(57) **CLAIM**

The ornamental design for a weed guard for a fishing lure, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the weed guard for a fishing lure;

FIG. 2 is a left elevational view of the weed guard;

FIG. 3 is a right elevational view of the weed guard;

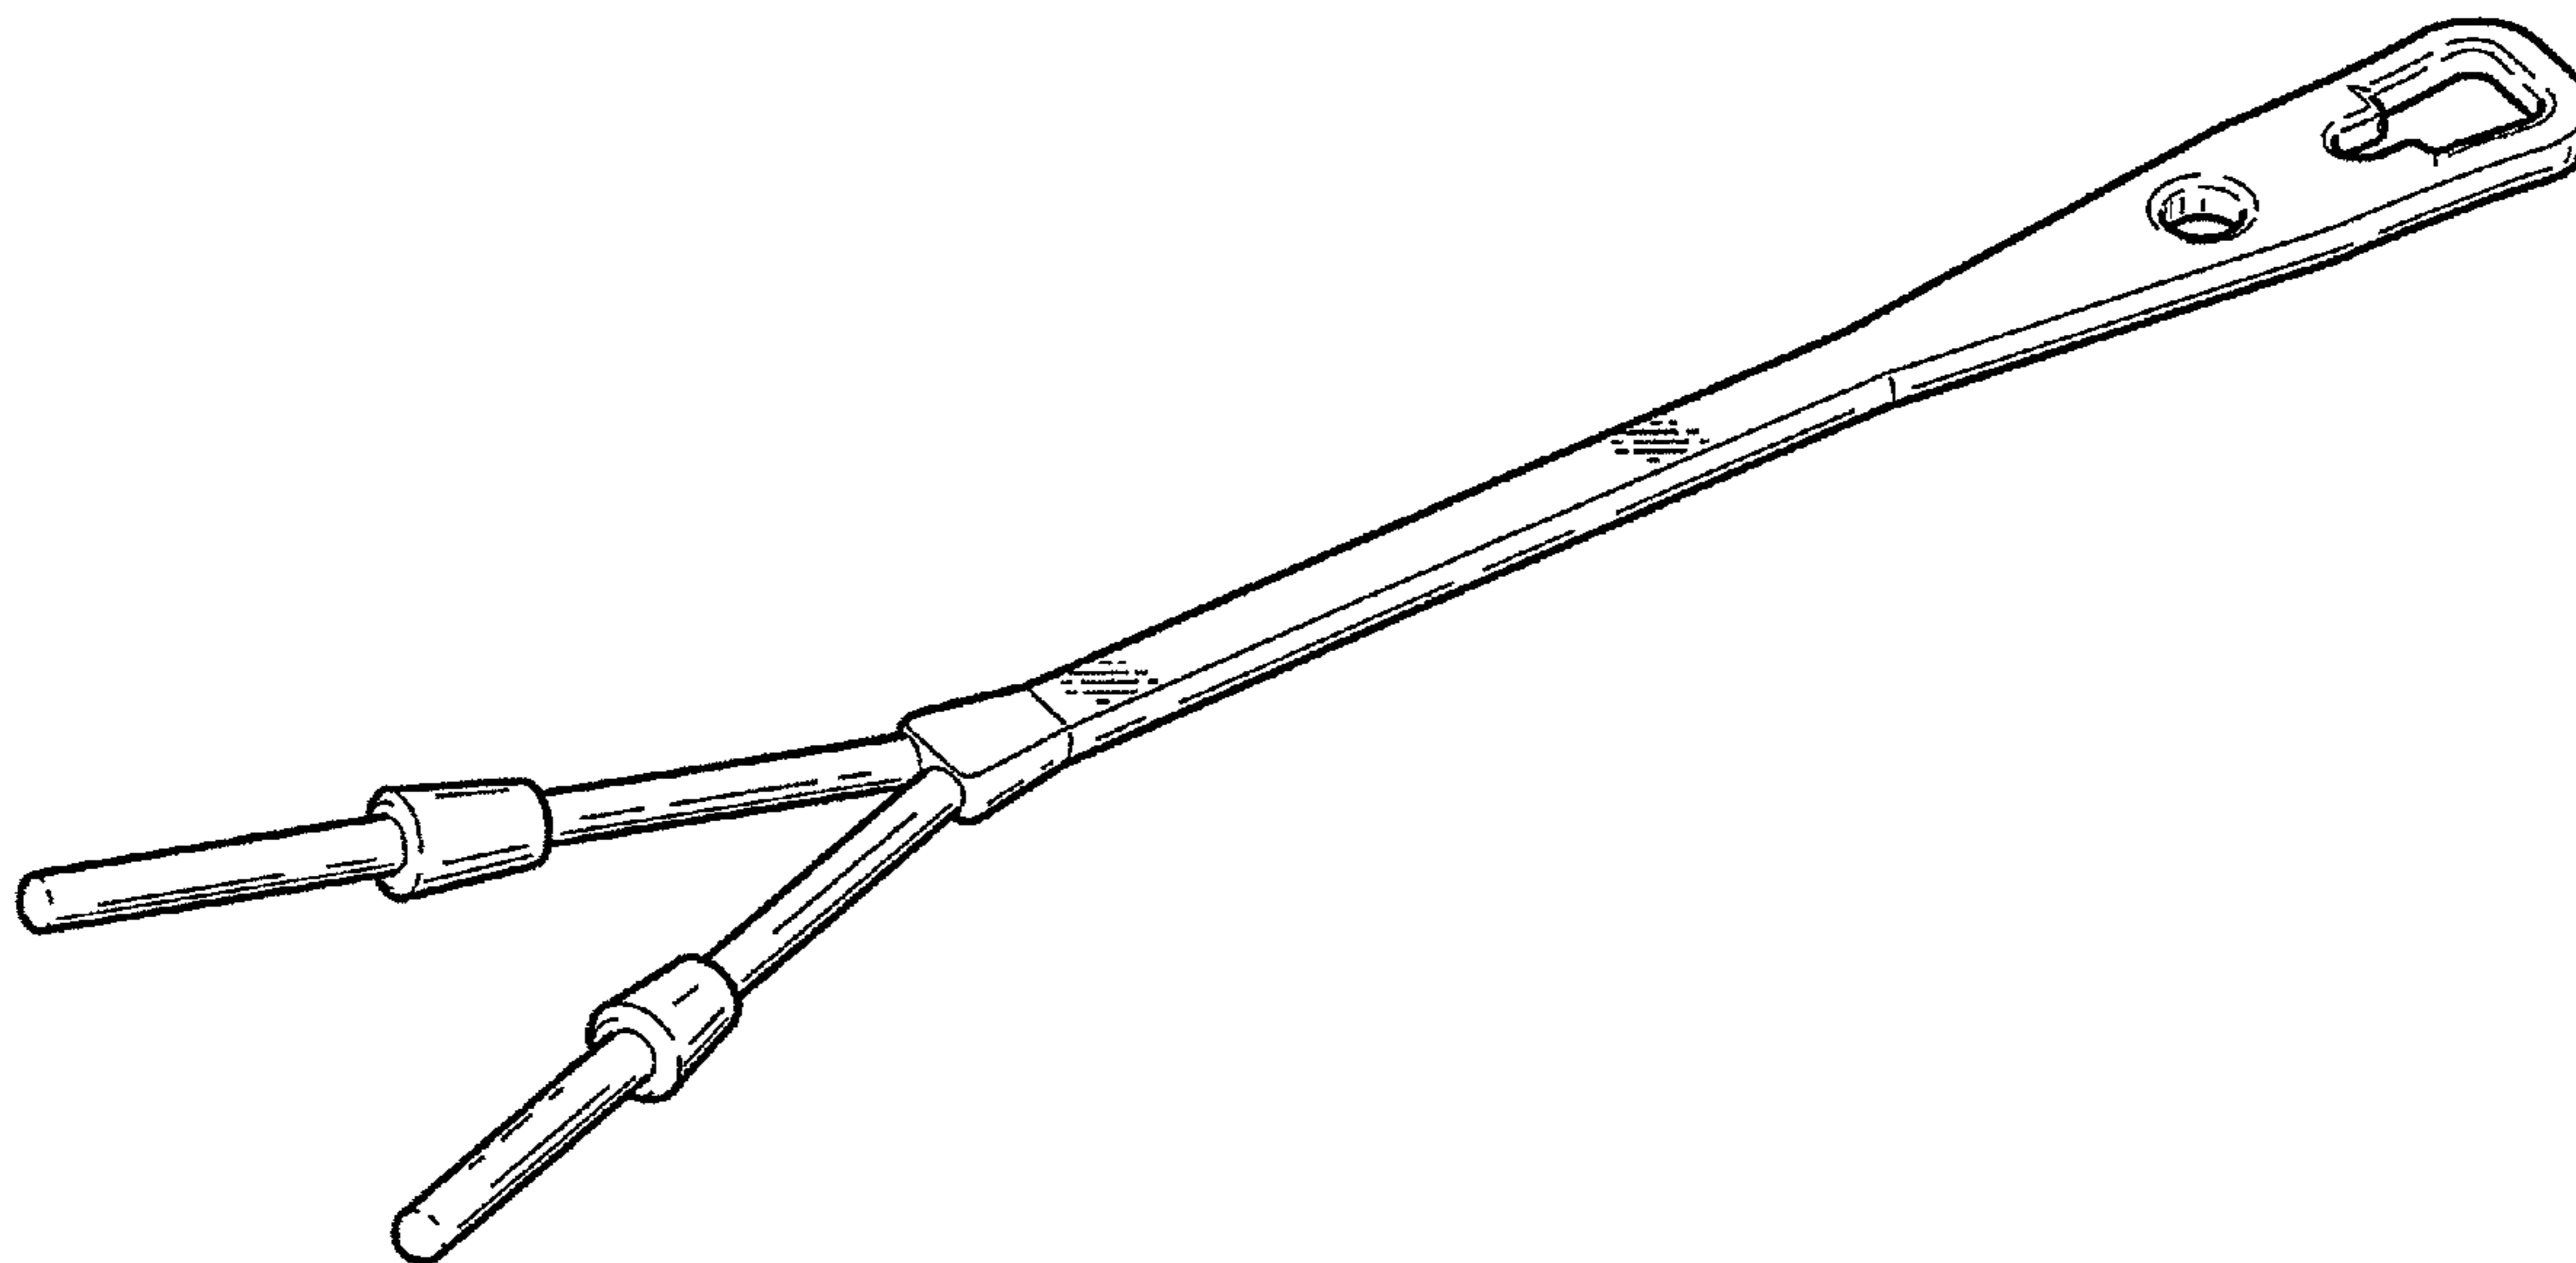

FIG. 4 is a front elevational view of the weed guard, the front elevational view of the weed guard being a mirror image of a rear elevational view of the weed guard;

FIG. 5 is a top plan view of the weed guard, the top plan view of the weed guard being a mirror image of a bottom view of the weed guard; and,

FIG. 6 is a second perspective view of the weed guard connected to a fishing lure, the fishing lure being illustrated in broken lines being for illustrative purposes only and form no part of the claimed design.

The broken lines shown on the drawings are for illustrative purposes only and form no part of the claimed design.
