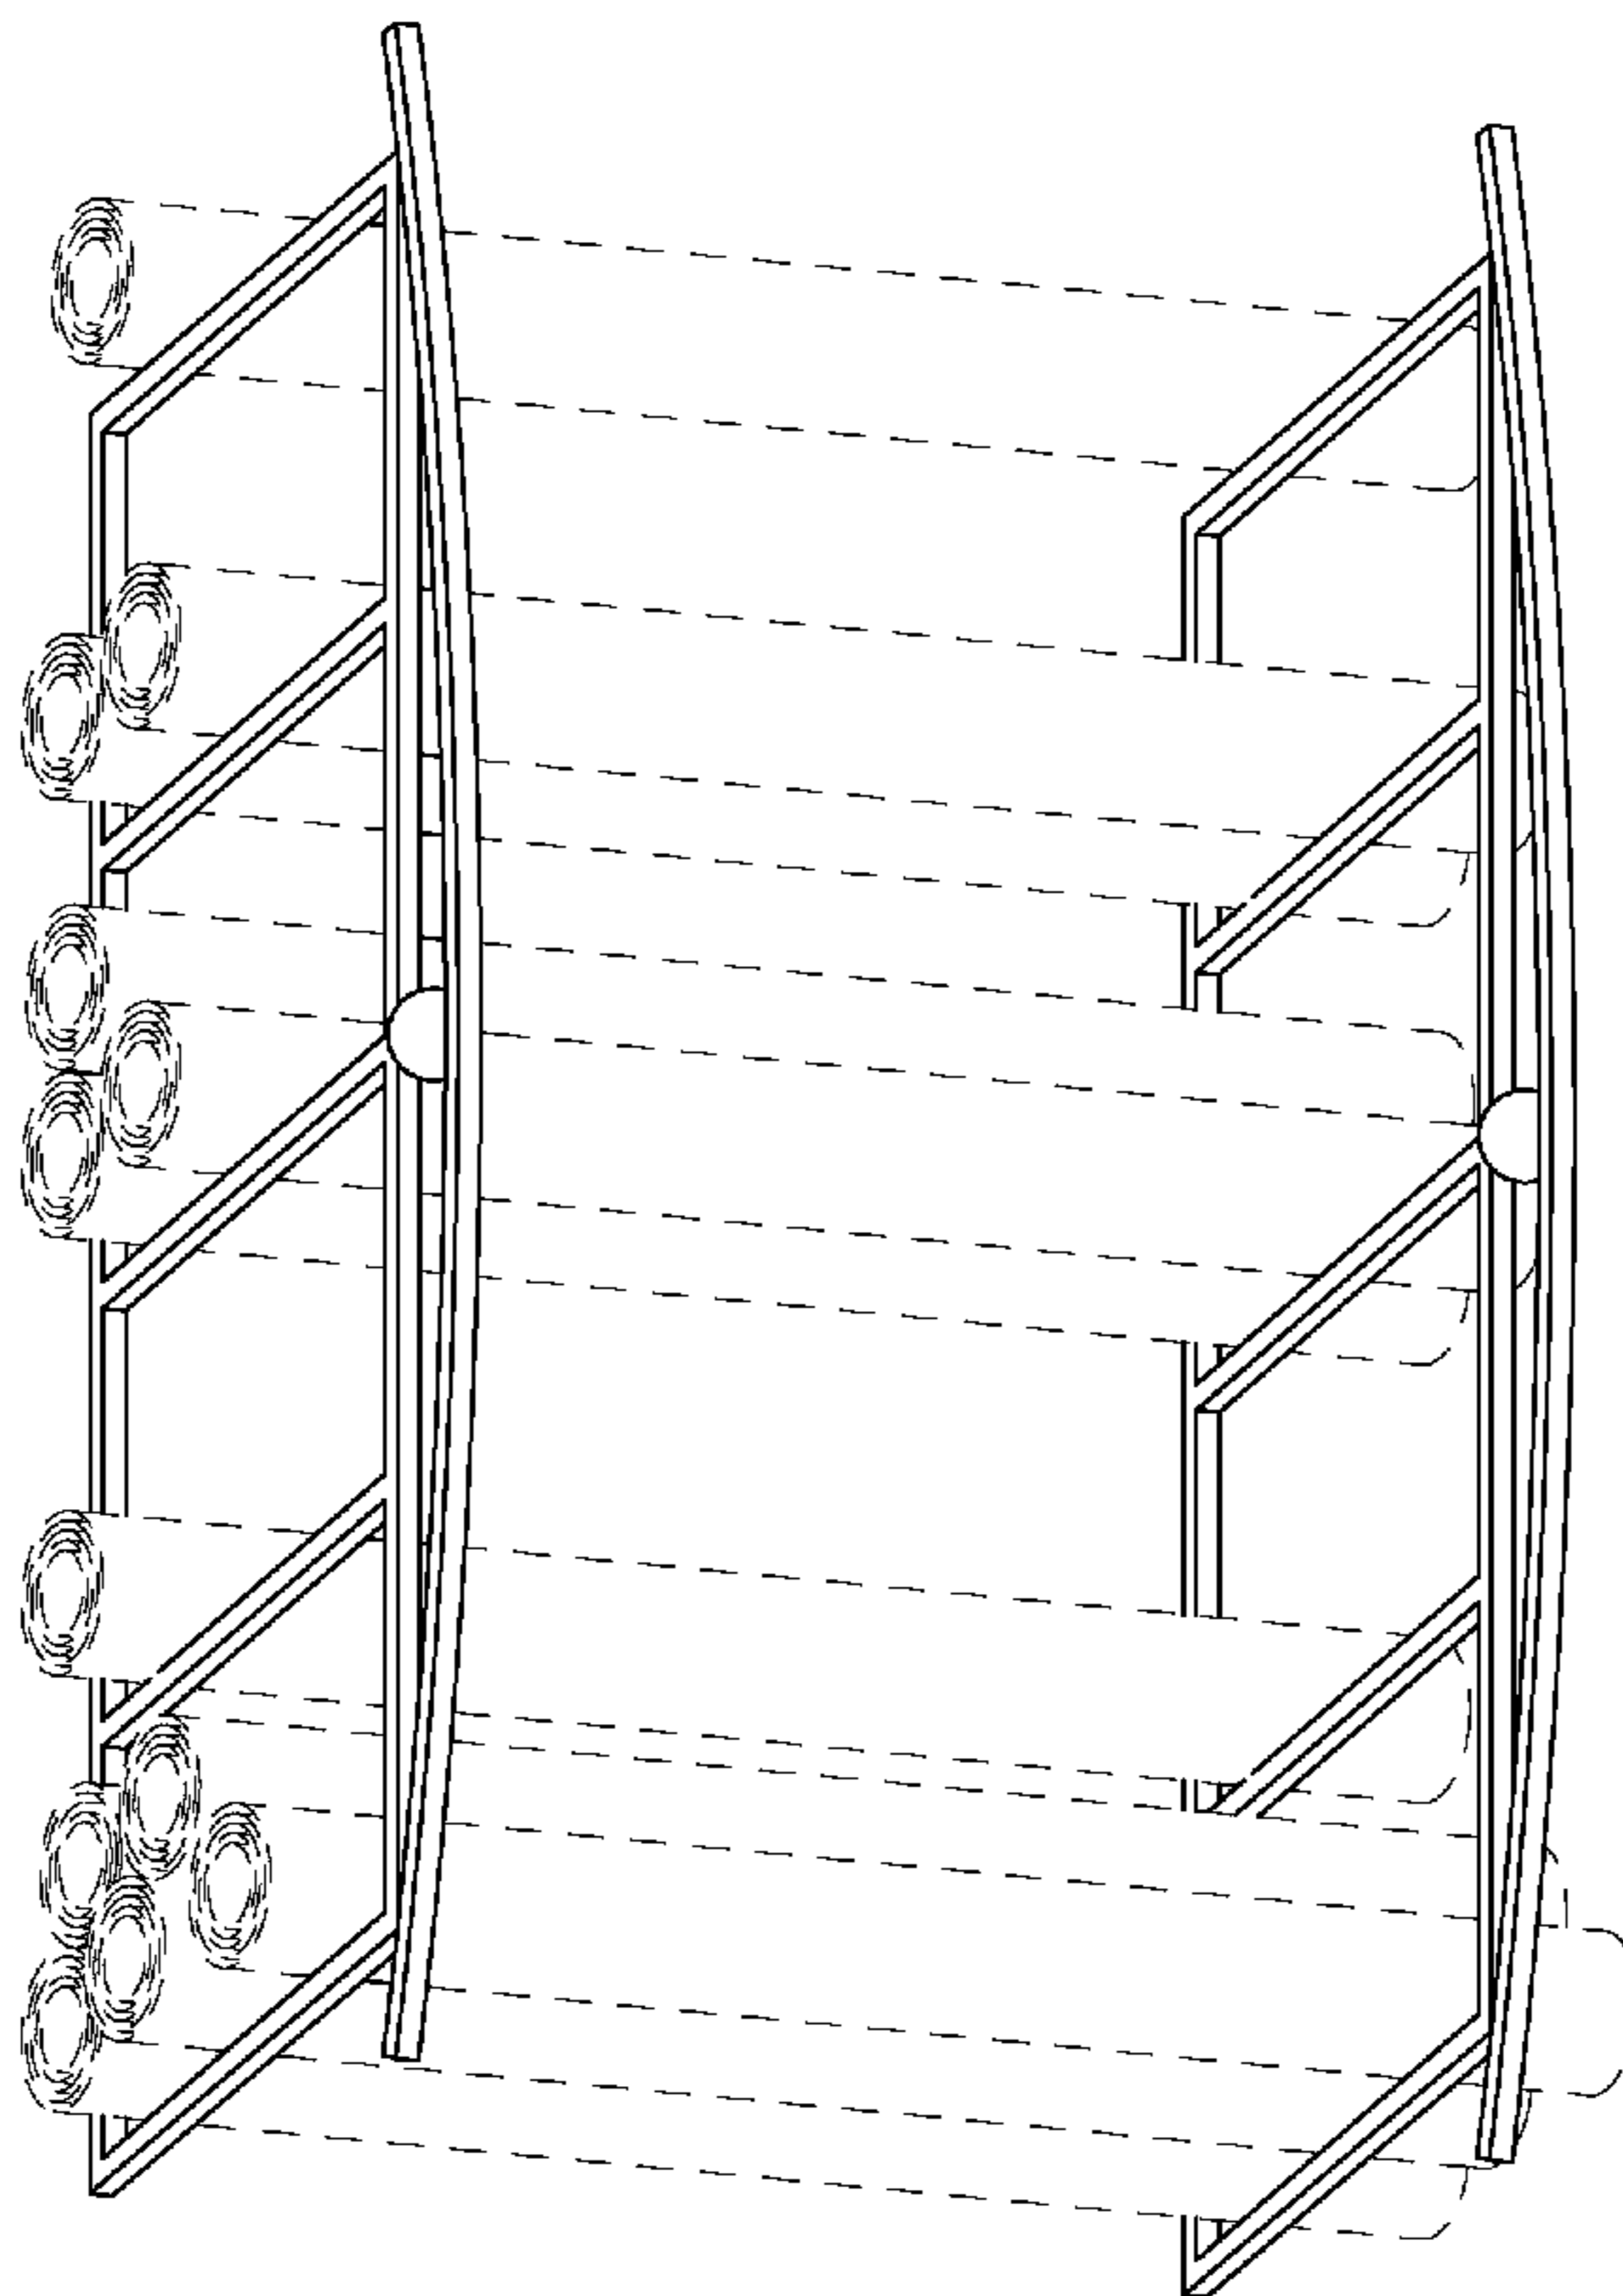

FIG. 1 shows a perspective view of the angled rolled plan rack with rolls of print media shown in broken lines resting on the rack.

FIG. 2 shows a perspective view of the rack shown in FIG. 1 without the rolls of print media; and,

FIG. 3 shows an elevation view of angled rolled plan rack with rolls of print media shown in broken lines resting on the rack.

In the drawings, the broken lines illustrate environment and form no part of the claimed design.
