CLAIM

The ornamental design for a video game controller front face, as shown and described.

DESCRIPTION

The sole FIGURE is a front elevational view of a video game controller front face showing our new design.

Portions of the drawings shown in broken lines are environmental structure that is not part of the design. Portions of the drawing shown as a dot-dot-dashed line are not part of the claimed design. Portions of the drawing inside the dot-dot-dashed line are not part of the claimed design.

The dot-dot-dash broken lines immediately adjacent the shaded areas represent the bounds of the claimed design while all other broken lines are directed to environment and are for illustrative purposes only; the broken lines form no part of the claimed design.
