(57) **CLAIM**

The ornamental design for a grip for a fire iron, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the grip for a fire iron, showing my new design;

FIG. 2 is a front elevation view of the design illustrated in FIG. 1;

FIG. 3 is a rear elevation view of the design illustrated in FIG. 1;

FIG. 4 is a right side view of the design illustrated in FIG. 1;

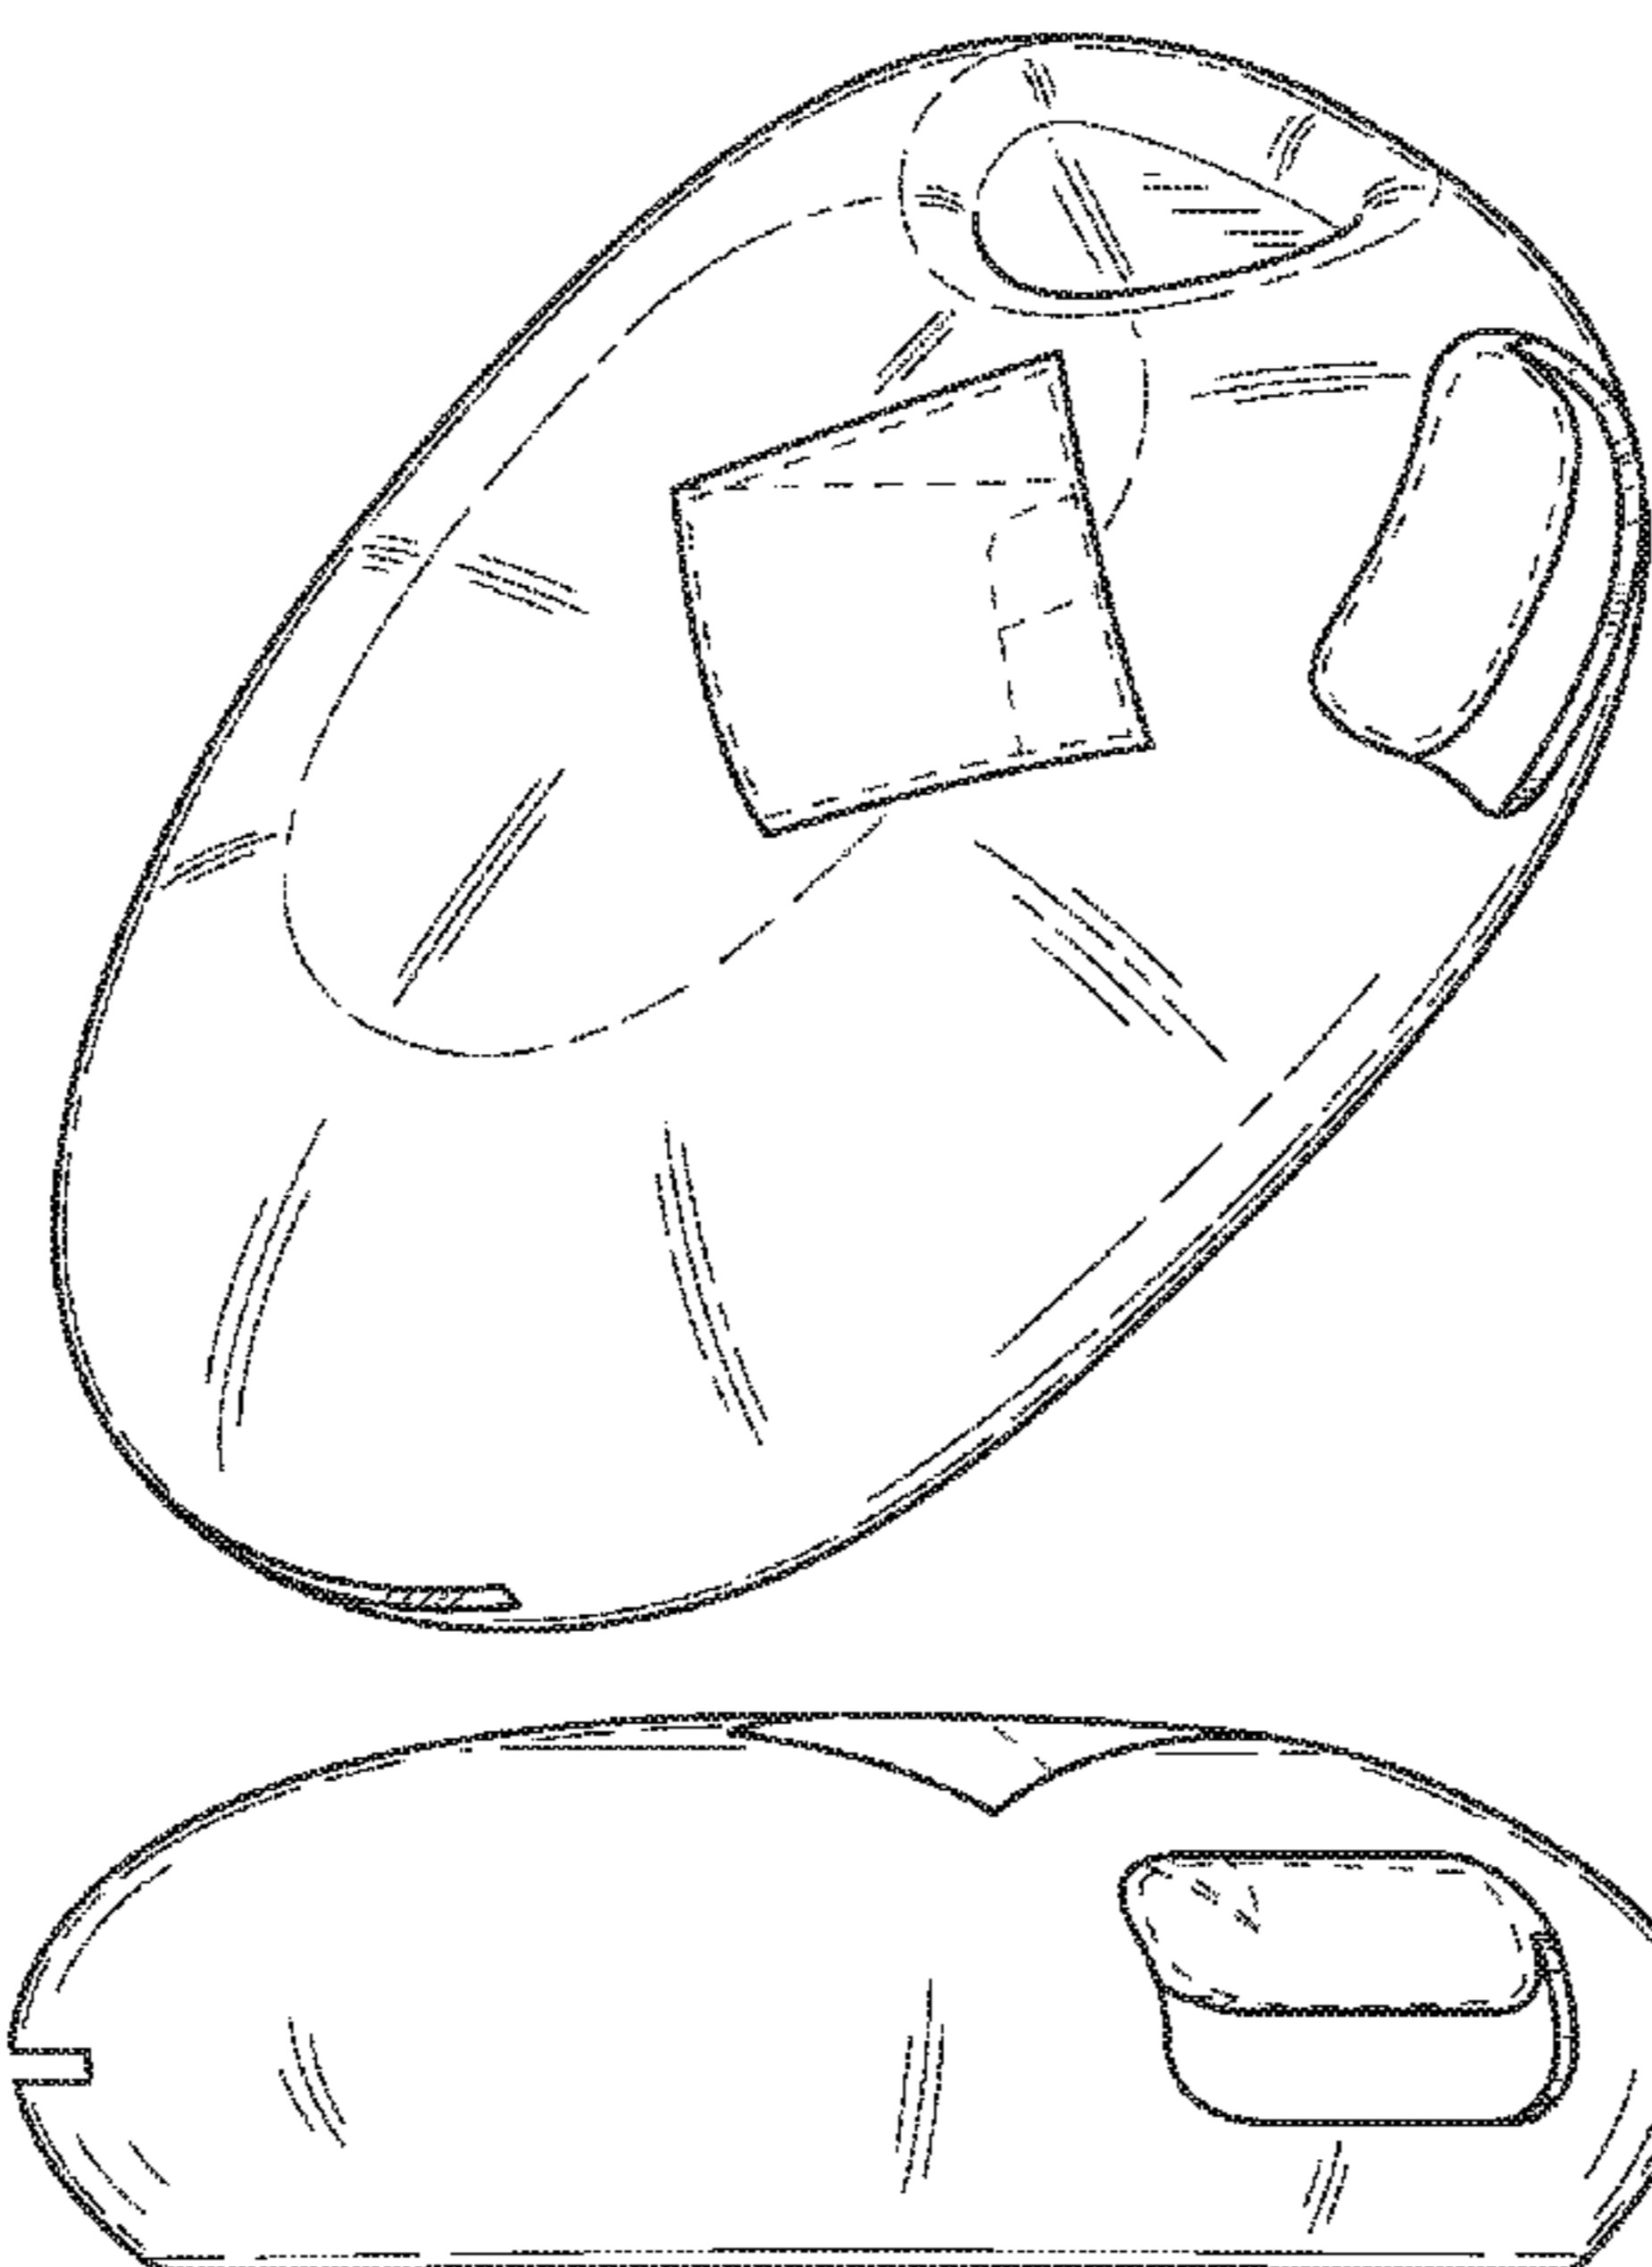

FIG. 5 is a left side view of the design illustrated in FIG. 1;

FIG. 6 is a top view of the design illustrated in FIG. 1; and, FIG. 7 is a bottom view of the design illustrated in FIG. 1.

A fire iron may be inserted into the front of the grip, and generates sparks when scraped with a striker.

The broken lines in the drawings represent unclaimed environmental subject matter.
