This Application claims priority to a prior U.S. application No. 12/383,646, filed: Mar. 27, 2009, which are fully incorporated herein by reference.

FIG. 1 is a perspective view of the push-up exercise block showing our new design.

FIG. 2 is a perspective view of the push-up exercise block shown in an alternate stacked configuration with other blocks.

FIG. 3 is a top view of the push-up exercise block;

FIG. 4 is a bottom view of the push-up exercise block;

FIG. 5 is a side view of the push-up exercise block; and,

FIG. 6 is a front view of the push-up exercise block.

The broken lines illustrate environmental structure which forms no part of the claimed design.
