(57) **CLAIM**

The ornamental design for a lateral support of a track belt for vehicle tires, as shown and described.

DESCRIPTION

FIG. 1 is a top right front perspective view of a lateral support of a track belt for vehicle tires showing my new design; FIG. 2 is a right side elevational view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a bottom plan view thereof; FIG. 6 is a top plan view thereof; and, FIG. 7 is a reduced schematic view showing a series of lateral support of a track belt for vehicle tires in use condition on a track belt.

The broken line showing of the wheels, track belt, and a series of lateral support of a track belt for vehicle tires is included for the purpose of illustrating environmental structure only and forms no part of the claimed design.
