(57) **CLAIM**

We claim the ornamental design for a user interface for computer display, as shown and described:

**DESCRIPTION**

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fees.

FIG. 1 is a front view of a user interface for a computer display; and,

FIG. 2 is a front view of a second embodiment thereof.

The broken line drawing of a computer display in both views forms no part of the claimed design.
