(57) **CLAIM**

The ornamental design for a clamp for medical equipment, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the clamp of the present invention as it is to be used to retain fluid transfer hoses for medical equipment. The broken lines showing the hoses and medical equipment are included for the purpose of illustrating the present invention design and form no part of the claimed design.

FIG. 2 is a bottom isometric view of the clamp of the present invention.

FIG. 3 is a top view of the clamp of the present invention.

FIG. 4 is a bottom view of the clamp of the present invention.

FIG. 5 is an elevation view of the clamp of the present invention.

FIG. 6 is the opposite elevation view of the clamp of the present invention.

FIG. 7 is the front view of the clamp of the present invention; and,

FIG. 8 is the rear view of the clamp of the present invention.
