CLAIM

The ornamental design for a 30 amp electrical connector head replacement plug, as shown and described.

DESCRIPTION

FIG. 1 is a bottom, right side, rear perspective view of a 30 amp electrical connector head replacement plug embodying our design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top, left side, front perspective view thereof;

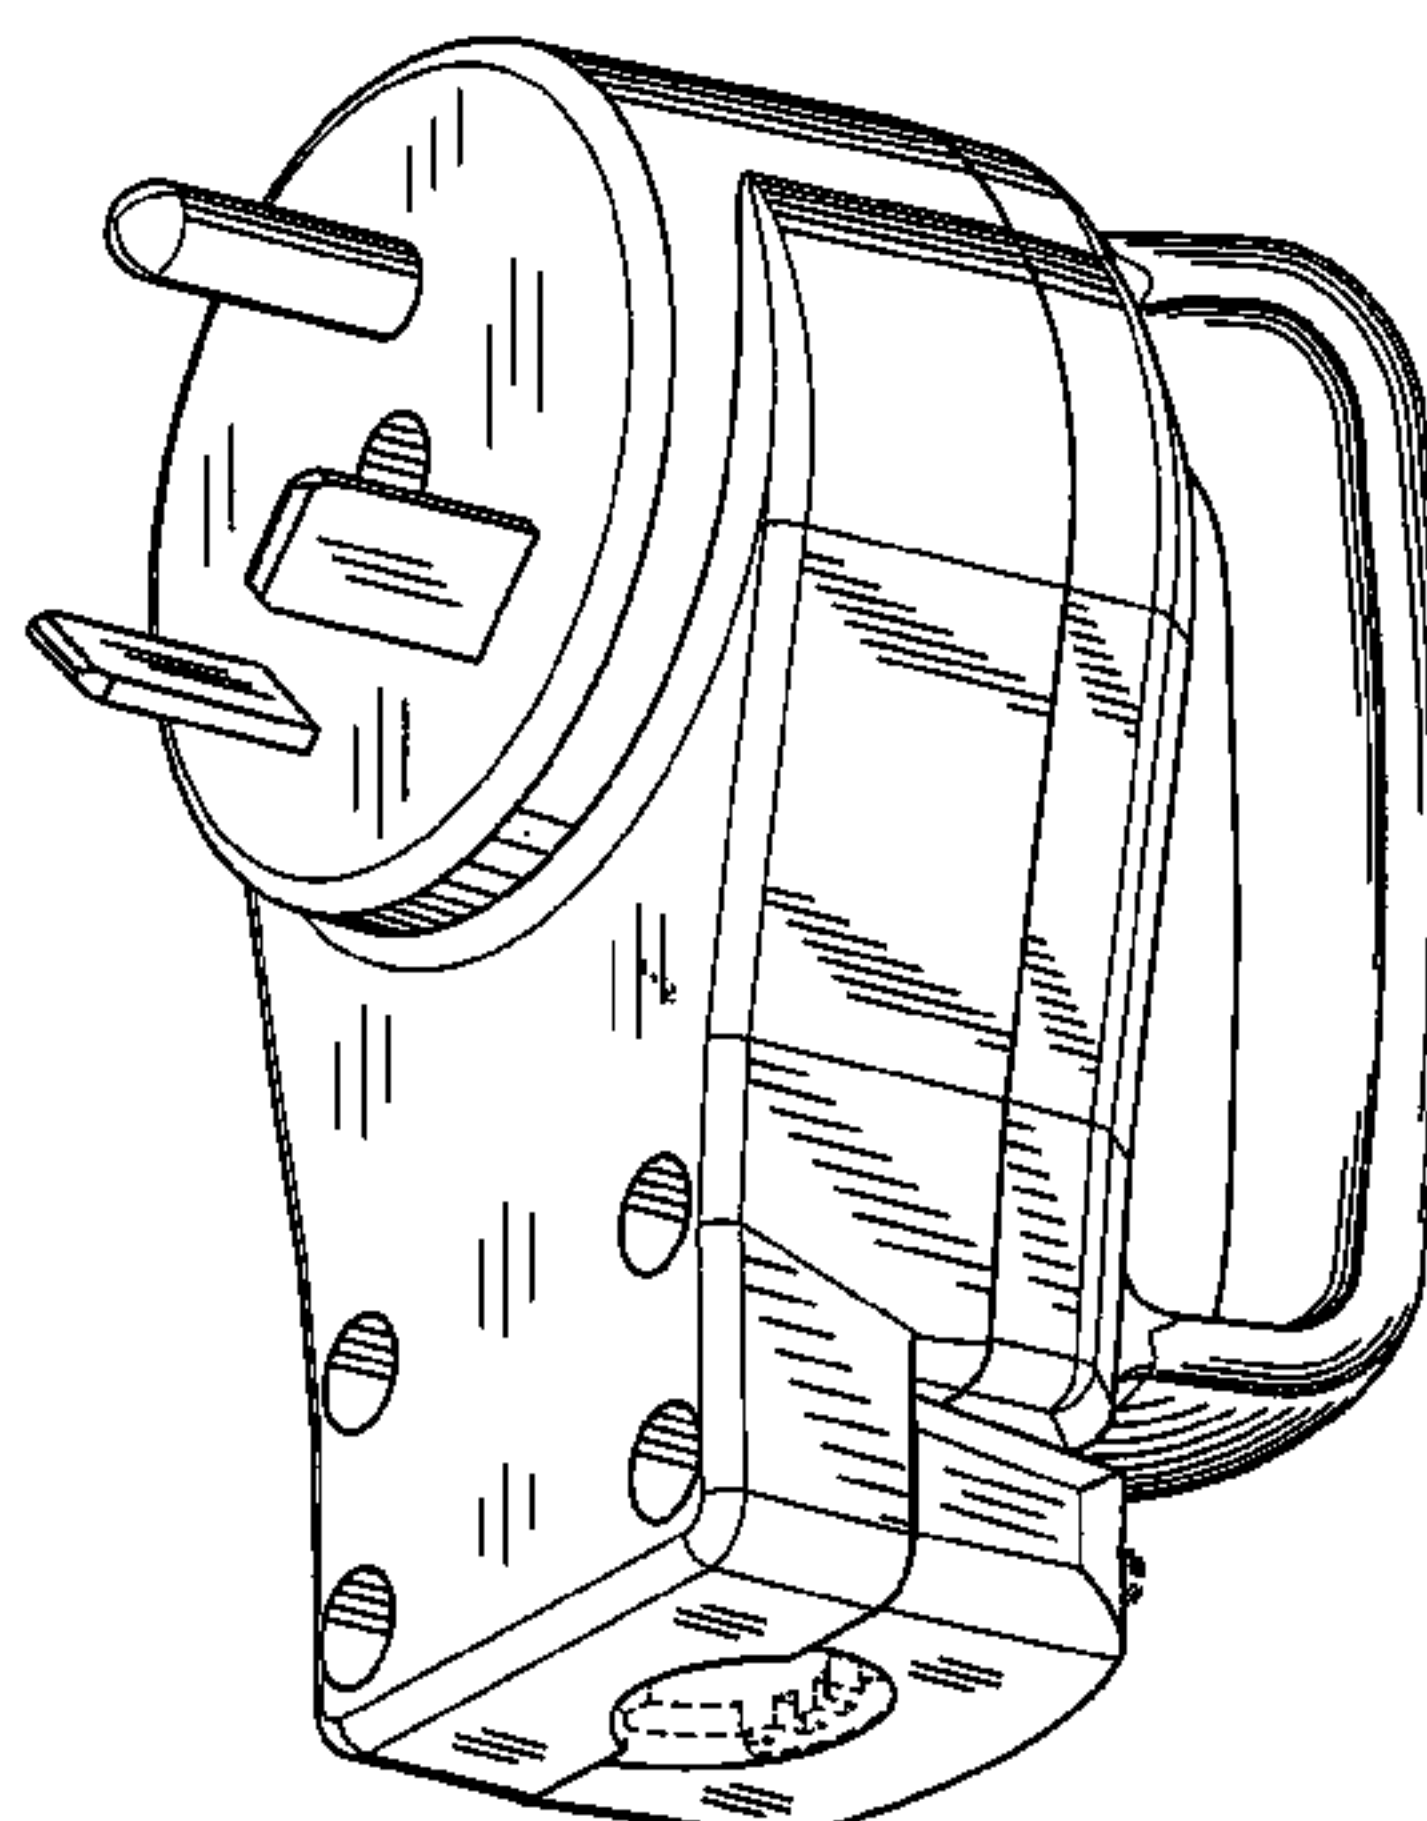

FIG. 5 is a left side elevational view thereof and the right side elevational view being a mirror image;

FIG. 6 is a top plan view thereof; and,

FIG. 7 is a bottom plan view thereof.

The broken lines showing portions of the 30 amp electrical connector head replacement plug are included for the purpose of illustrating environmental structure and form no part of the claimed design.
