CLAIM

The novel ornamental design for a side pocket for a backpack
or other wearable pack, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view showing a first backpack
with a side pocket according to the novel design.

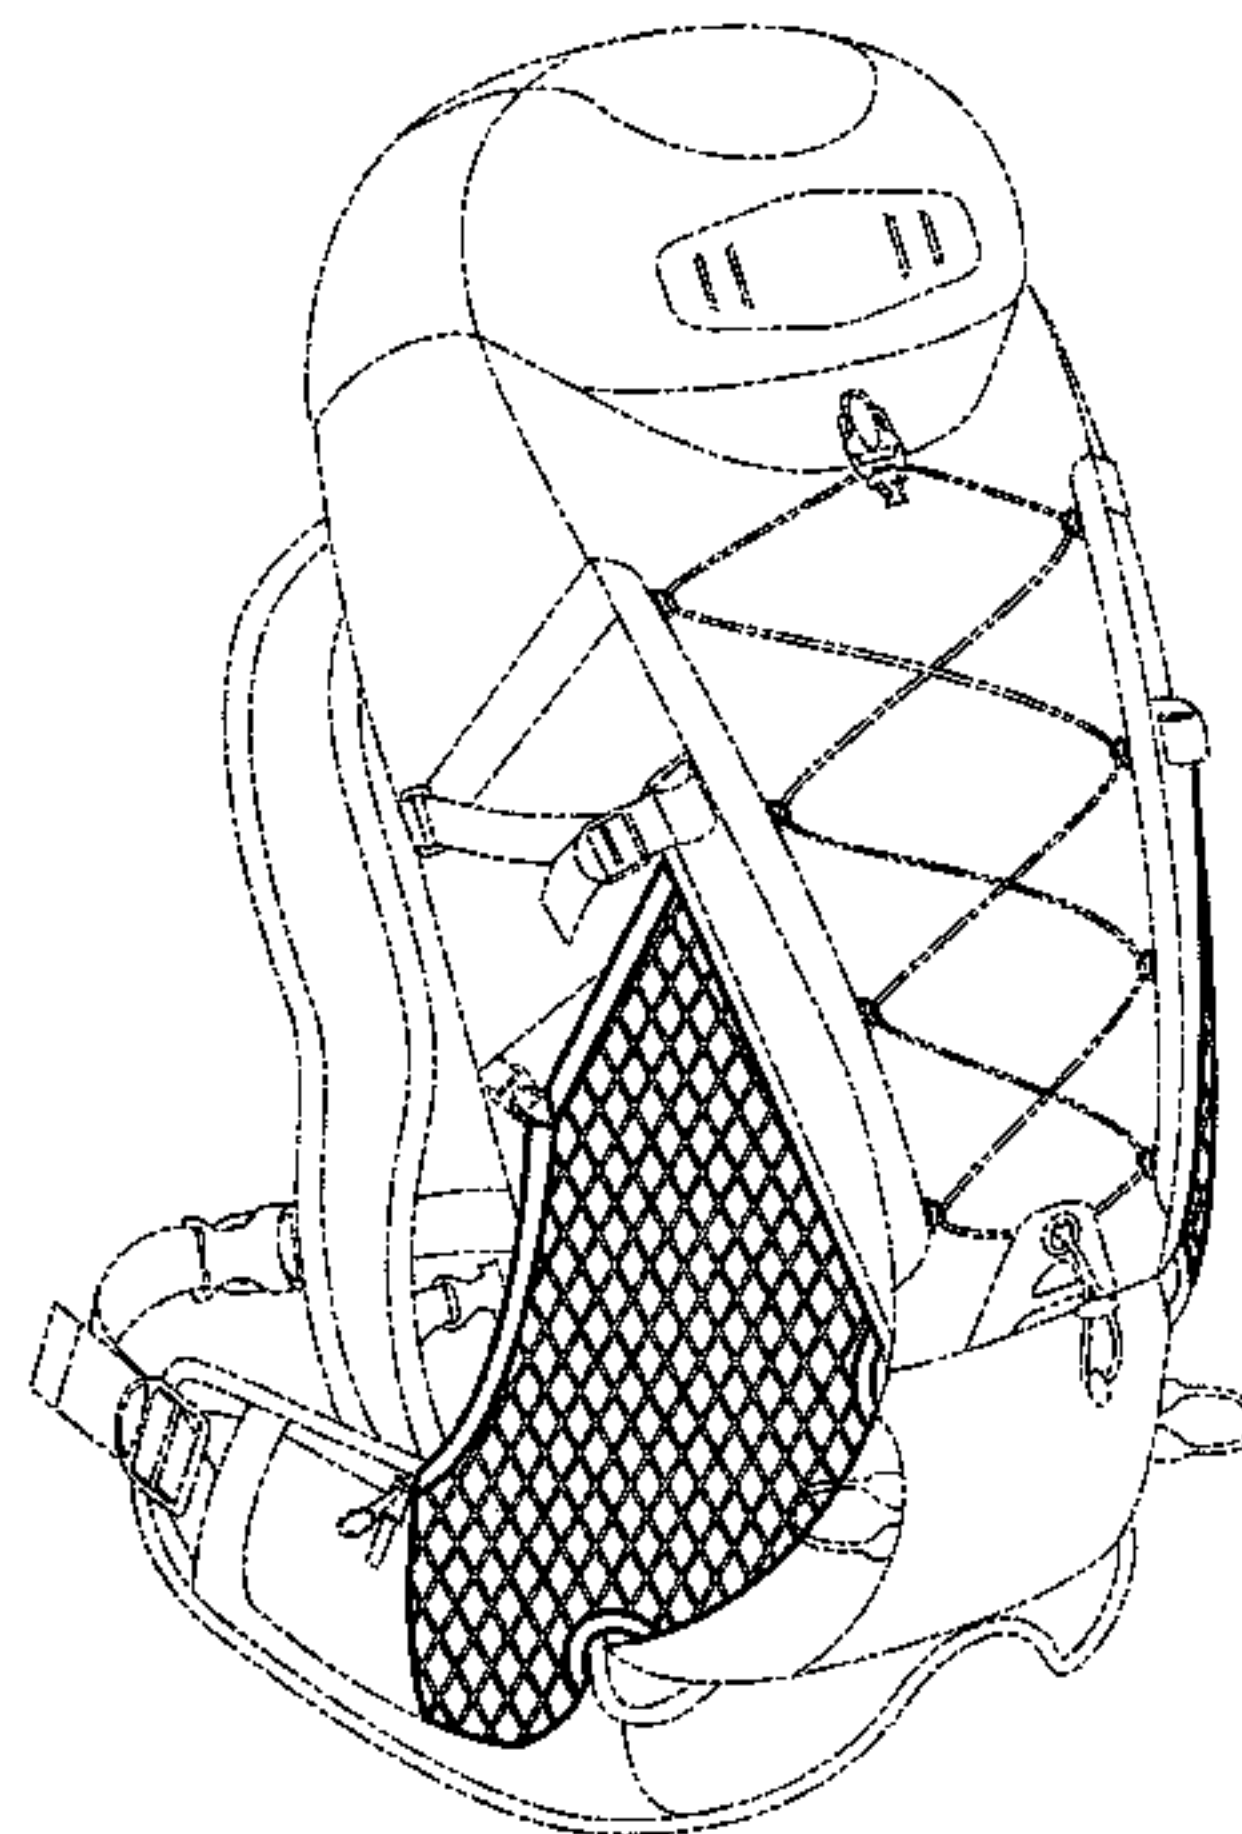

FIG. 2 is a side view of the side pocket on the backpack of
FIG. 1; and,

FIG. 3 is a rear perspective view of the first backpack and side
pocket of FIG. 1.

The broken lines, showing the remainder of the backpack, are
for illustrative purposes only, and form no part of the claimed
design.

(The pack and side pocket may be made of pliable materials
and the drawings show the side pocket in about the shape that
it would typically have when the pack is loaded.)
