### DESCRIPTION

FIG. 1 is a side view of a bracket for a laryngoscope apparatus showing my new design, the unshown opposite side being of substantially identical appearance;

FIG. 2 is a perspective side and rear view thereof;

FIG. 3 is a top view thereof;

FIG. 4 is a rear view thereof; and,

FIG. 5 is a bottom view thereof.

The broken line showing in FIGS. 1 and 2, of a laryngoscope apparatus, is directed to environment and is for illustrative purposes only; the broken lines form no part of the claimed design.
