(57) **CLAIM**

The ornamental design for a convertible vehicle and/or replica thereof, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a convertible vehicle and/or a replica thereof in accordance with our new design; FIG. 2 is a rear elevational view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 3 is a top plan view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 4 is a bottom plan view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 5 is a right side elevational view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 6 is a left side elevational view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 7 is a front side perspective view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 8 is a rear side perspective view of the convertible vehicle and/or replica thereof in accordance with our new design; FIG. 9 is a front side perspective view of the convertible vehicle and/or replica thereof in accordance with our new design with a roof portion being shown in broken line to indicate a state in which the roof portion is folded away; FIG. 10 is a rear side perspective view of the convertible vehicle and/or replica thereof in accordance with our new design with the roof portion being shown in broken line to indicate a state in which the roof portion is folded away; and, FIG. 11 is a top plan view of the convertible vehicle and/or replica thereof in accordance with our new design with the roof portion being shown in broken line to indicate a state in which the roof portion is folded away. The broken line showing of the convertible vehicle and/or replica thereof is for purpose of illustrating environmental structure and forms no part of the claimed design.
