(57) **CLAIM**

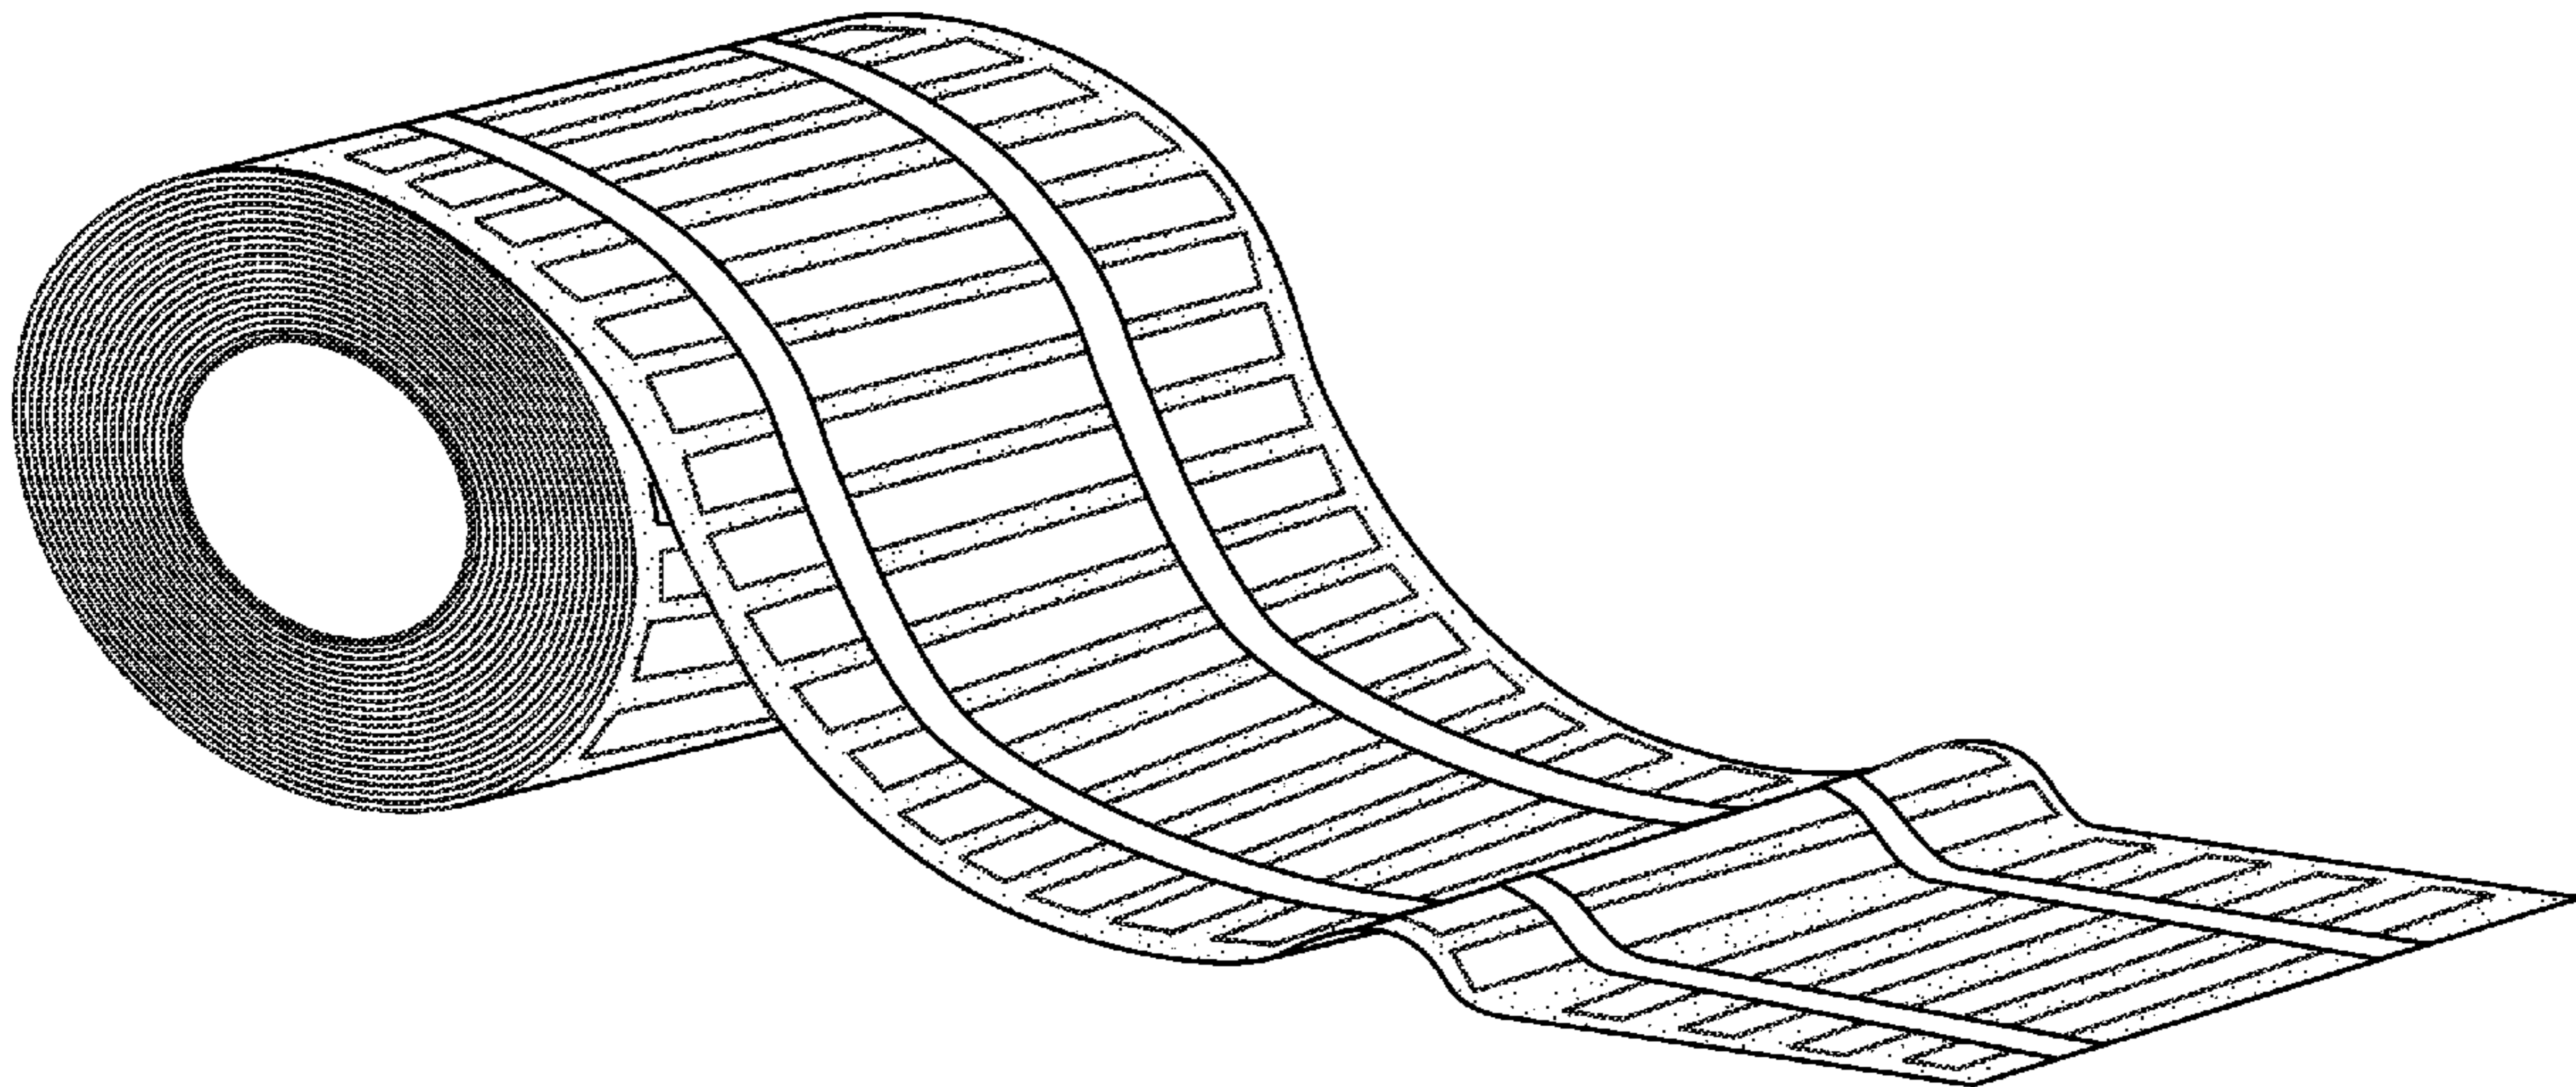

The ornamental design for a self adhesive sheet material with decorative imprint, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a self adhesive sheet material with decorative imprint, showing our new design; and, FIG. 2 is a top plan view of the self adhesive sheet material with decorative imprint, shown in an alternative unrolled condition of use.

The self adhesive sheet material with decorative imprint shown in FIG. 2 is shown broken away to indicate no specific length, it being understood that it has a uniform shape and appearance through out its length.
