(57) **CLAIM**

What is claimed is the ornamental design for a set of protective covers for portable galvanic current skin treatment device, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevation view of the set of protective covers; FIG. 2 is a top plan view thereof; FIG. 3 is a bottom plan view thereof; FIG. 4 is a left-side elevation view thereof; FIG. 5 is a right-side elevation view thereof; FIG. 6 is a front perspective view of the first part of the set of protective covers, showing the cover in an alternate, slightly curved position; and, FIG. 7 is a front perspective view of the second part of the set of protective covers, showing the cover in an alternate, slightly curved position.

The broken lines showing a portable galvanic current skin treatment device in FIGS. 1 and 2 are included for the purpose of illustrating the invention in use, and form no part of the claimed design.

The broken line showing of the surface decorations in FIGS. 6 and 7 depict a possible ornamentation pattern and form no part of the claimed design.
