(57) **CLAIM**

The ornamental design for a water pipe connector with quick-release, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a water pipe connector with quick-release of the design.

FIG. 2 is a front elevational view of a water pipe connector with quick-release of the design.

FIG. 3 is a left side elevational view of a water pipe connector with quick-release of the design.

FIG. 4 is a top plan view of a water pipe connector with quick-release of the design.

FIG. 5 is a bottom plan view of a water pipe connector with quick-release of the design.

FIG. 6 is a bottom plan view of a perspective view of a water pipe connector with quick-release of the design.

FIG. 7 is a partial section perspective view of a water pipe connector with quick-release of the design.

The broken line showing is included for the purpose of illustrating portions of the article that form no part of the claimed design.
