(57) **CLAIM**

The ornamental design for a paper product, as shown and described.

**DESCRIPTION**

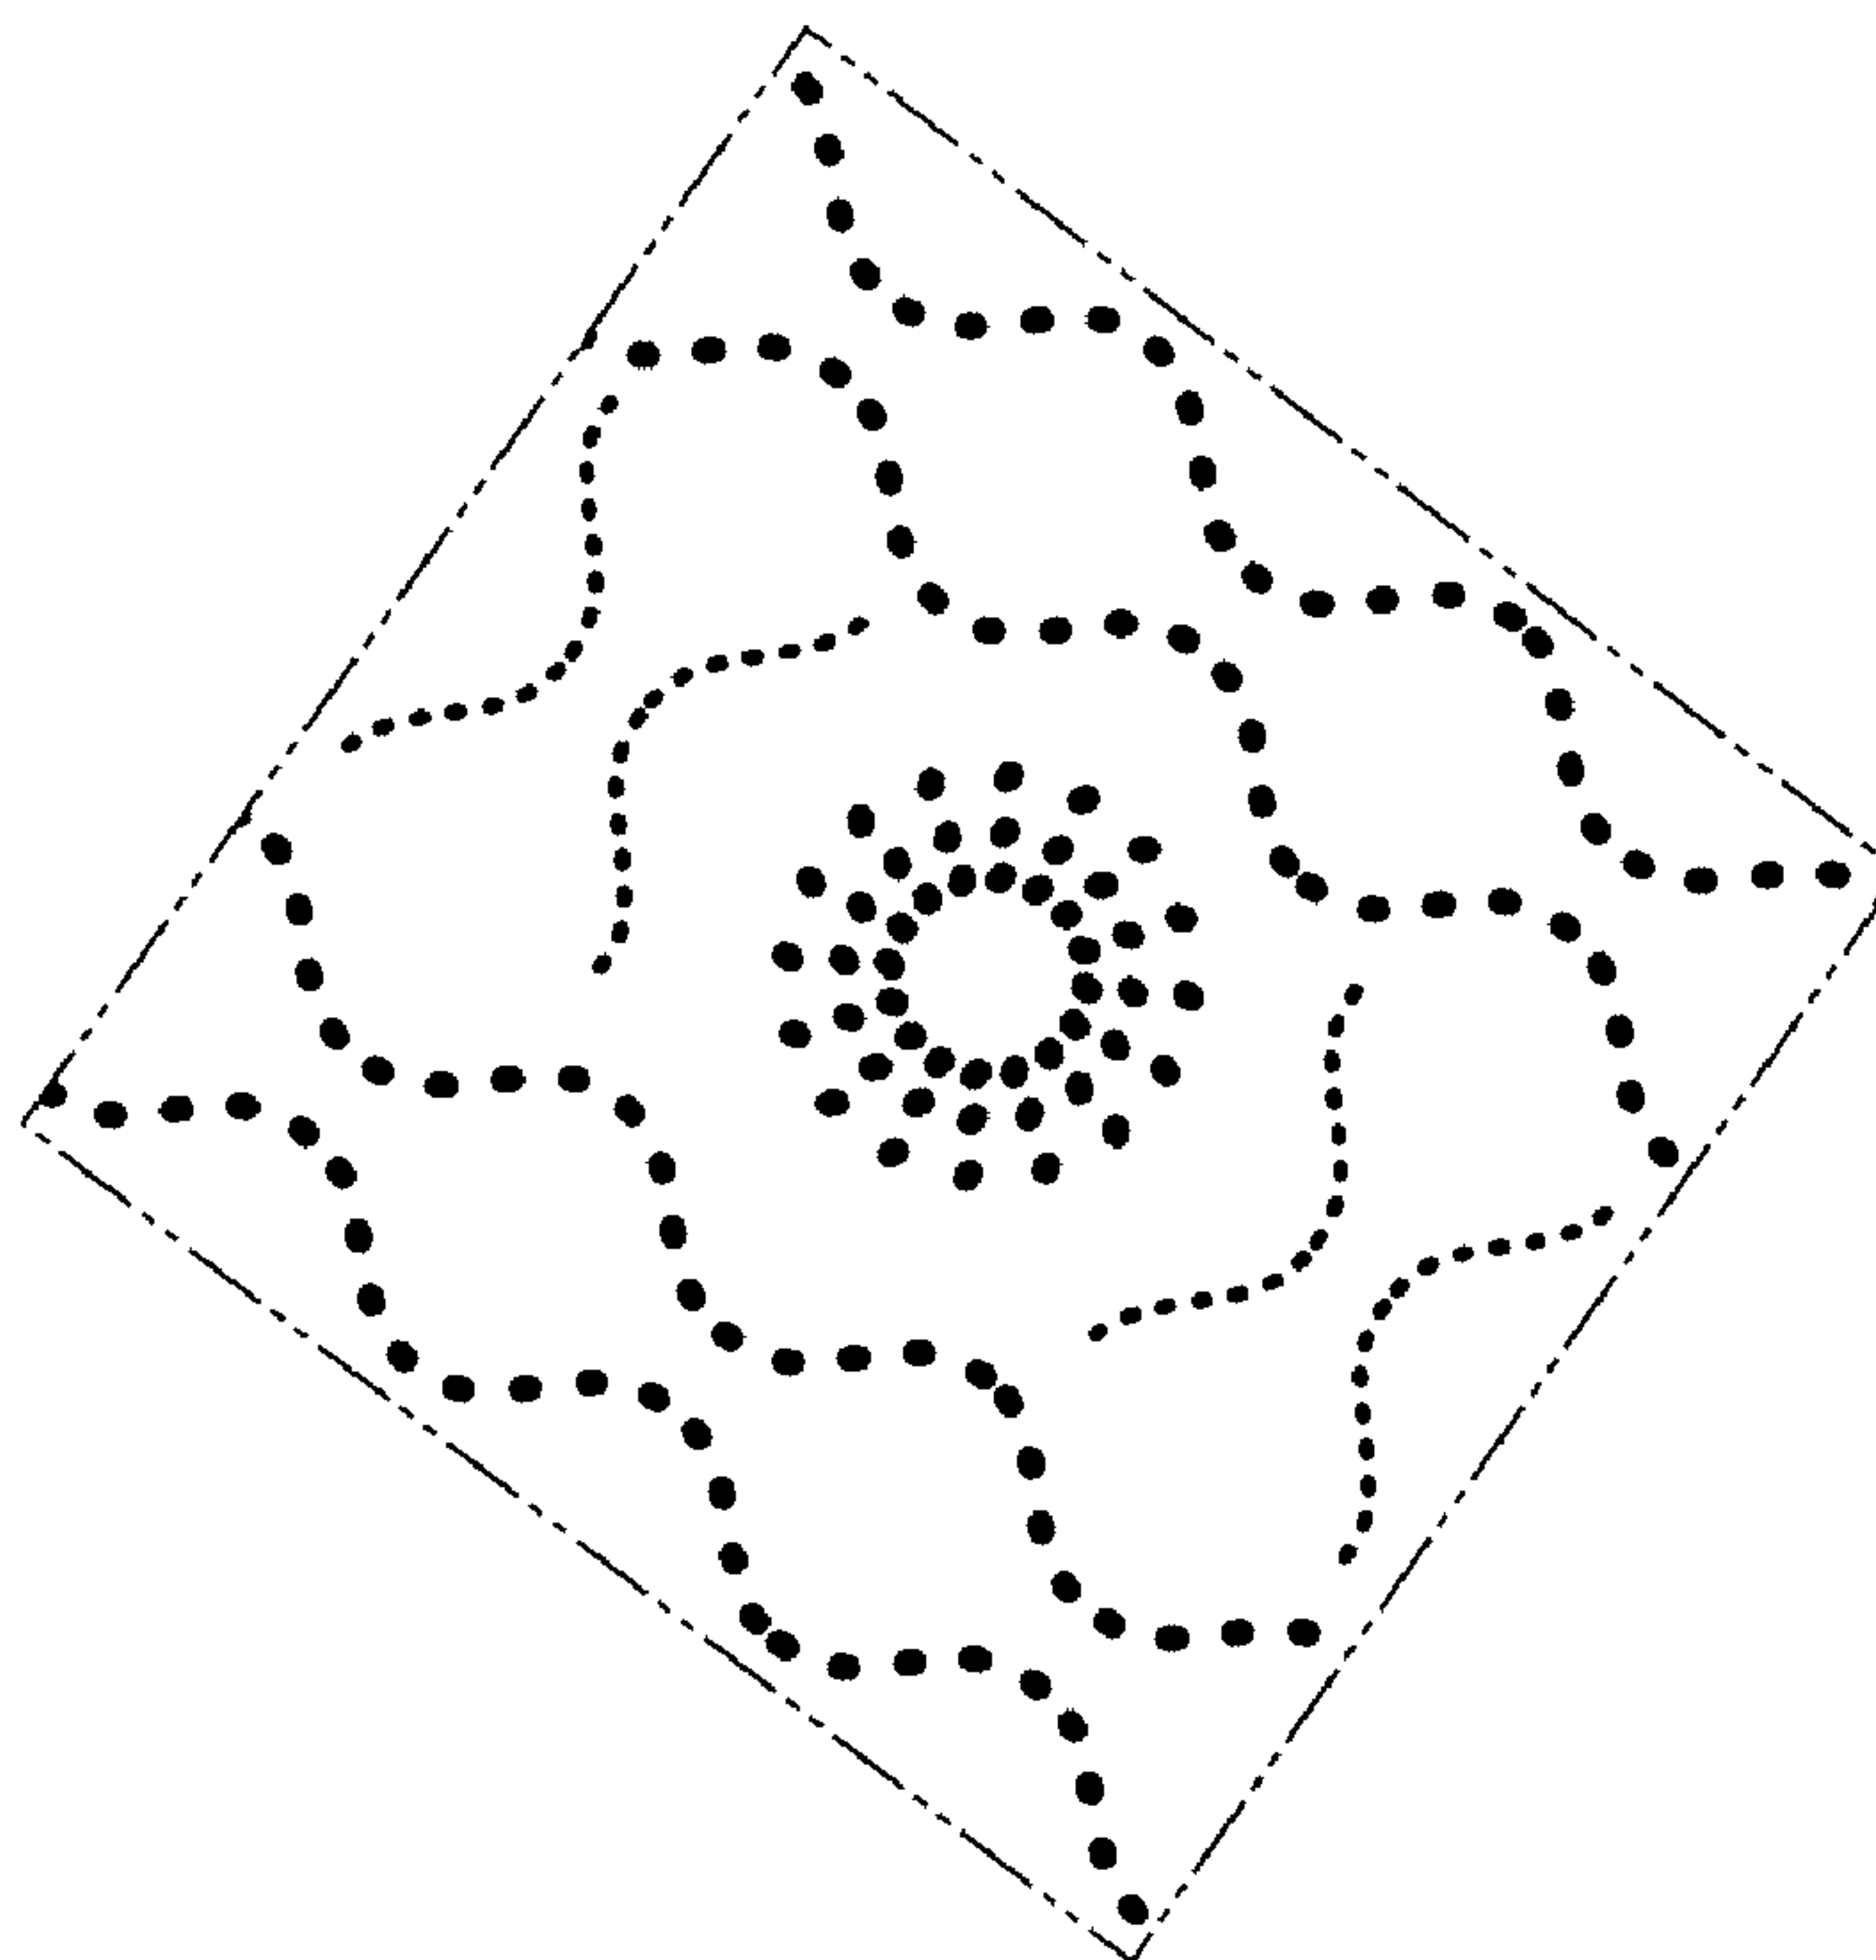

FIG. 1 is a top plan view of a first embodiment of a paper product showing