D3/315, 372-273; 206/349, 372-373, 378-379;
312/244

FIG. 3 is a front elevation view thereof.

See application file for complete search history.

Rear, left and right elevation views, as well as top and bottom plan views, have been omitted as they do not form a portion of the claimed design and the claimed design is clearly understood and fully disclosed in the perspective and front views. The evenly spaced broken lines showing a tool box and portions of the insert are for the purposes of illustrating environment, and form no part of the claimed design.
