(57) **CLAIM**

The ornamental design for a hand-held massager, as shown
and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of a hand-held massager
incorporating our new design showing eight massaging mem-
bers formed on a main body of the hand-held massager,
wherein each of the massaging members has a generally
circular shaped translucent foot;

FIG. 2 is a front elevational view of the hand-held massager
illustrated in FIG. 1;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a right side elevational view thereof;

FIG. 7 is a bottom plan view of a hand-held massager accord-
ing to another embodiment of the invention showing seven
massaging members formed on a main body of the hand-held
massager;

FIG. 8 is a bottom plan view of a hand-held massager accord-
ing to another embodiment of the invention showing six mas-
saging members formed on a main body of the hand-held
massager;

FIG. 9 is a bottom plan view of a hand-held massager accord-
ing to another embodiment of the invention showing six mas-
saging members formed on a main body of the hand-held
massager;

FIG. 10 is a bottom plan view of a hand-held massager
according to another embodiment of the invention showing
five massaging members formed on a main body of the hand-
held massager;

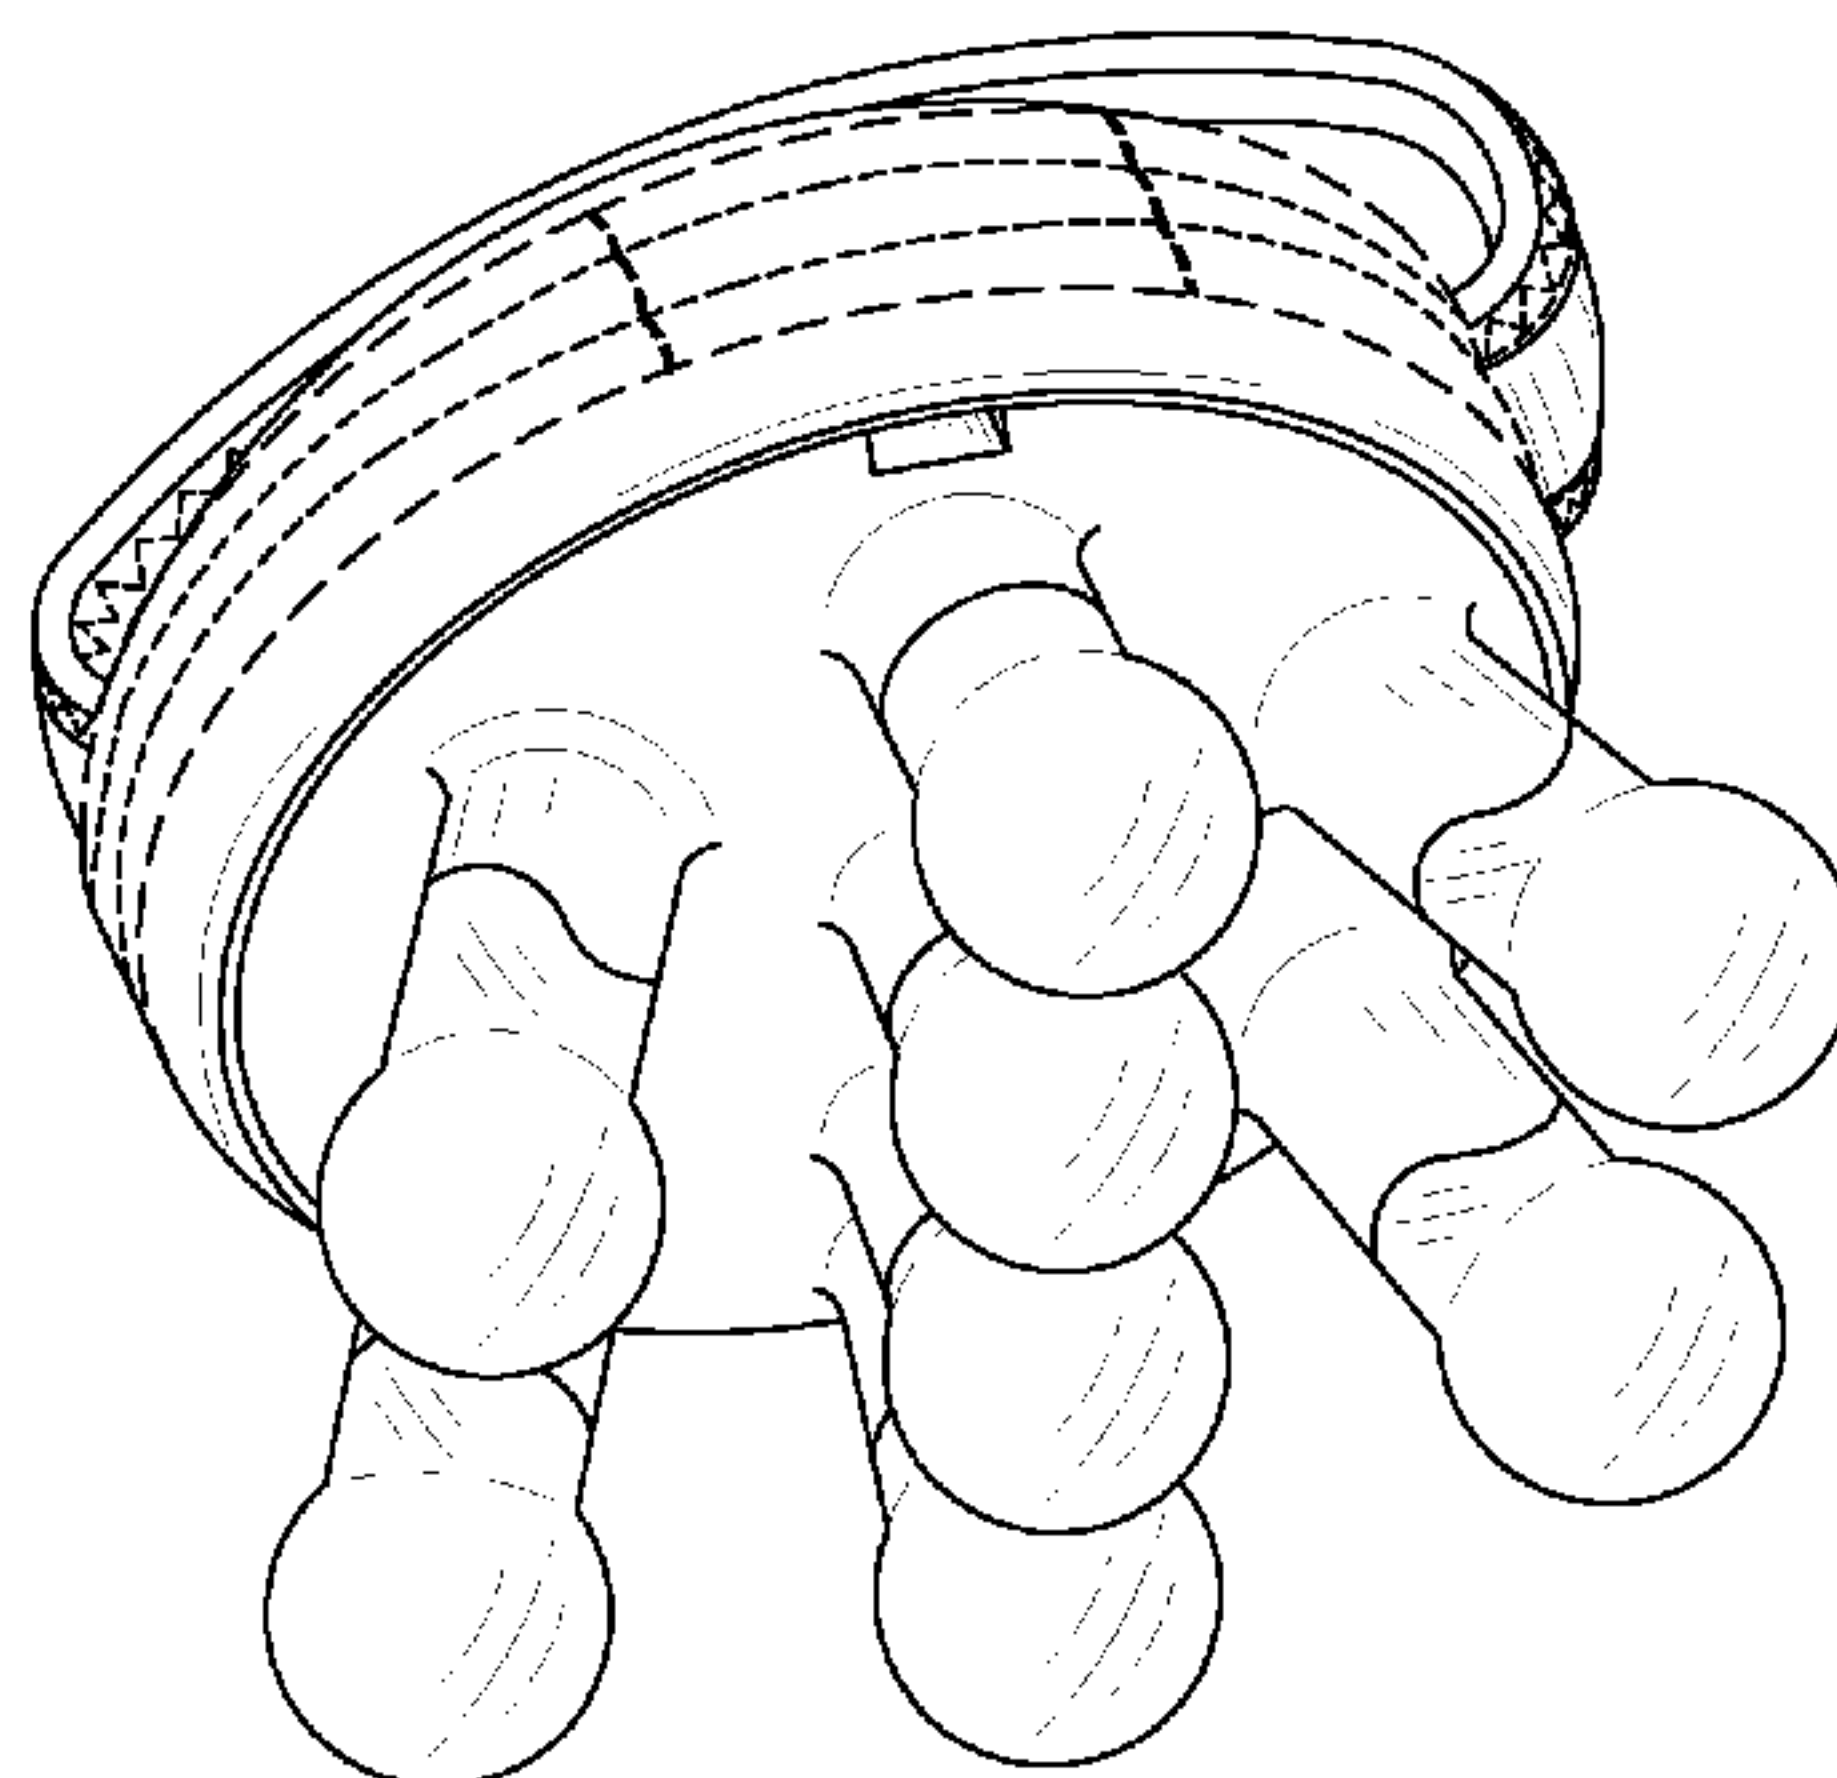

FIG. 11 is a bottom plan view of a hand-held massager
according to another embodiment of the invention showing
five massaging members formed on a main body of the hand-
held massager, wherein each of the massaging members has a
generally pyriform shaped foot; and,

FIG. 12 is a right side elevational view of the hand-held
massager illustrated in FIG. 11.

The left side elevational view of the hand-held massager
illustrated in FIG. 1 is a mirror image of the right side eleva-
tional view illustrated in FIG. 6, and therefore, has not been
shown in the drawings.

The ornamental design which is claimed is shown in solid
lines in the drawings. Any broken lines in the drawings are for
illustrative purposes only and form no part of the claimed
design.
