(57) **CLAIM**

The ornamental design for a storage unit for decorative light strings, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of my new storage unit for decorative light strings.

The back view is a mirror image of the front view; and

The top, sides and bottom are flat and there of; have no interior or exterior moving parts, handles, locks or attachments which completes its appearance.

My storage unit for decorative light strings is characterized by a flat smooth piece of rigid material having four parallel openings that are identical in depth, length and width.
