(57) **CLAIM**

The ornamental design for a multi-layered shirt, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a multi-layered shirt showing my design illustrated in a first layer;

FIG. 2 is a side view thereof;

FIG. 3 is a front view of a multi-layered shirt with the first layer folded over an individual’s head exposing the inner surface of the first layer having a logo and the outer surface of the second layer having a logo; and,

FIG. 4 is a side view thereof.

The broken lines immediately adjacent to the claimed areas in FIGS. 3 and 4 represent the boundaries of the design. The broken lines represent a human form in all views form no part of the claimed. The broken lines showing the layer name or logo are included for the purpose of illustrating environmental structure and form no part of the claimed design. None of the broken lines form any part of the claimed design.
