(57) **CLAIM**

I claim the ornamental design for a plantar fasciitis IR-LED apparatus, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of the plantar fasciitis IR-LED apparatus showing my novel design;

FIG. 2 is a rear elevation view thereof;

FIG. 3 is a left side view thereof;

FIG. 4 is a right side view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof; and,

FIG. 7 is a perspective view thereof of the invention in use.

The broken lines shown in FIG. 7 are an illustration of a typical body part onto which the plantar fasciitis IR-LED apparatus is applied and form no part of the claimed design. The broken lines shown along the borders in FIGS. 1, 2 and 7 and the broken lines of rectangular shape in FIGS. 2 and 7 represent stitching and form no part of the claimed design.
