(57) **CLAIM**

I claim the ornamental design of a planetoid shaped container,  
as shown and described.

**DESCRIPTION**

FIG. 1 shows an overhead perspective view of a container, in  
accordance with embodiments of the present disclosure.

FIGS. 2, 3, 4, and 5 show various side views of the container  
of FIG. 1, in accordance with embodiments of the present  
disclosure.

FIG. 6 shows a downward view of the container of FIG. 1, in  
accordance with embodiments of the present disclosure; and,

FIG. 7 shows an upward view of the container of FIG. 1, in  
accordance with embodiments of the present disclosure.

The embodiment disclosed herein relates to the design of a  
container configured with a generally round shape, and orna-  
mental effects that depict the surface of a planet.
