DESCRIPTION

FIG. 1 is a perspective view showing a combined shroud and battery compartment for a wheelchair, according to our design;

FIG. 2 is a top view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is a left side view thereof; and,

FIG. 5 is a back view thereof.

The broken line illustrated as a dash-dot-dash that extends across the top of the shroud represent the bounds of the claimed design while all other broken lines are directed to environment and are for illustrative purposes only; the broken lines form no part of the claimed design.
