(57) **CLAIM**

The ornamental design for a display screen with graphic user interface of a search site, as shown and described.

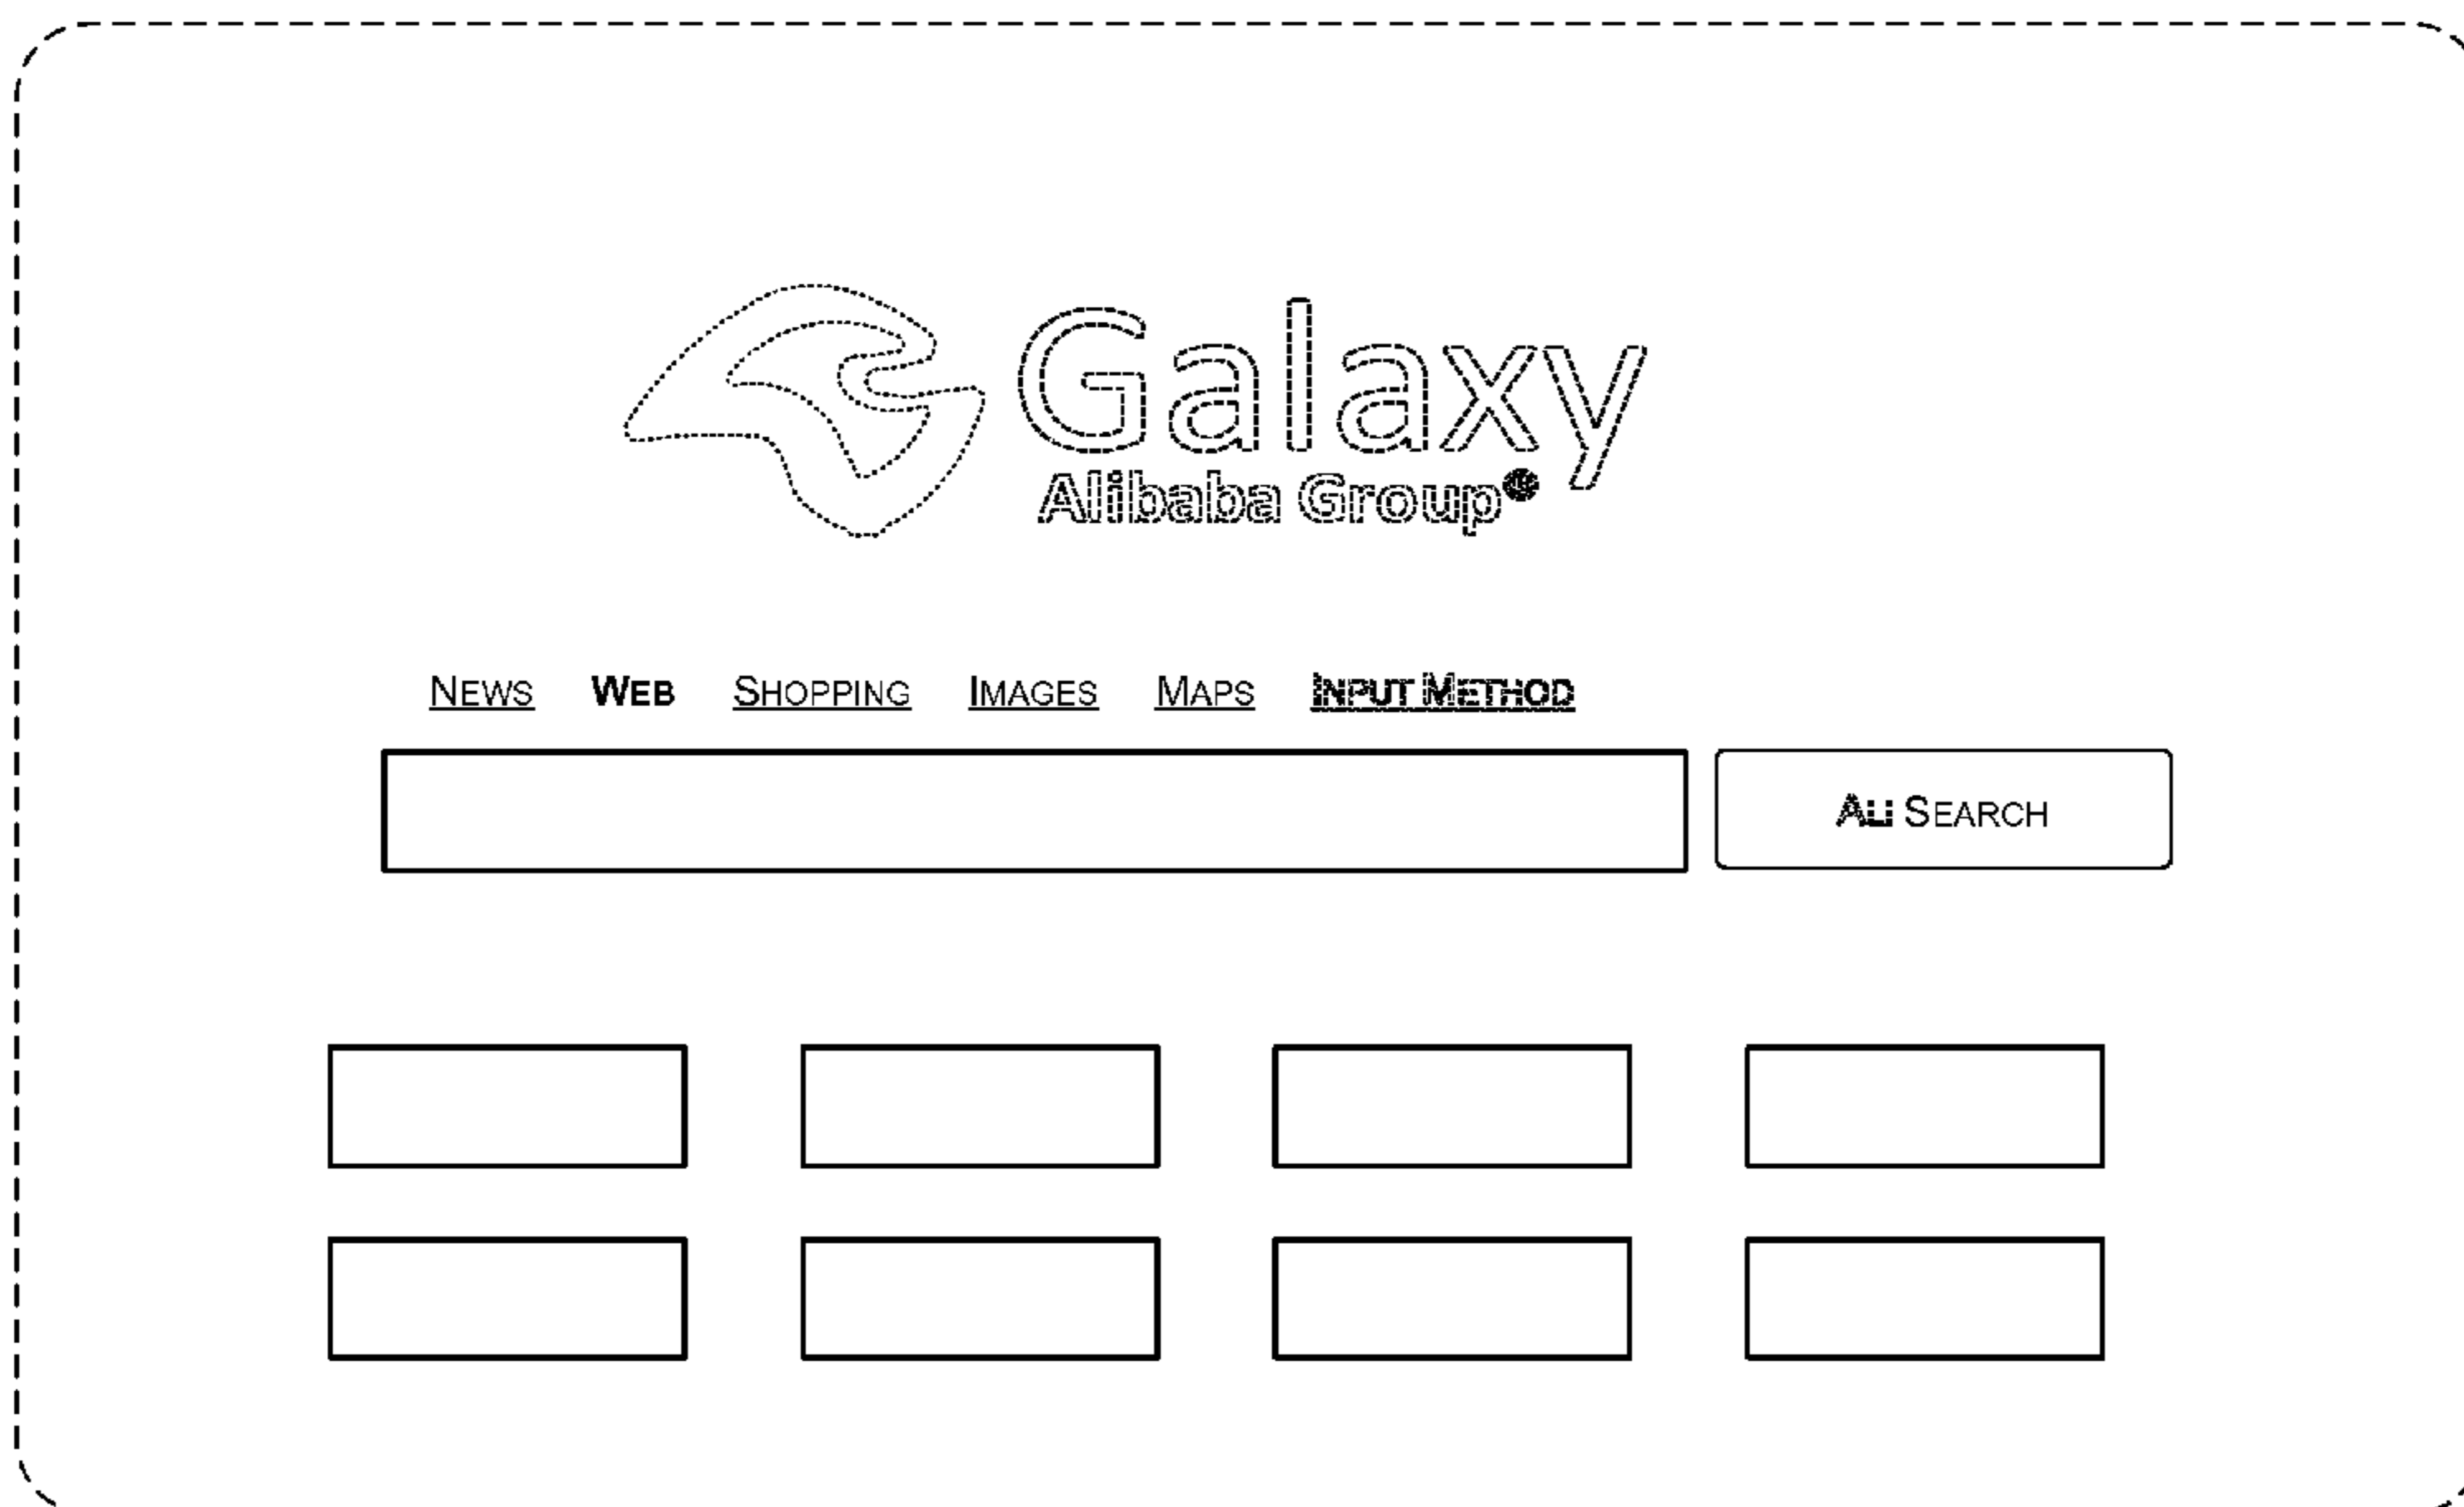

**DESCRIPTION**

A portion of the disclosure of this patent document contains material to which a claim for copyright and trademark is made. The copyright and trademark owner has no objection to the reproduction of the patent document or the patent disclosure, as it appears in the U.S. Patent Office records, but reserves all other copyright and trademark rights whatsoever.

The FIGURE is a front view of a display screen with graphic user interface of a search site.

The broken lines in the drawings illustrate the unclaimed display screen and unclaimed portions of the graphic user interface and form no part of the claimed design.
