(57) **CLAIM**

The ornamental design for a light engine for a lighting device, as shown and described.

DESCRIPTION

FIG. 1 is a first perspective view of the light engine for a lighting device in accordance with my new design;

FIG. 2 is a second perspective view thereof;

FIG. 3 is a front view thereof; the back side view is identical to the front view

FIG. 4 is a right side view thereof; the left side view is identical to the right side view except the small cutout section on the top of the engine;

FIG. 5 is a top view thereof; and,

FIG. 6 is a bottom view thereof.

The portions of the drawings shown in broken lines represent environmental structure and form no part of the claimed design.
