(57) **CLAIM**

The ornamental design for a packaging for pads for an auto-
mated external defibrillator, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the packaging for pads for an
automated external defibrillator showing our new design;
and,

FIG. 2 is a rear view thereof.

The dashed lines extending between and across the two semi-
circular indentations depicted in FIG. 1 represent lines of
perforation on the packaging. The dashed lines showing pic-
tured instructions are for illustrative purposes only and form
no part of the claimed design.