our new ornamental design; and,

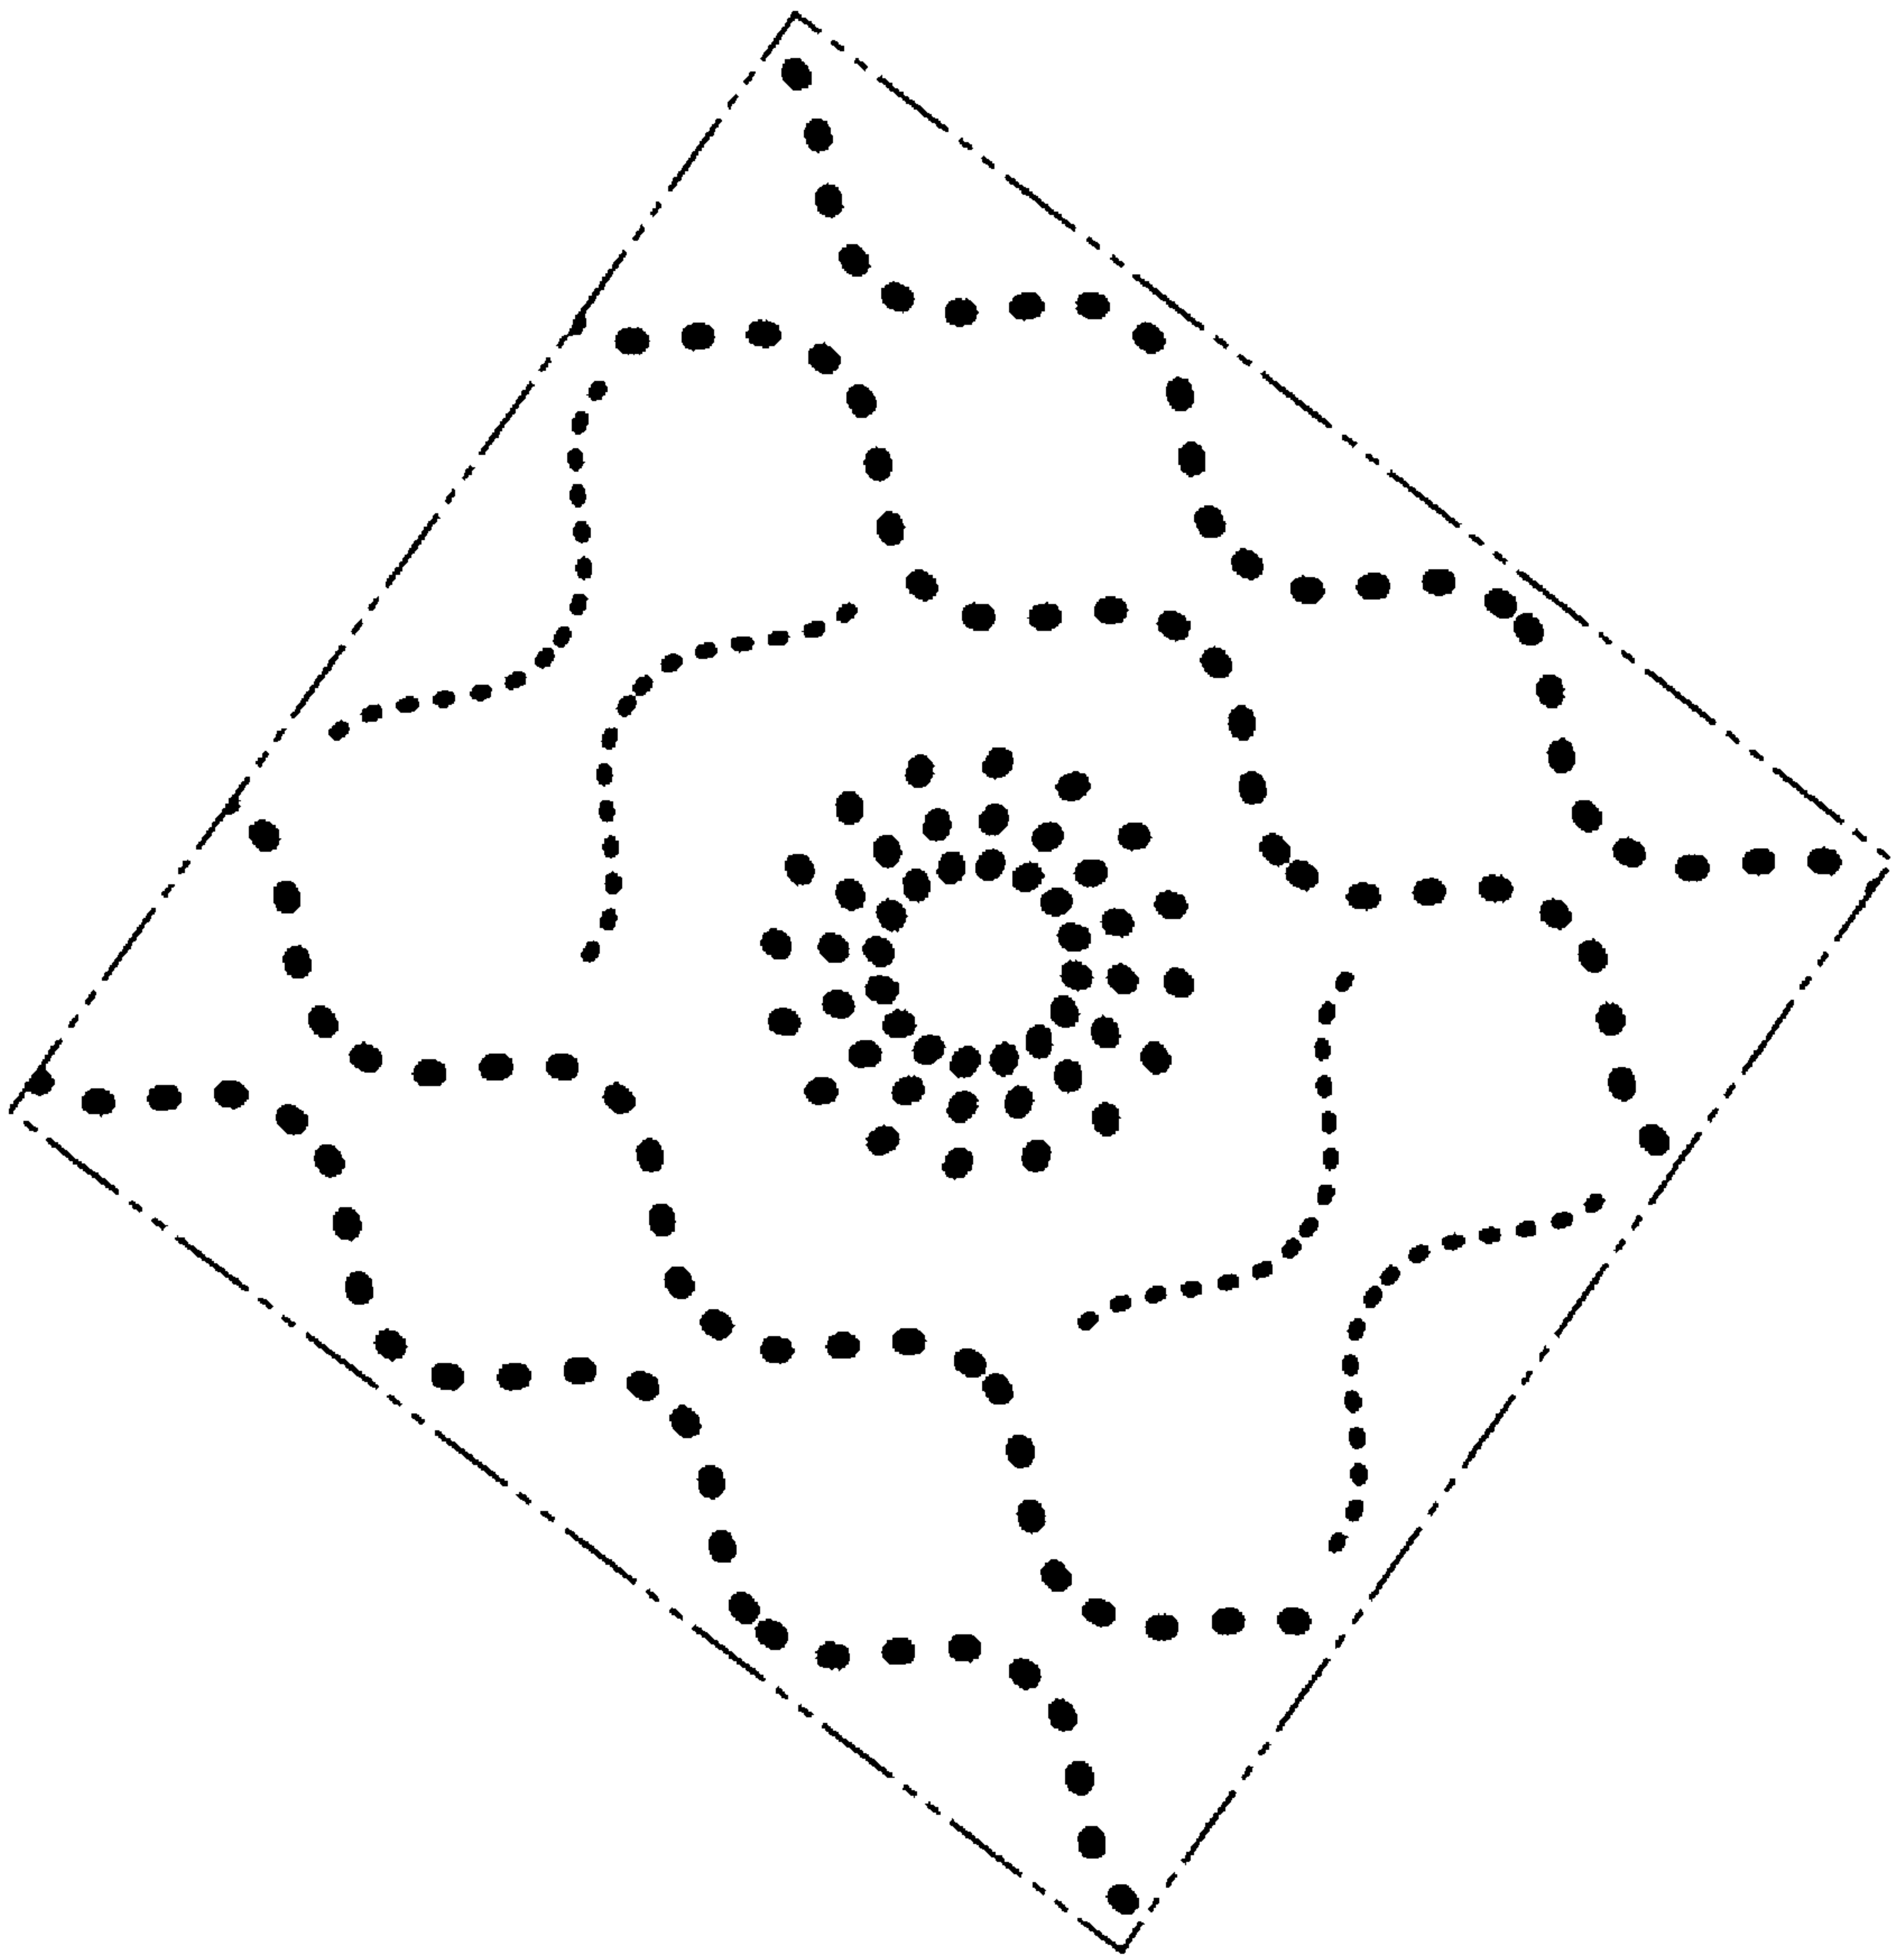

FIG. 2 is a top plan view of a second embodiment of a paper product showing our new ornamental design.

The broken lines shown along the border of each figure depict the boundaries of one repeat unit of the claimed design and indicate that the design may repeat uniformly in one or more directions. The broken lines form no part of the claimed design.

