(57) **CLAIM**

The ornamental design for docking station with a removable battery for a conference communication unit, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a docking station with a removable battery for a conference communication unit showing my new design;

FIG. 2 is a front elevation view thereof;

FIG. 3 is a left side elevation view thereof;

FIG. 4 is a right side elevation view thereof;

FIG. 5 is a rear elevation view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front and right perspective view thereof; and,

FIG. 8 is a top and right perspective view thereof.

Broken lines shown in the drawings illustrate portions of the docking station with a removable battery for a conference communication unit, and form no part of the claimed design.
