(57) **CLAIM**

The ornamental design for a textile product with surface pattern, as shown and described.

DESCRIPTION

The Sole FIGURE is a plan view of a textile product with surface pattern, showing my new ornamental design. The broken lines in the FIGURE form no part of the claimed design, represent the boundaries of one repeat unit of the claimed surface pattern as well as a portion of the product to which the pattern is applied, and indicate that the product is of no specific length and width. It is understood that the claimed design repeats uniformly in one or more directions.
