(57) **CLAIM**

The ornamental design for a solar powered light bar, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a solar powered light bar of our new design.

FIG. 2 is a front elevational view of the light bar of FIG. 1, the rear elevational view being the same as the front elevational view.

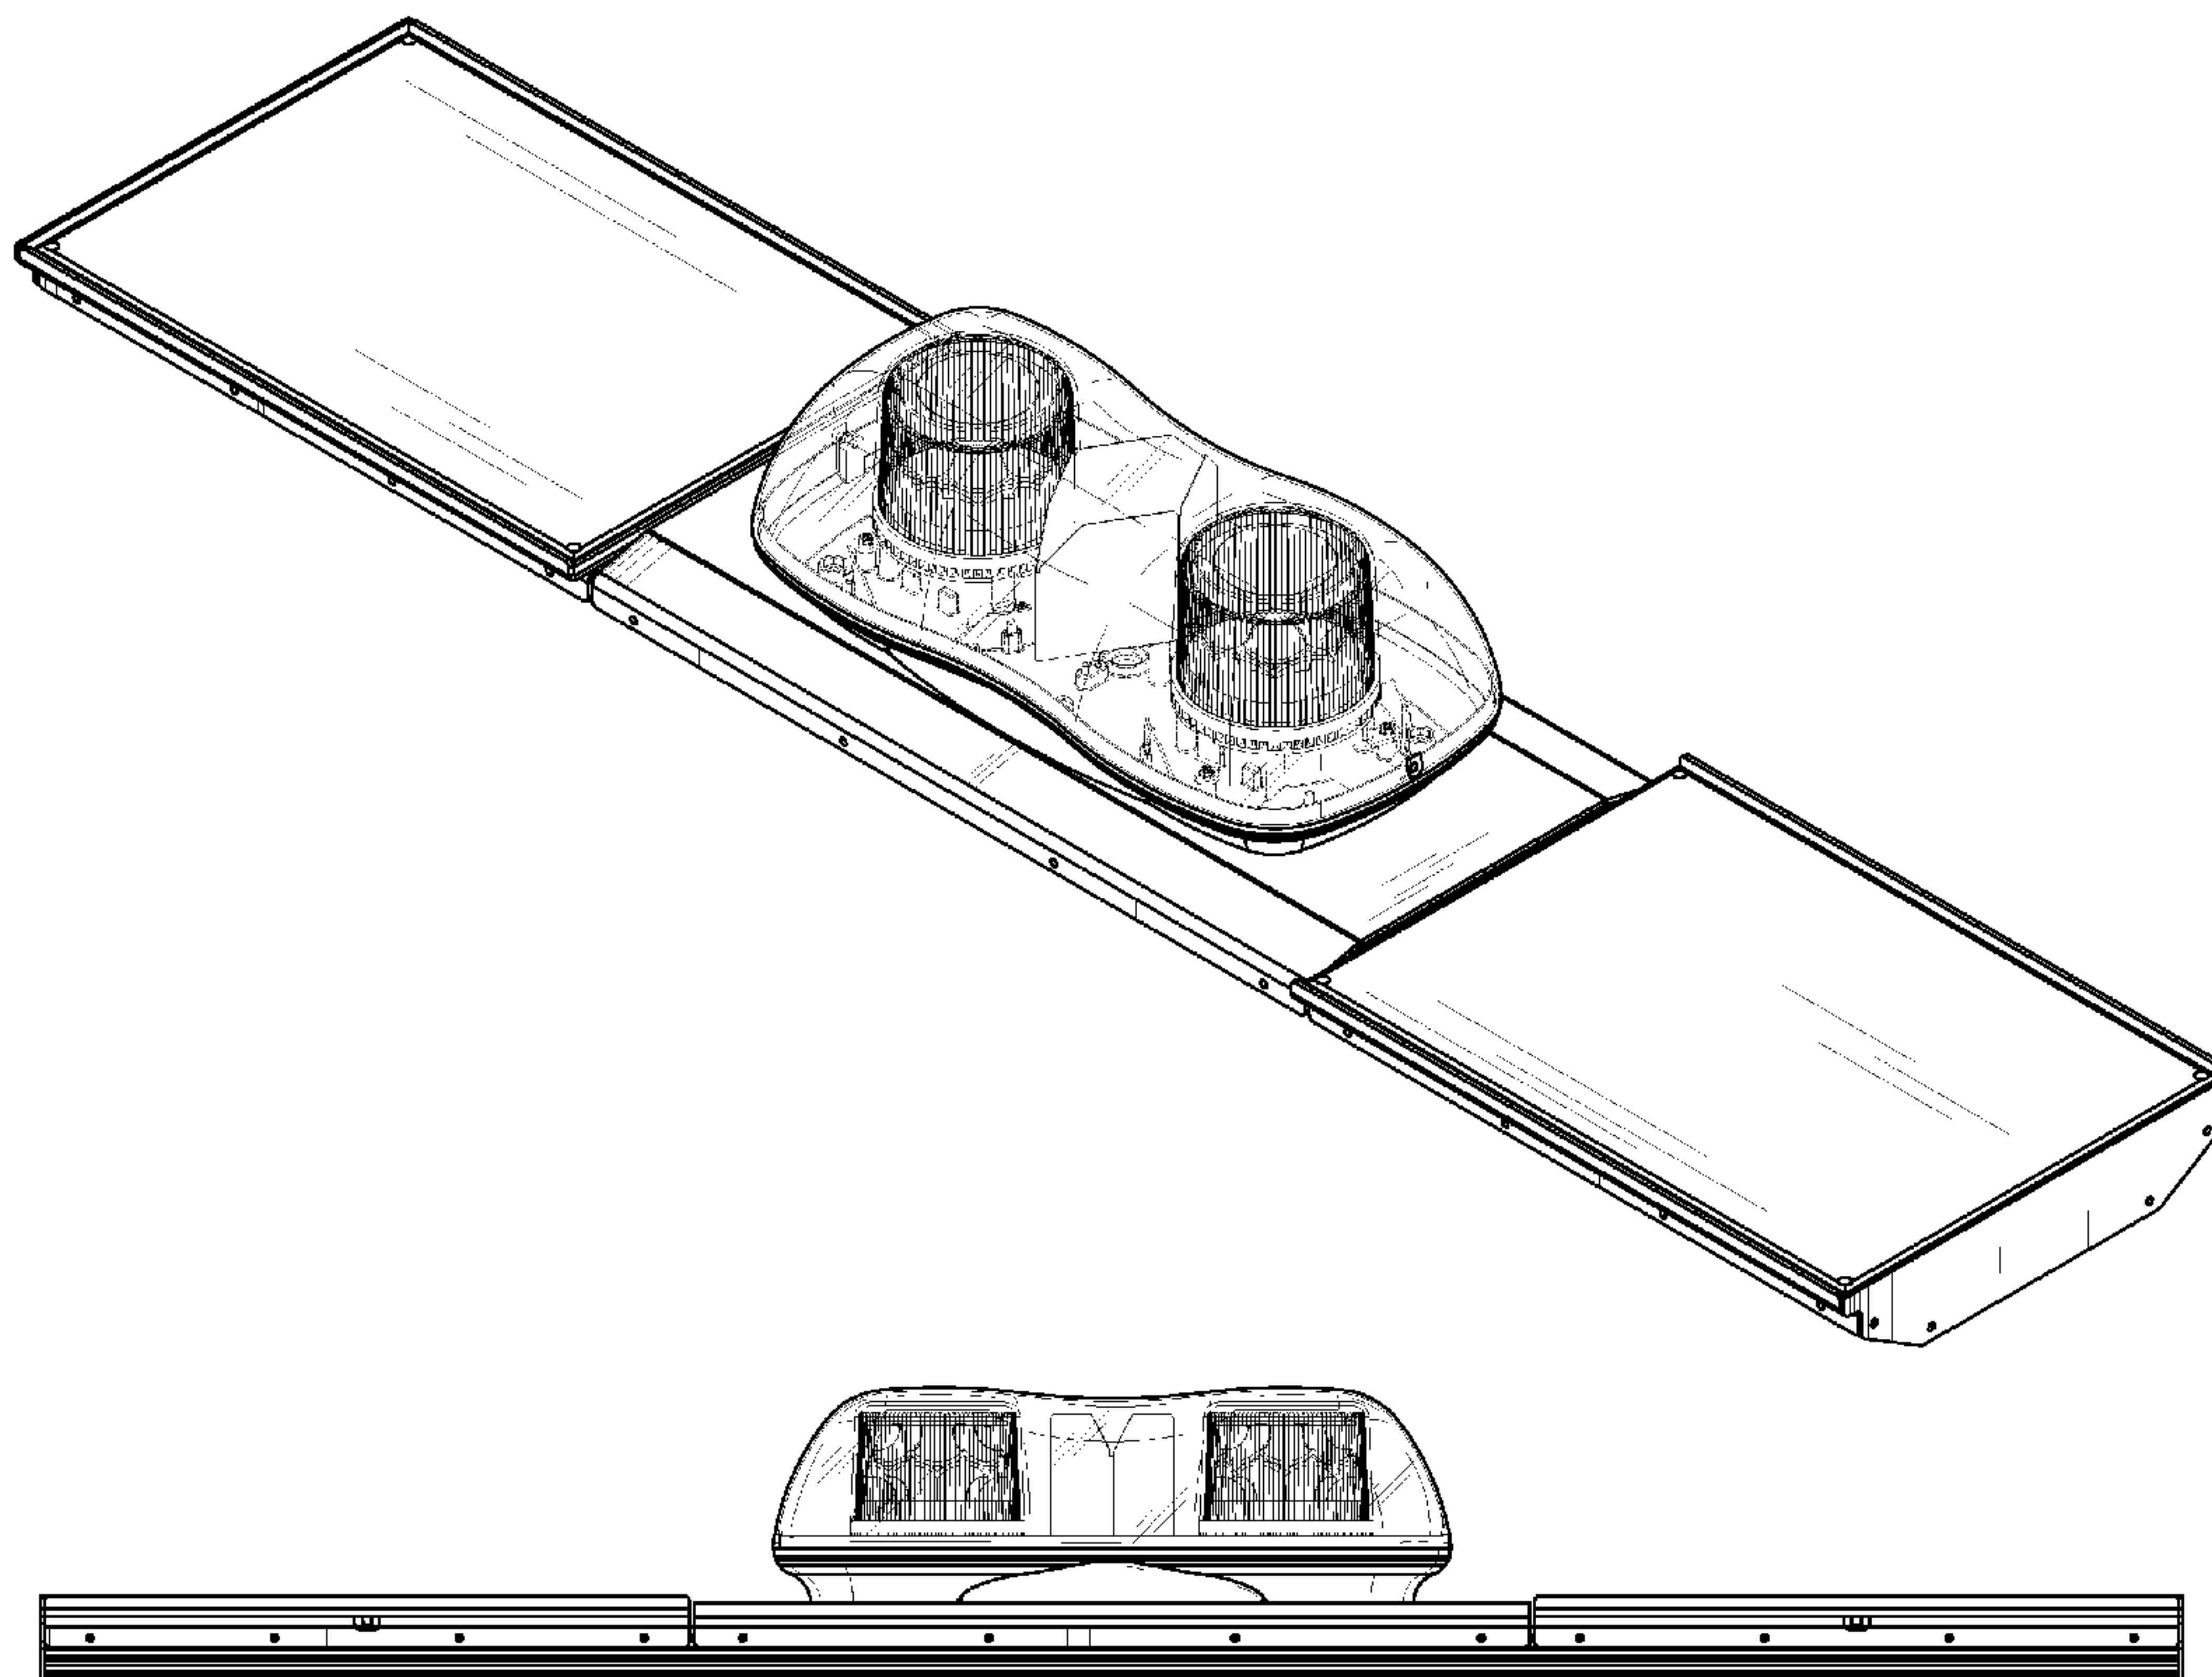

FIG. 3 is a top plan view of the light bar of FIG. 1.

FIG. 4 is a right side elevational view of the light bar of FIG. 1, the left side elevational view being the same as the right side elevational view; and,

FIG. 5 is a bottom plan view of the light bar of FIG. 1.

In the drawings, the broken line showing of mounting hardware and holes depicts environmental subject matter and forms no part of the claim.
