(57) **CLAIM**

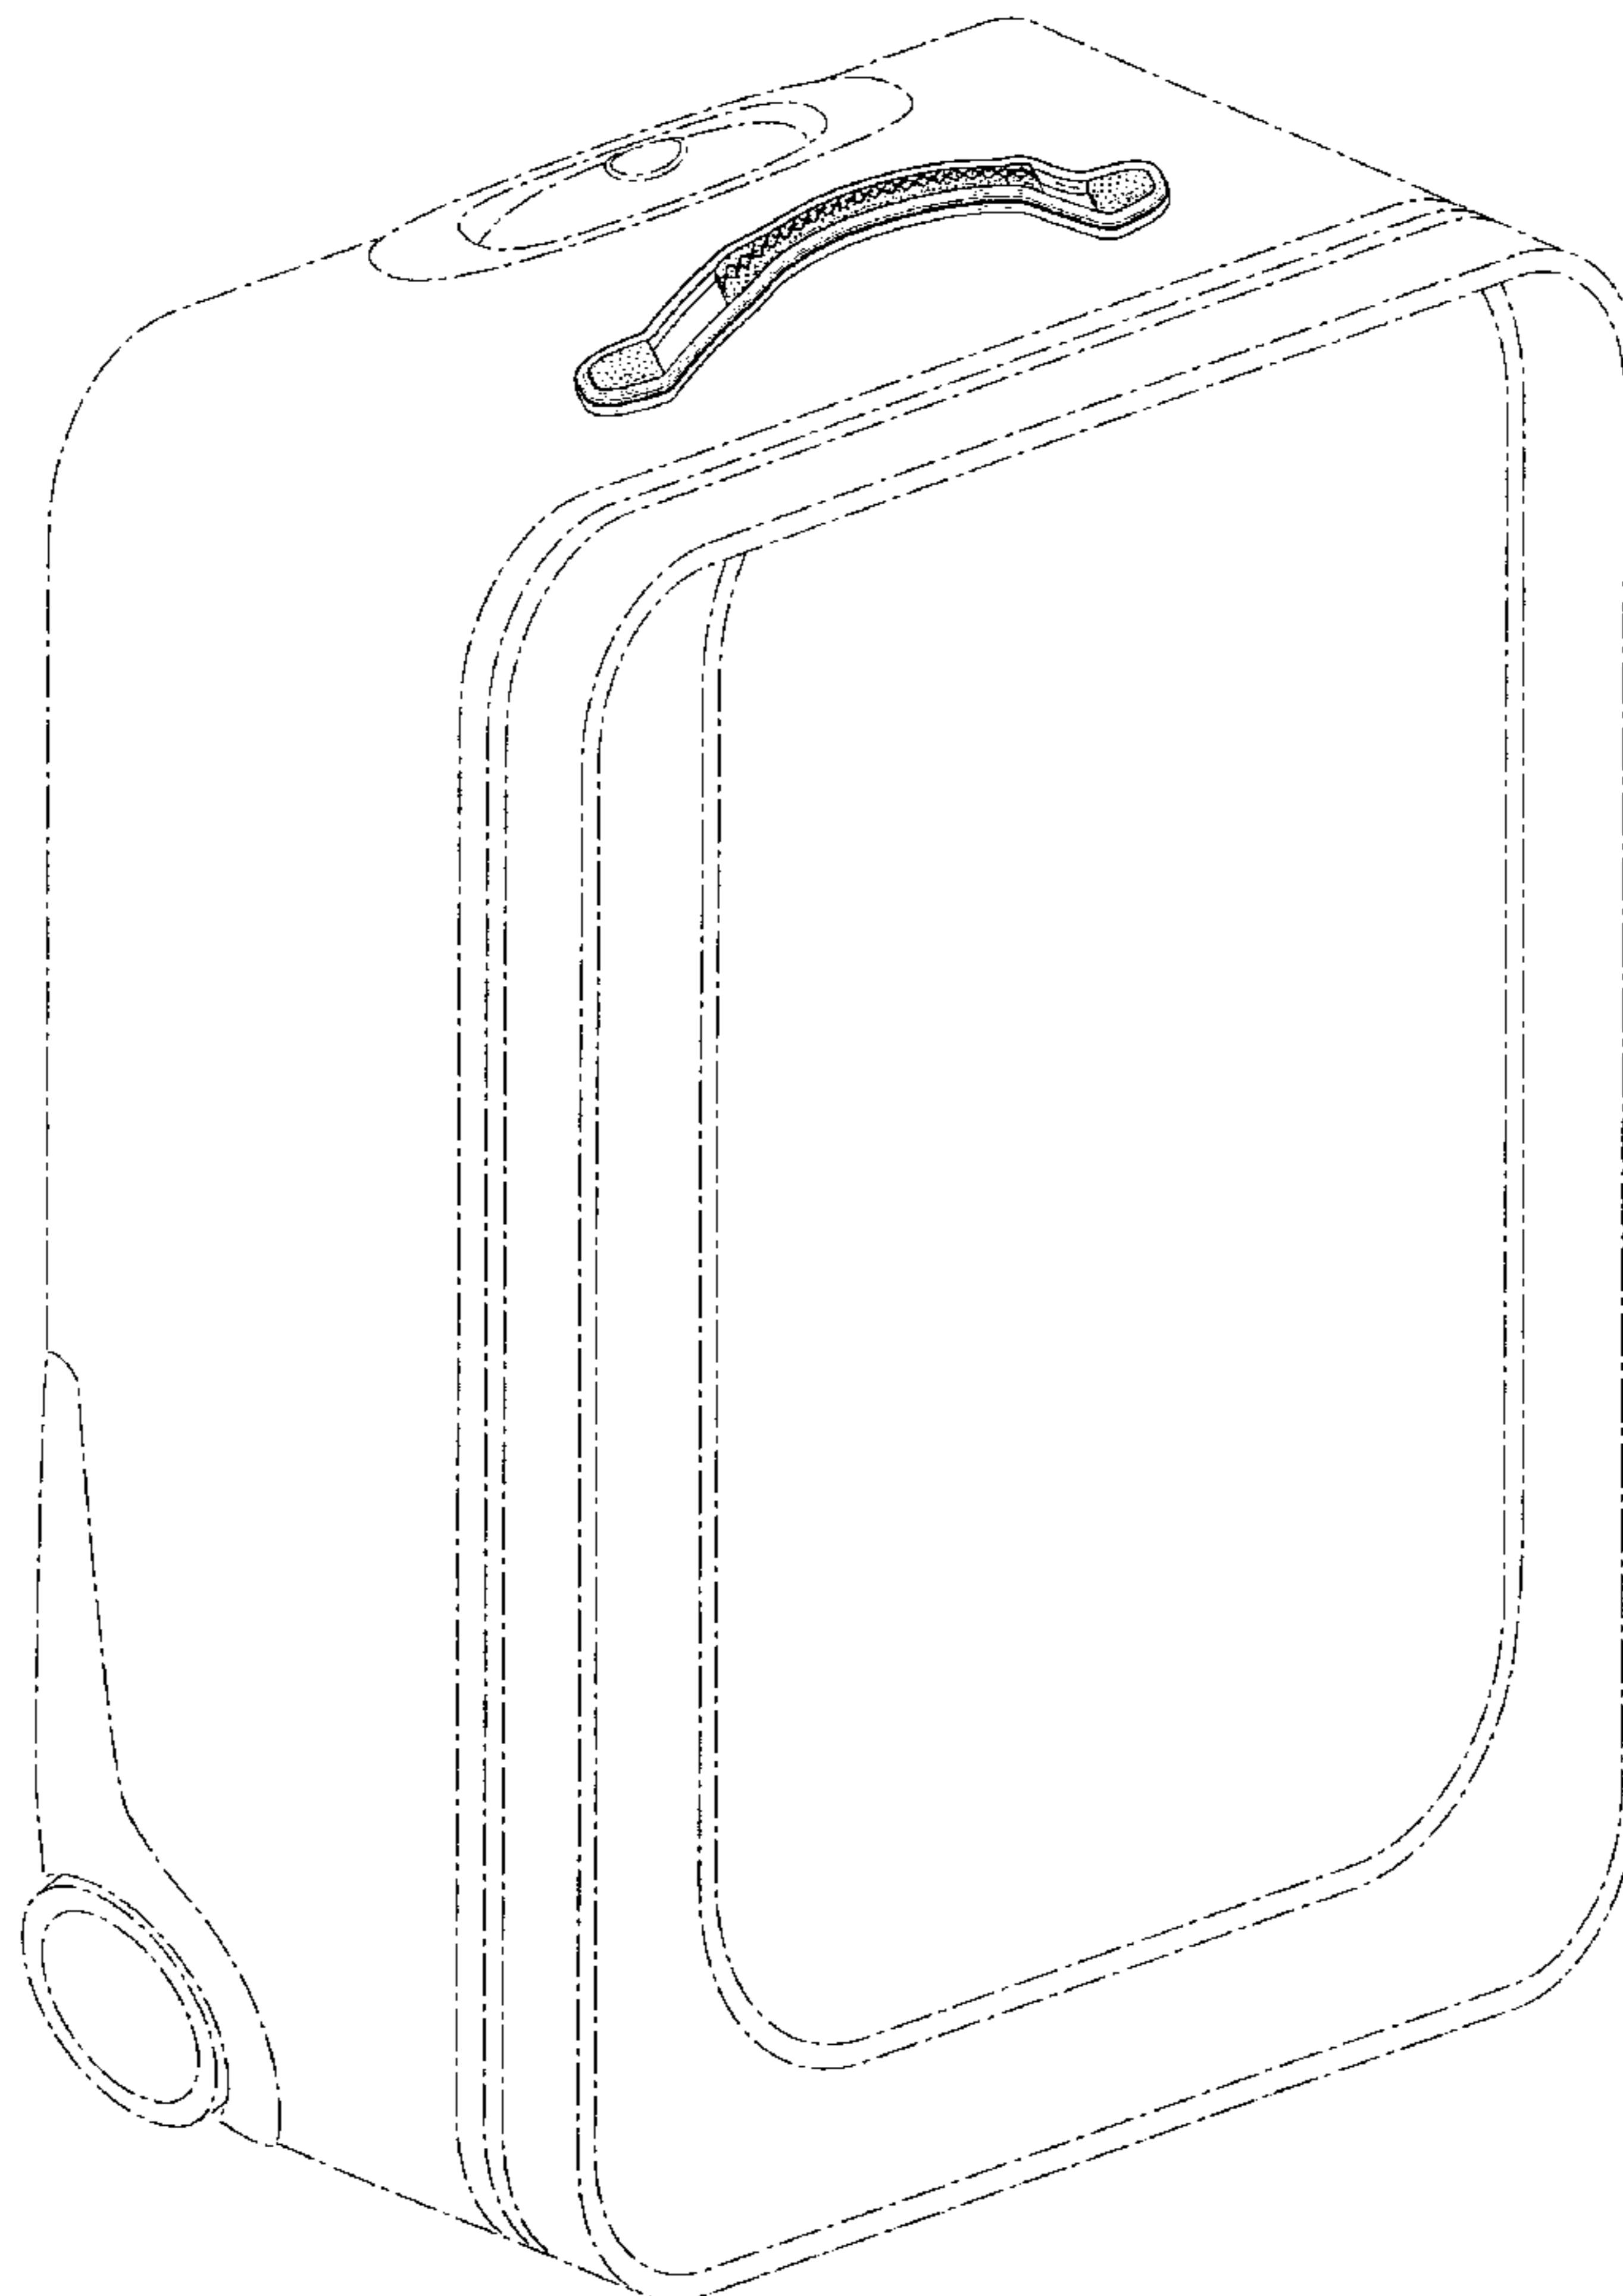

We claim the ornamental design of the stitched handle for luggage, as shown and described.

DESCRIPTION

FIG. 1 is a downward frontal rightward prospective view of a stitched handle for luggage according to our new design; FIG. 2 is a downward frontal rightward prospective view of the handle; FIG. 3 is a top plan view of the handle; FIG. 4 is a front elevational view of the handle; FIG. 5 is a bottom plan view of the handle; and, FIG. 6 is a left side view of the handle, a right side view of the handle is a mirror image of FIG. 6.

Broken lines throughout the drawings represent environmental structure and do not form parts of our design.
