(57) **CLAIM**

What is claimed is the ornamental design for an articulating nail puller, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an articulating nail puller showing my new design;

FIG. 2 is a left side elevational view thereof, the right side elevational view being a mirror image;

FIG. 3 is a top plan view thereof;

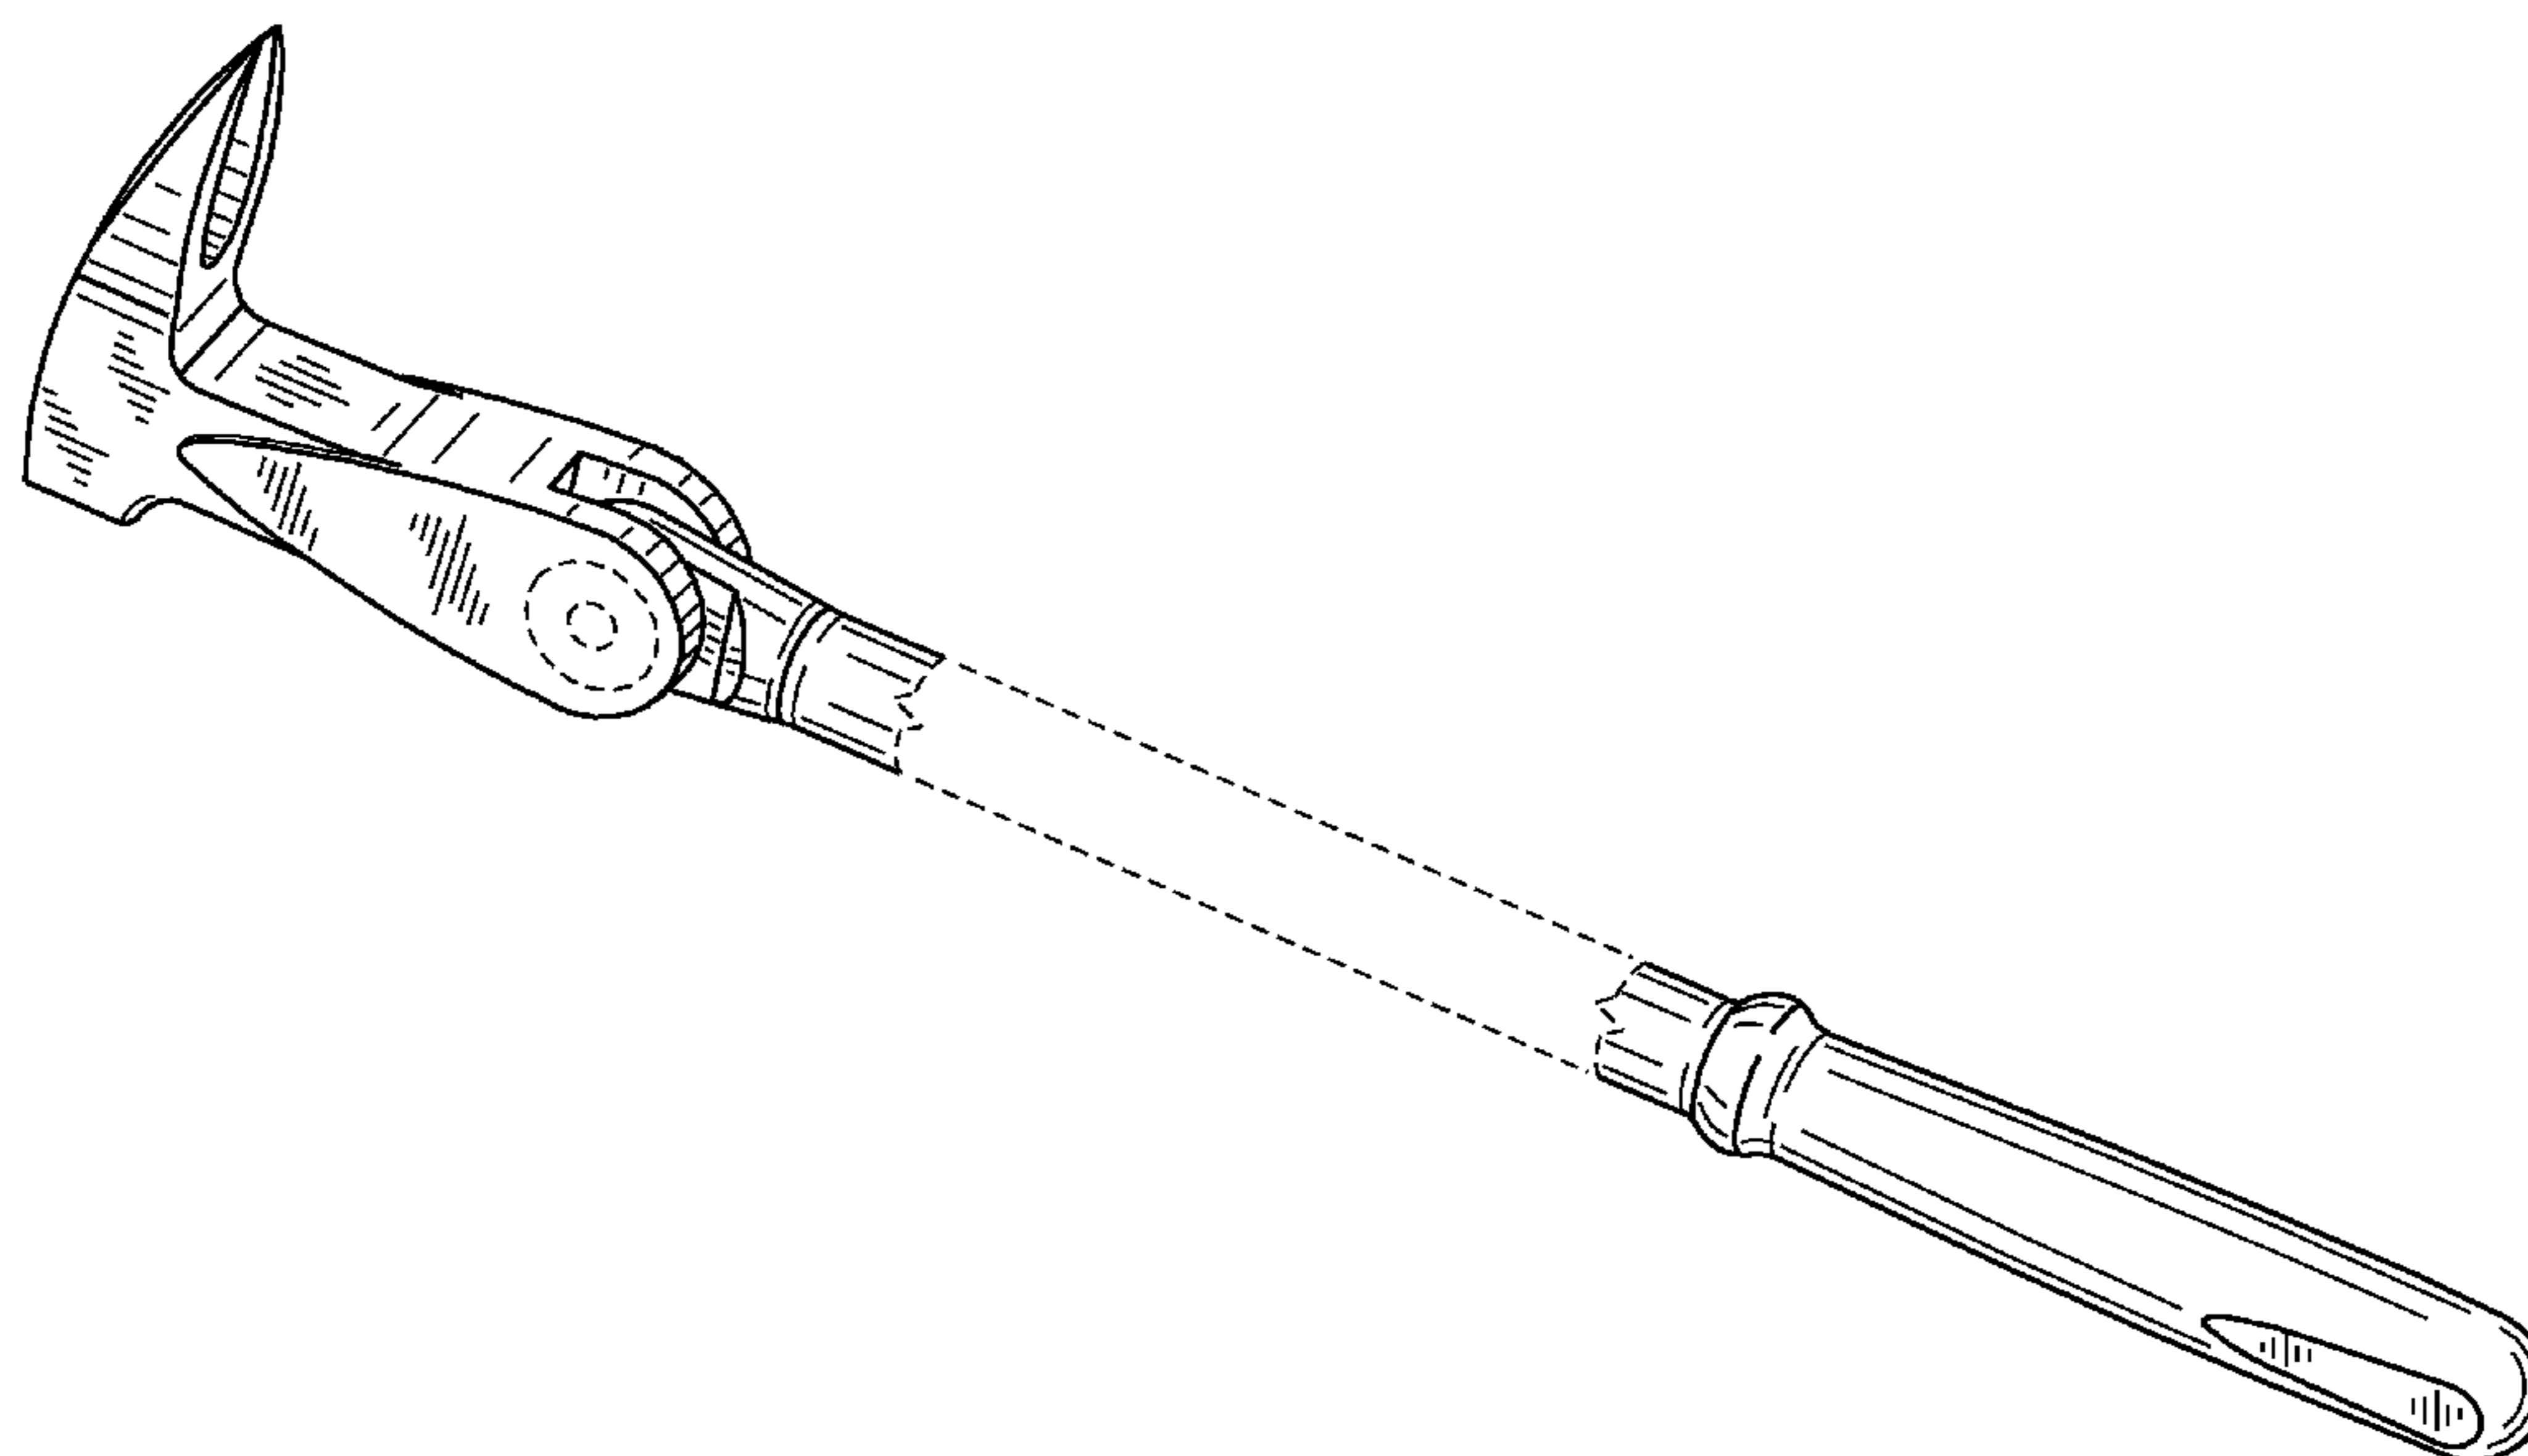

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a rear elevational view thereof.

The dotted lines showing the articulating nail puller shaft and pivoting mechanism are provided for illustrative purposes only and form no part of the design claimed.
