(57) **CLAIM**

The ornamental design for face drape for use with goggles, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of the face drape;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

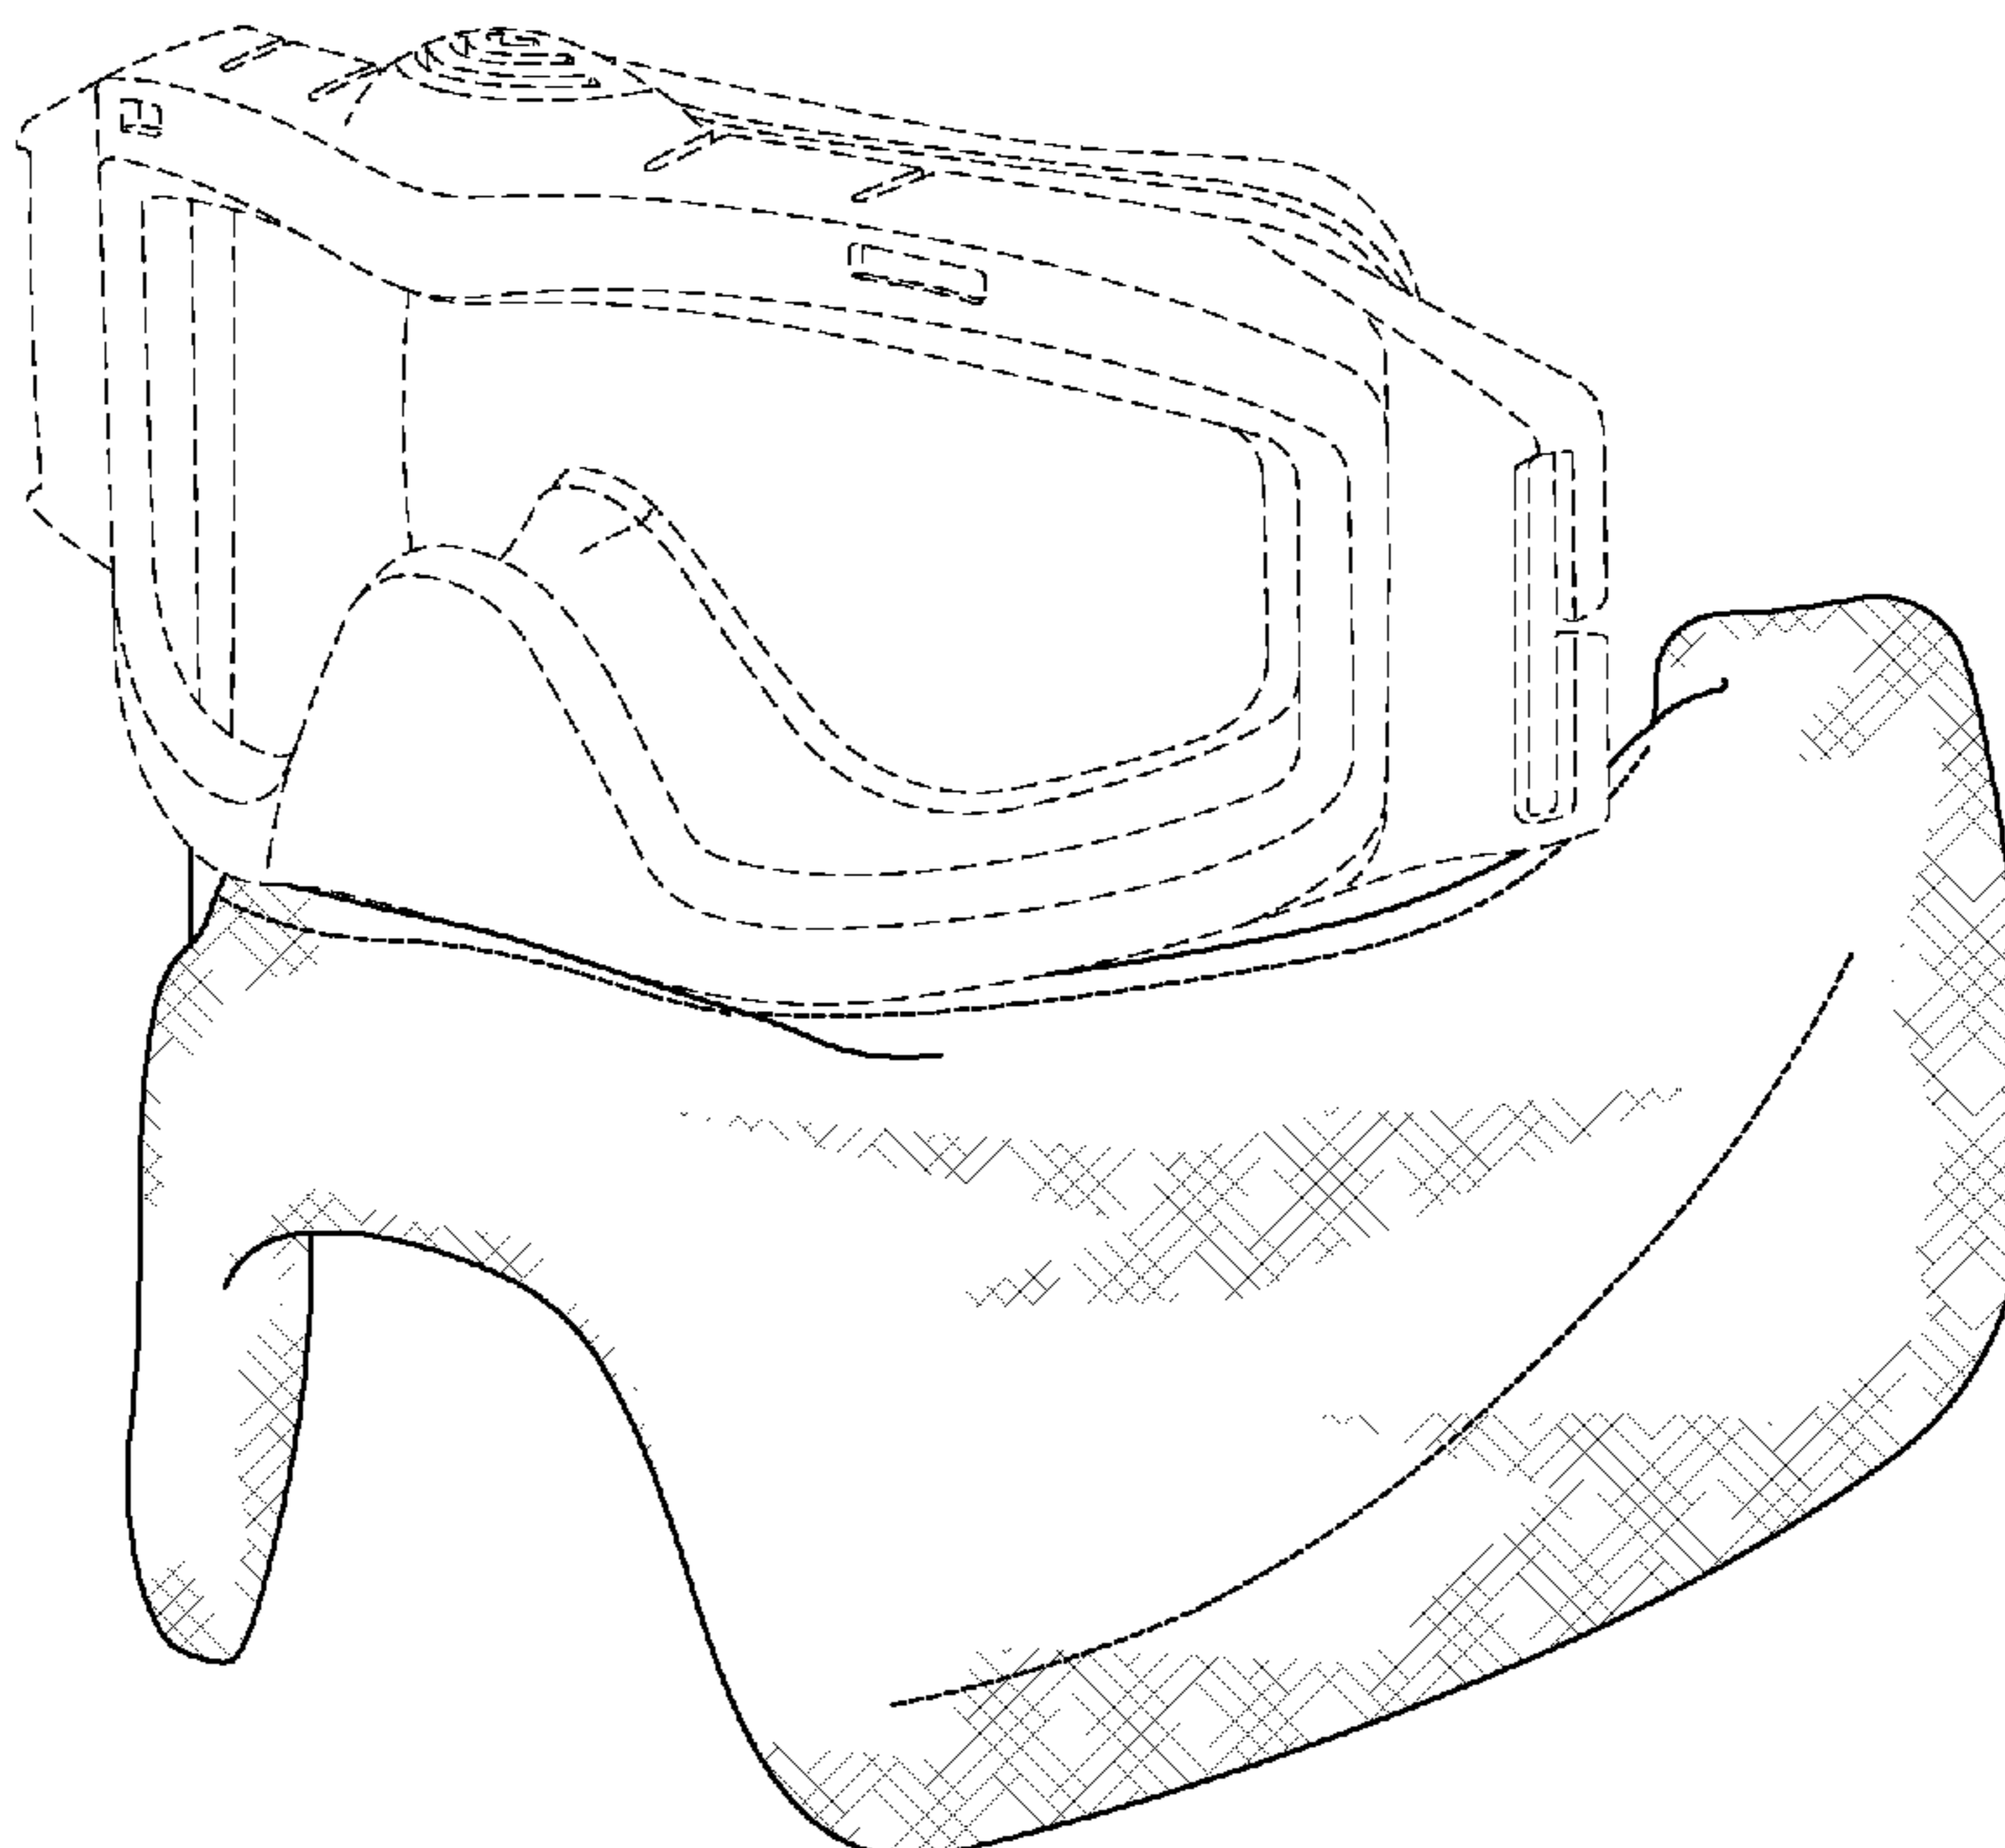

FIG. 4 is a first side elevational view thereof, the opposite side being symmetrical and thus not included herein as a separate figure;

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a top plan view thereof.

The broken lines in the drawings represent unclaimed environmental matter. The equidistant, closely spaced broken lines on the surface of the face drape for use with goggles represent unclaimed stitching.
