(57) **CLAIM**
The ornamental design for the West Virginia “Fan”-cy spirit finger gloves, as shown and described.

DESCRIPTION

FIG. 1 is a right hand palm side view of my design for a West Virginia “Fan”cy spirit finger gloves;
FIG. 2 is a left hand palm side view of my design for a West Virginia “Fan”cy spirit finger gloves;
FIG. 3 is a right hand backhand view of my design shown in FIG. 1; and,
FIG. 4 is a left hand backhand view of my design shown in FIG. 2.
West Virginia is one of a few states that you can use your fingers to make the state’s abbreviation. I have included drawings of the gloves that show the W on the right hand palm side and the V on the left hand palm side. To my knowledge, I have never seen gloves with a state’s abbreviation on fingers at any sporting event to show state spirit.
