(57) **CLAIM**

The ornamental design for crimping jaws for a crimping tool, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the crimping jaws for a crimping tool of my design;

FIG. 2 is a front elevational view thereof;

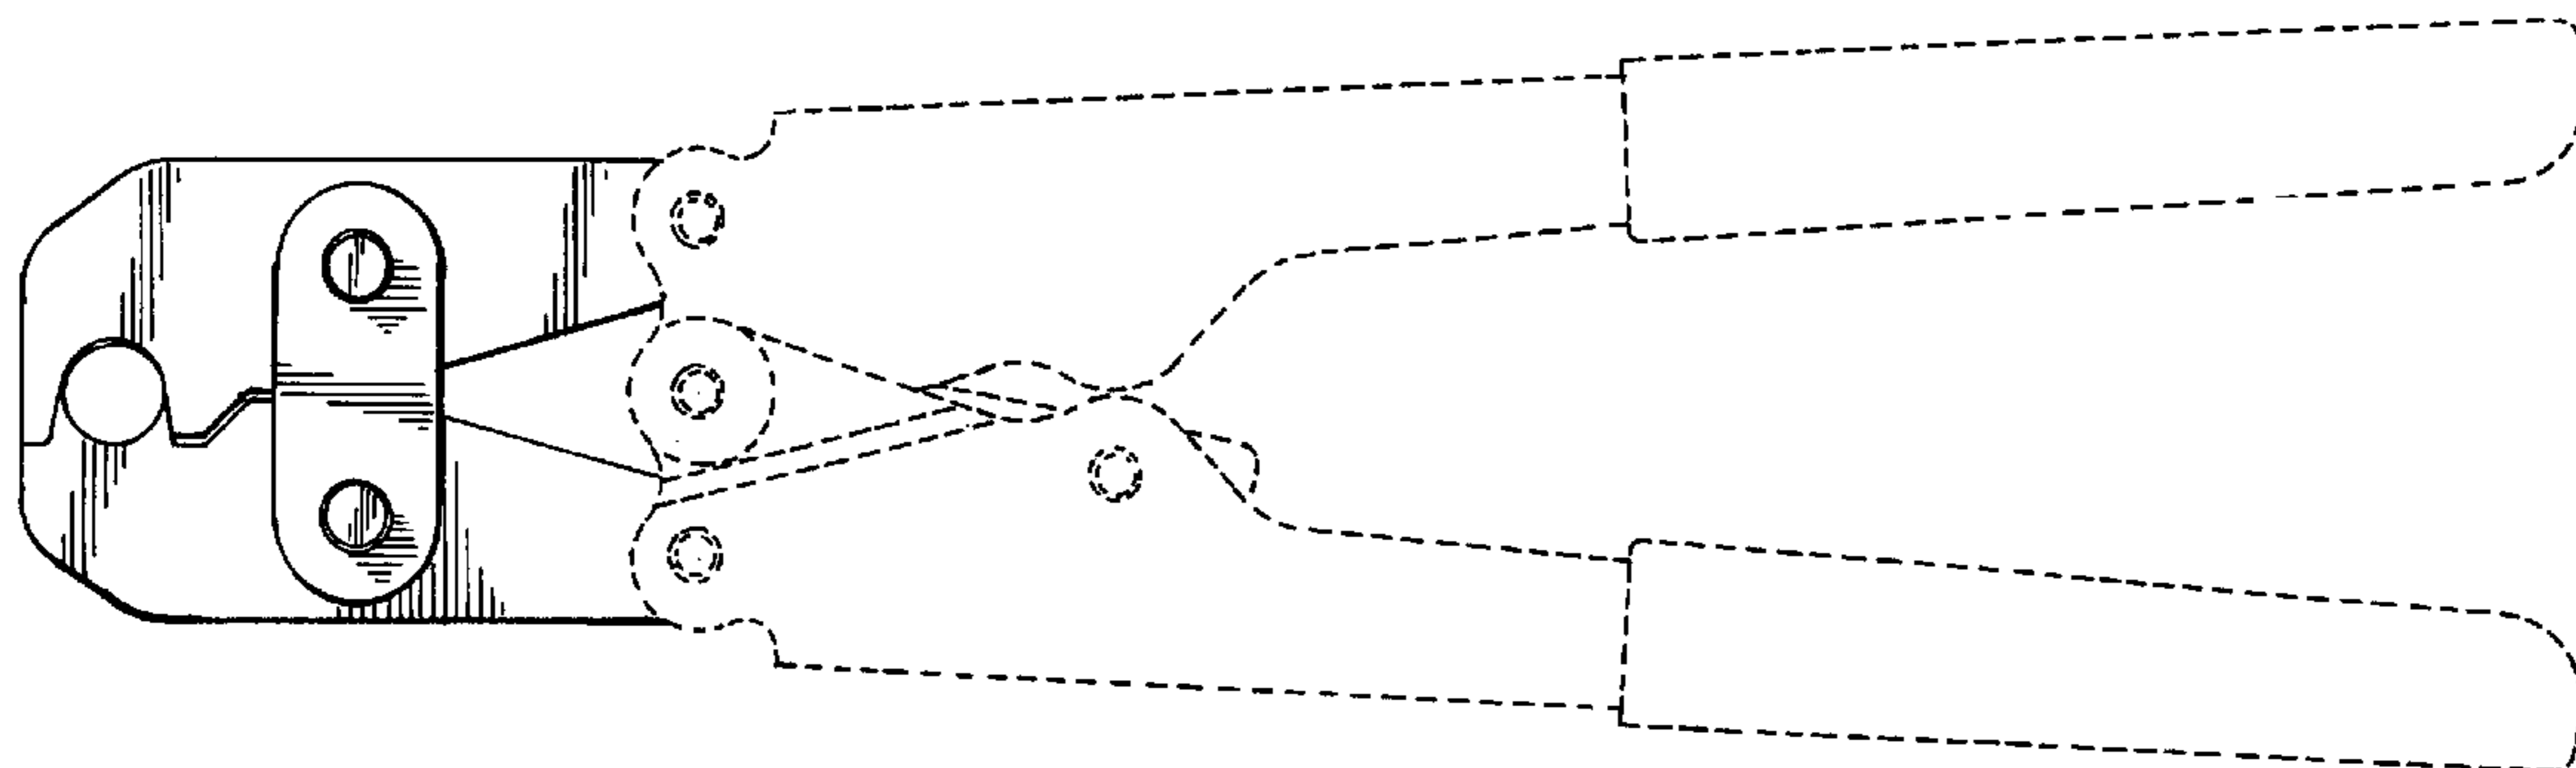

FIG. 3 is a top plan view, the bottom plan view being a mirror image thereof;

FIG. 4 is a side elevational view, the opposite side being a mirror image thereof; and,

FIG. 5 is a top plan view thereof, shown in its open position.

The broken lines in the drawings illustrate unclaimed environment and form no part of the claimed design.
