(57) **CLAIM**

The ornamental design for an air intake snorkel for a vehicle, as shown and described.

**DESCRIPTION**

FIG. 1 is a front left perspective view of the air intake snorkel for a vehicle of the present invention.

FIG. 2 is front right perspective view of the present invention.

FIG. 3 is a left side perspective view of the present invention.

FIG. 4 is a right side perspective view of the present invention.

FIG. 5 is a front elevational view of the present invention.

FIG. 6 is a rear elevational view of the present invention.

FIG. 7 is a top plan view of the present invention; and,

FIG. 8 is a bottom plan view of the present invention.

The broken lines showing environmental structure are for illustrative purposes only and form no part of the claimed design.
