(57) **CLAIM**

The ornamental design for a complete toothbrush which includes means for flossing, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of the complete toothbrush which includes means for flossing.

FIG. 2 is a rear perspective view of the complete toothbrush which includes means for flossing.

FIG. 3 is a front plan view of the complete toothbrush which includes means for flossing.

FIG. 4 is a side plan view of the complete toothbrush which includes means for flossing.

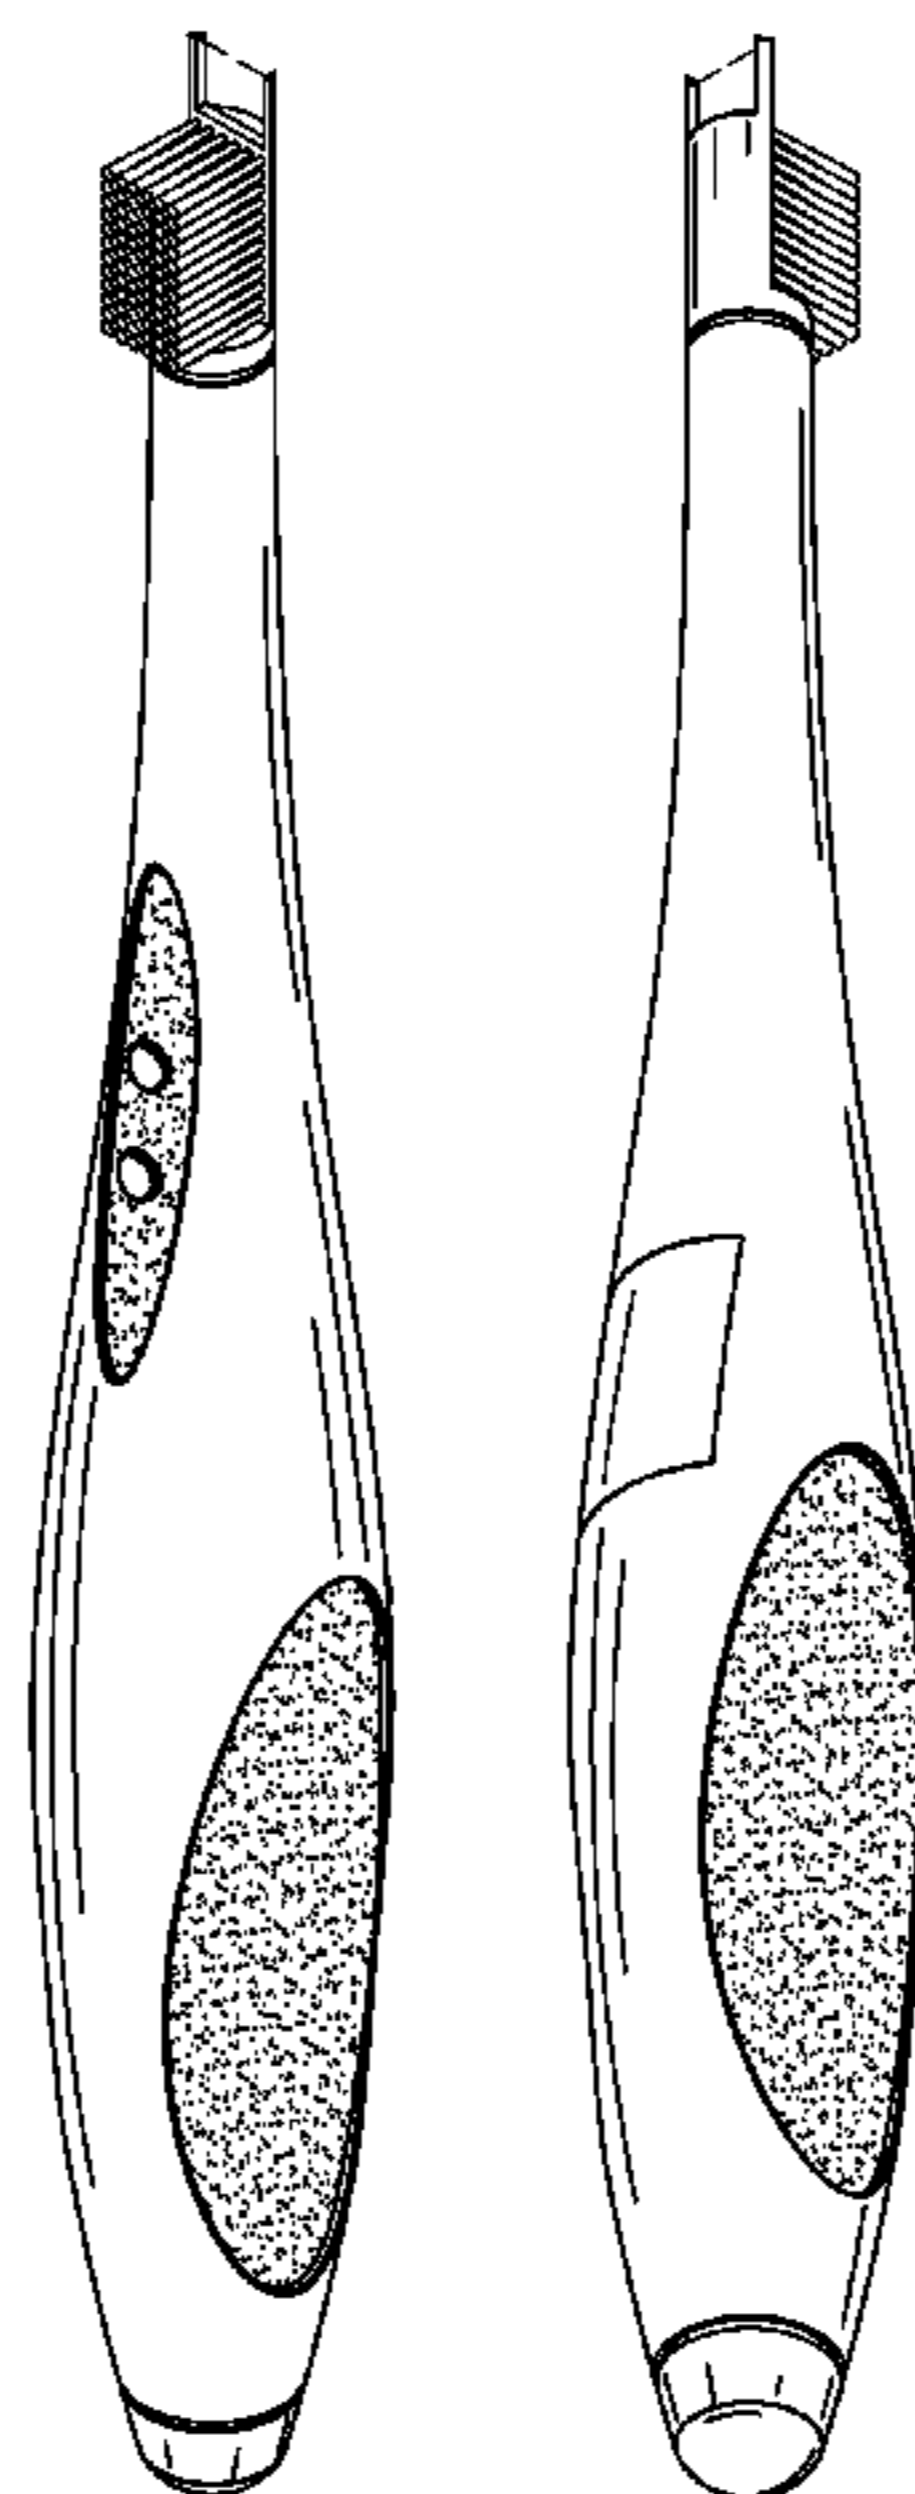

FIG. 5 is a rear plan view of the complete toothbrush which includes means for flossing.

FIG. 6 is a top plan view of the complete toothbrush which includes means for flossing; and,

FIG. 7 is a bottom plan view of the complete toothbrush which includes means for flossing.

The dotted lines of FIGS. 1-3, 5 & 6 as shown depict the invention with dental floss available for use, where the dental floss forms no part of the invention.
