(57) **CLAIM**

The ornamental design for a flexible laptop display slipcover having a transparent front panel and an advertising back panel, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

FIG. 2 is a front planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design of the transparent front panel on the front side;

FIG. 3 is a rear planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design of the advertising panel on the rear side;

FIG. 4 is a top planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

FIG. 5 is a bottom planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

FIG. 6 is a left side planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

FIG. 7 is a right side planar view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

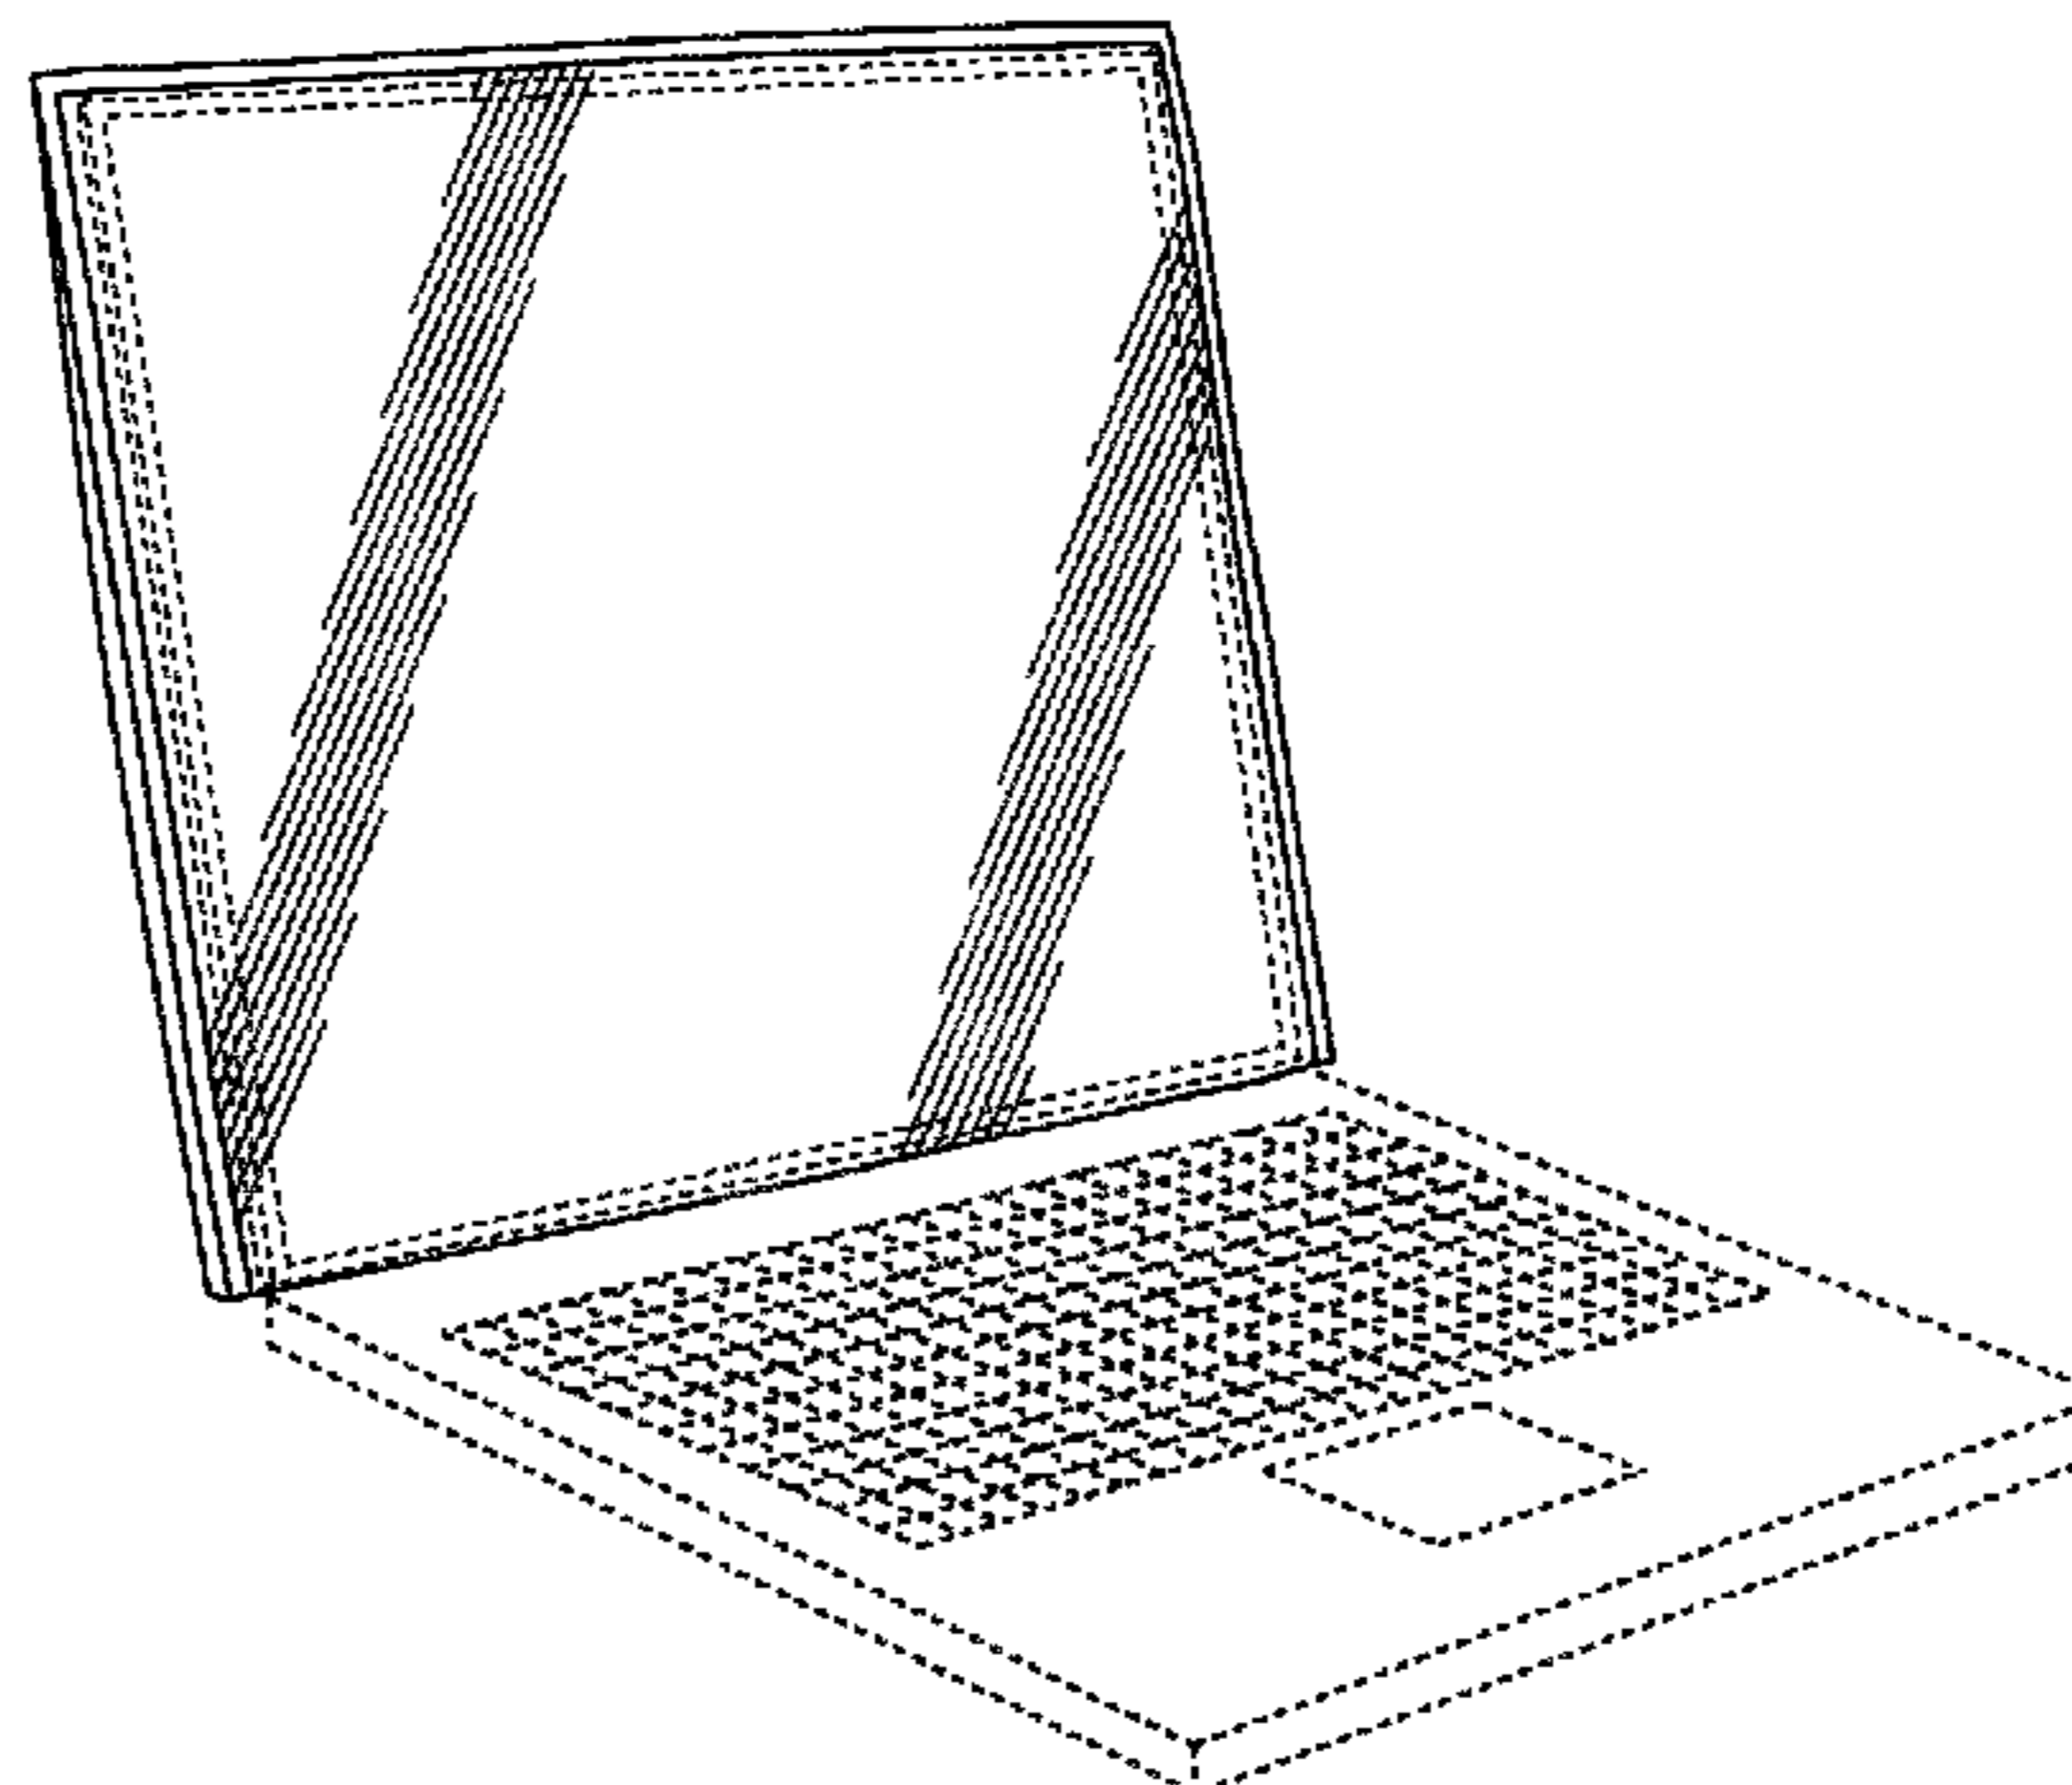

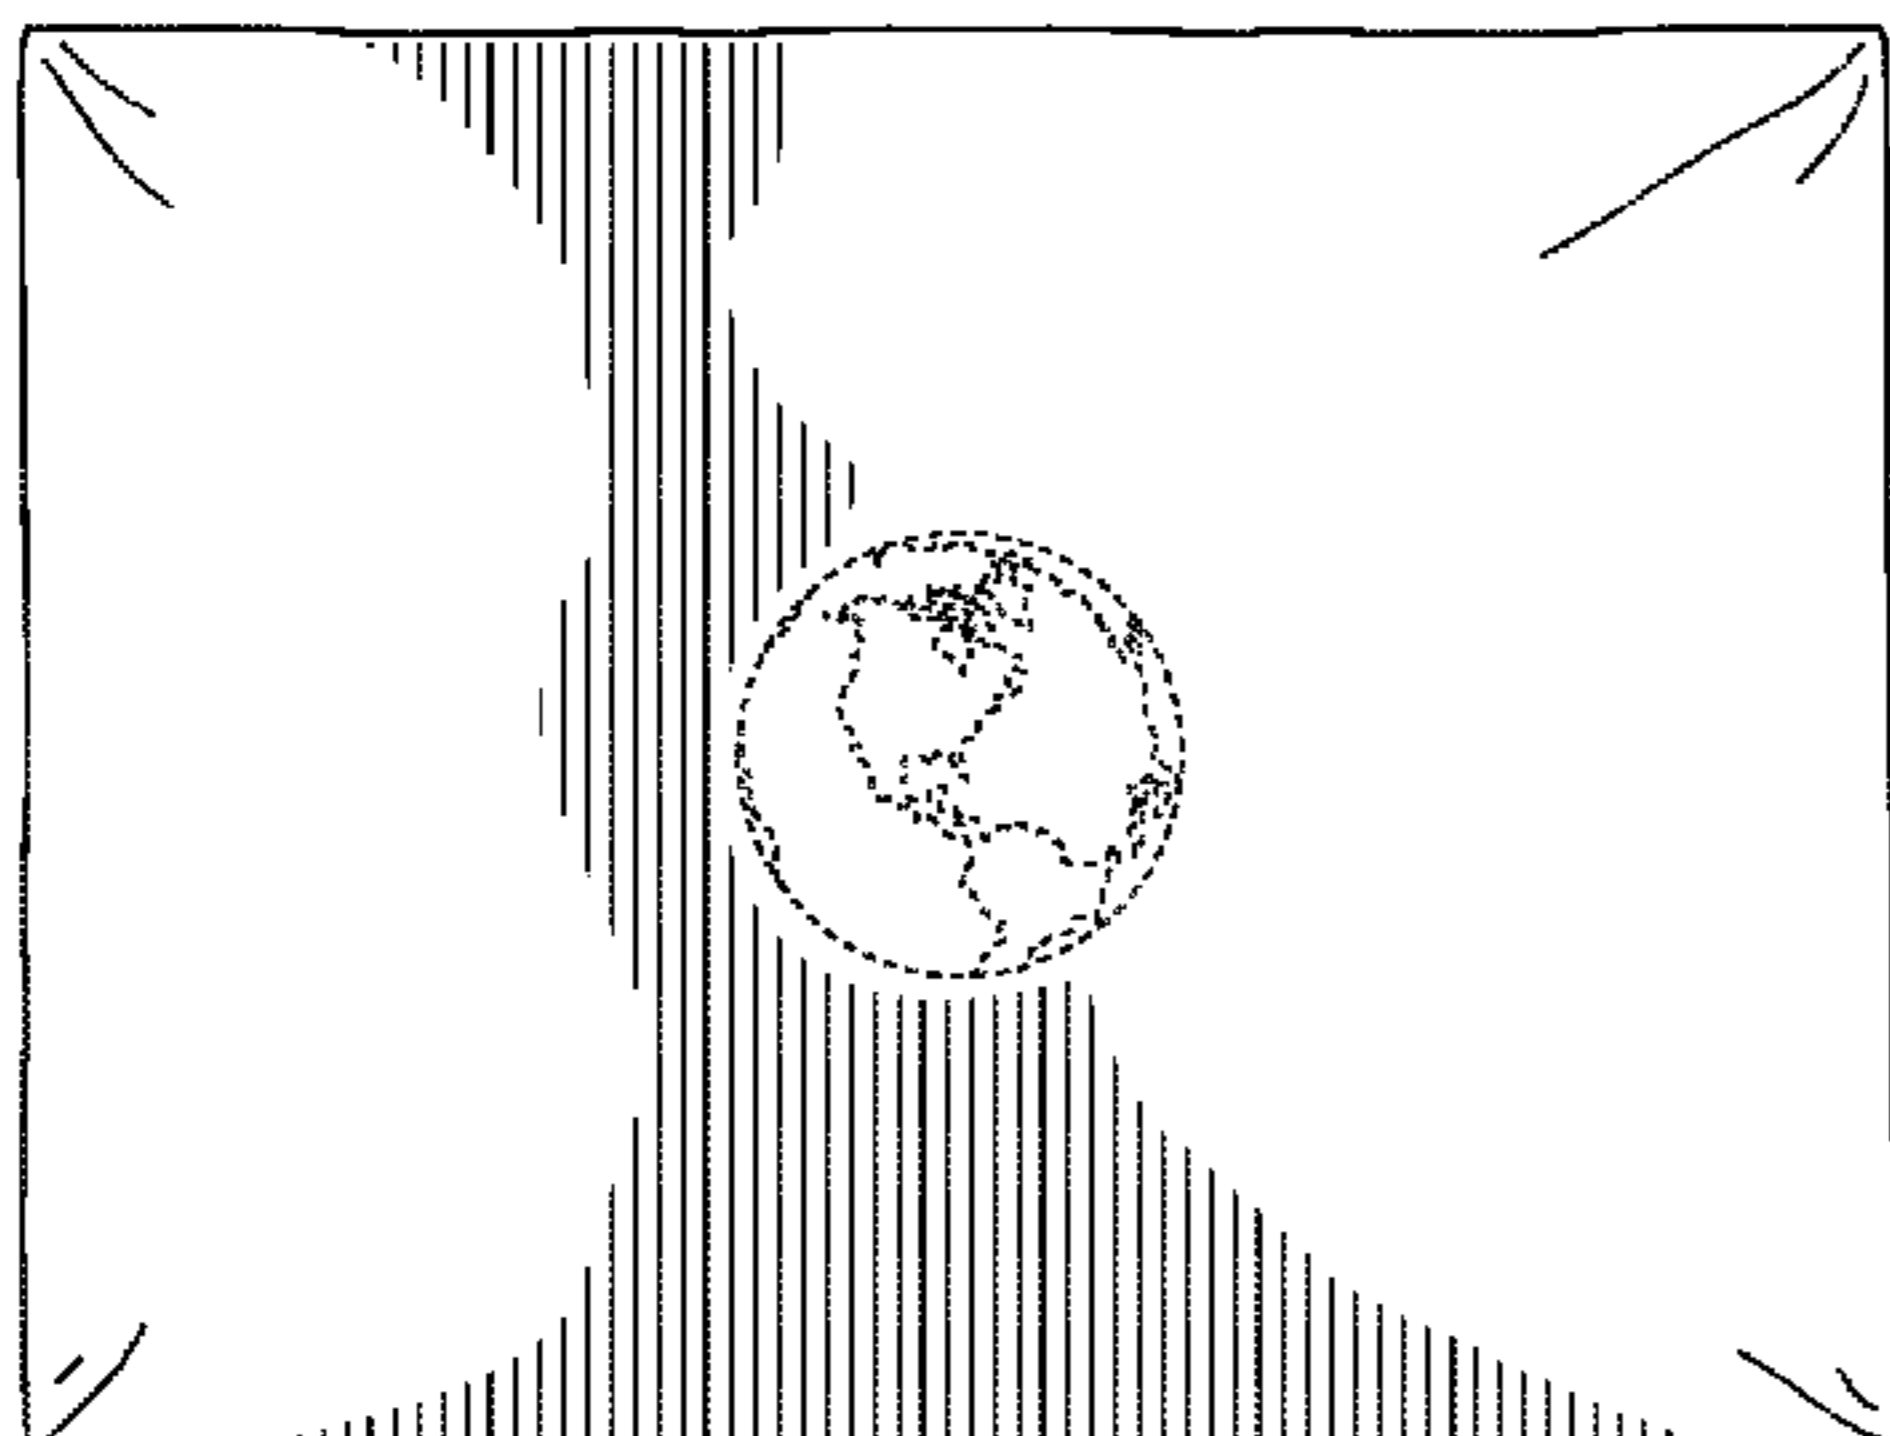

FIG. 8 is a front perspective view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design;

FIG. 9 is a front perspective view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design in a rolled position; and,

FIG. 10 is a front perspective view of the flexible laptop display slipcover having a transparent front panel and an advertising back panel, illustrating the new, original, and ornamental design in a folded position.

The broken line showing a portion of the rear panel and a laptop is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