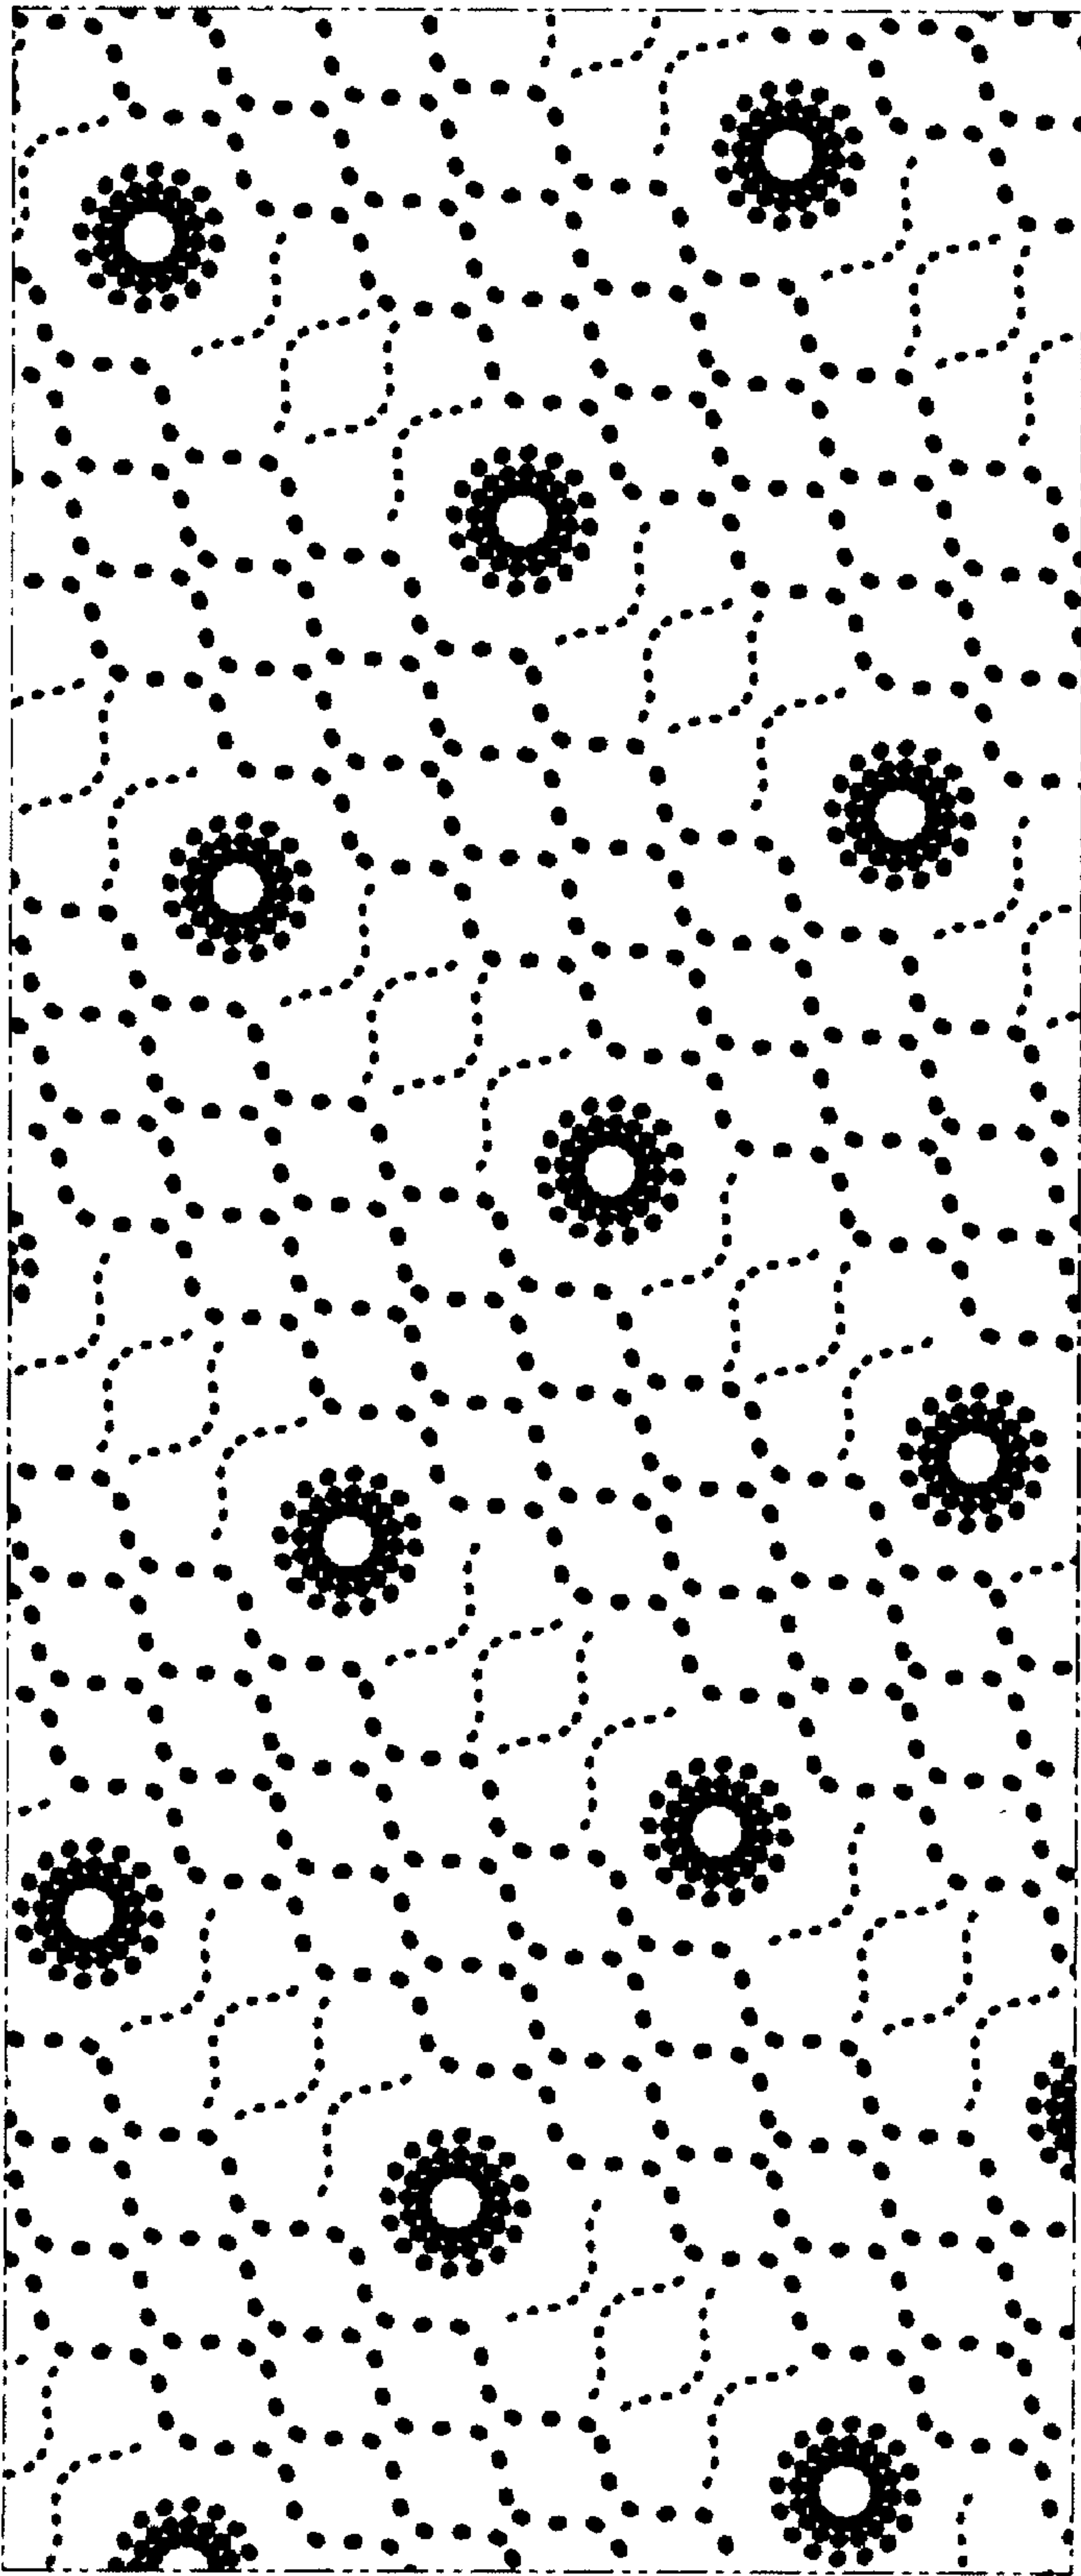

The surfaces or portions not shown in the drawings or described in the specification form no part of the claimed design.
