(57) **CLAIM**

The ornamental design for a rocket train tube, as shown and described.

DESCRIPTION

FIG. 1 is a perspective of the rocket train tube showing my new design, the opposite side being mirror image thereof;

FIG. 2 is a sectional view taken along line 2—2 as show in FIG. 1; and,

FIG. 3. is a bottom view thereof.

The broken line(s) which define the bounds of the claimed design form no part thereof.

The ends of the tube are shown broken away to indicate that a particular length of rocket train tube forms no part of the claimed design.

Rocket train tube is a hollow tube that the rocket train slides through.
